# What happens when I get to school?

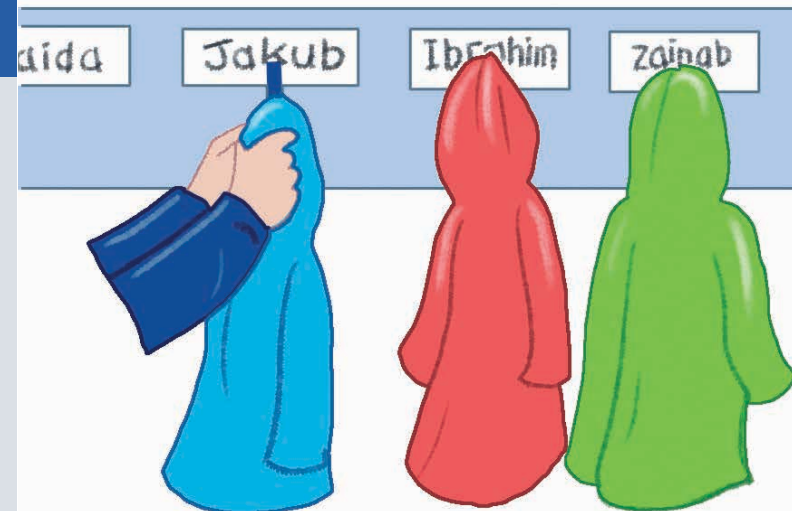

## Welcome to Reception

When you get to school, your grown-up will bring you to the classroom door where your teacher will be waiting to meet you. Your teacher will welcome you into school as you say goodbye to your grown-up.

"Hello, everyone," says the teacher.

"We have lots of fun things for you to do, but first we will help you put your things away."

Jakub, Zainab and Ibrahim are already making friends as they say "goodbye" to their grown-ups and enter the cloakroom.

You will hang up your coat on the coat peg that has your name on. Then you will put your book bag away in your tray. The school will give you your own water bottle.

Jakub, Ibrahim and Zainab have found their coat pegs and hung up their coats. Then they put their book bags away. Now they are ready to start their day in school and have lots of fun learning and making friends.

# What will I do in school?

Your teacher will work with you and help you to learn.

Zainab and her new friends Jakub and Ibrahim are learning their sounds and how to write and read them.

“What sound does this make?” asks the teacher as she points to the card.

We love music and you will really enjoy your lessons about music and singing.

The teacher is playing fun songs on the keyboard as the children sing and clap to the tune.

You can also choose from our many fun activities.

Zainab and Jakub are looking at some lovely story books.

“I love stories,” says Zainab. “My dad reads with me every night.”

Zainab is drawing a pretty picture.

“I am drawing our garden at home,” Zainab tells her new friends.

Jakub, Zainab and Ibrahim think it is great fun learning new things and making new friends.

“Let’s see how fast our tricycles go,” Jakub says to Zainab as they ride their bikes in the playground.

What are you looking forward to doing at school?

## What happens if I am hungry or thirsty?

During the morning, you will have a snack of fresh fruit or vegetables to eat, and water or milk to drink. Fruit and vegetables are good for you and they taste great too! So we want you to eat some every day.

Ibrahim, Zainab and Jakub are sitting chatting as they enjoy their morning snack.

"These green apples taste really juicy and sweet," says Ibrahim.

"My orange is great too," says Zainab.

At lunchtime, we all go to the lunch hall. There are lots of friendly adults there to help you get the food you want.

"What did you get for lunch?" Jakub asks Zainab.

"I always choose lots of lovely vegetables. My dad says they are really good for us," Zainab replies.

Ibrahim has just collected his delicious hot school dinner and is now going to sit with his friends as they all enjoy their food.

## What is your favourite food?

## What happens if I need the toilet?

You can go to the toilet when you need to, but you must first ask your teacher.

Zainab has been practising writing with her teacher. Zainab needs to go to the toilet so she lets her teacher know.

“Please may I go to the toilet?” asks Zainab.

“Yes, of course,” replies her teacher. “We will see you back here soon.”

Zainab goes to the toilet. When she has finished, she makes sure she flushes to leave the toilet nice and clean.

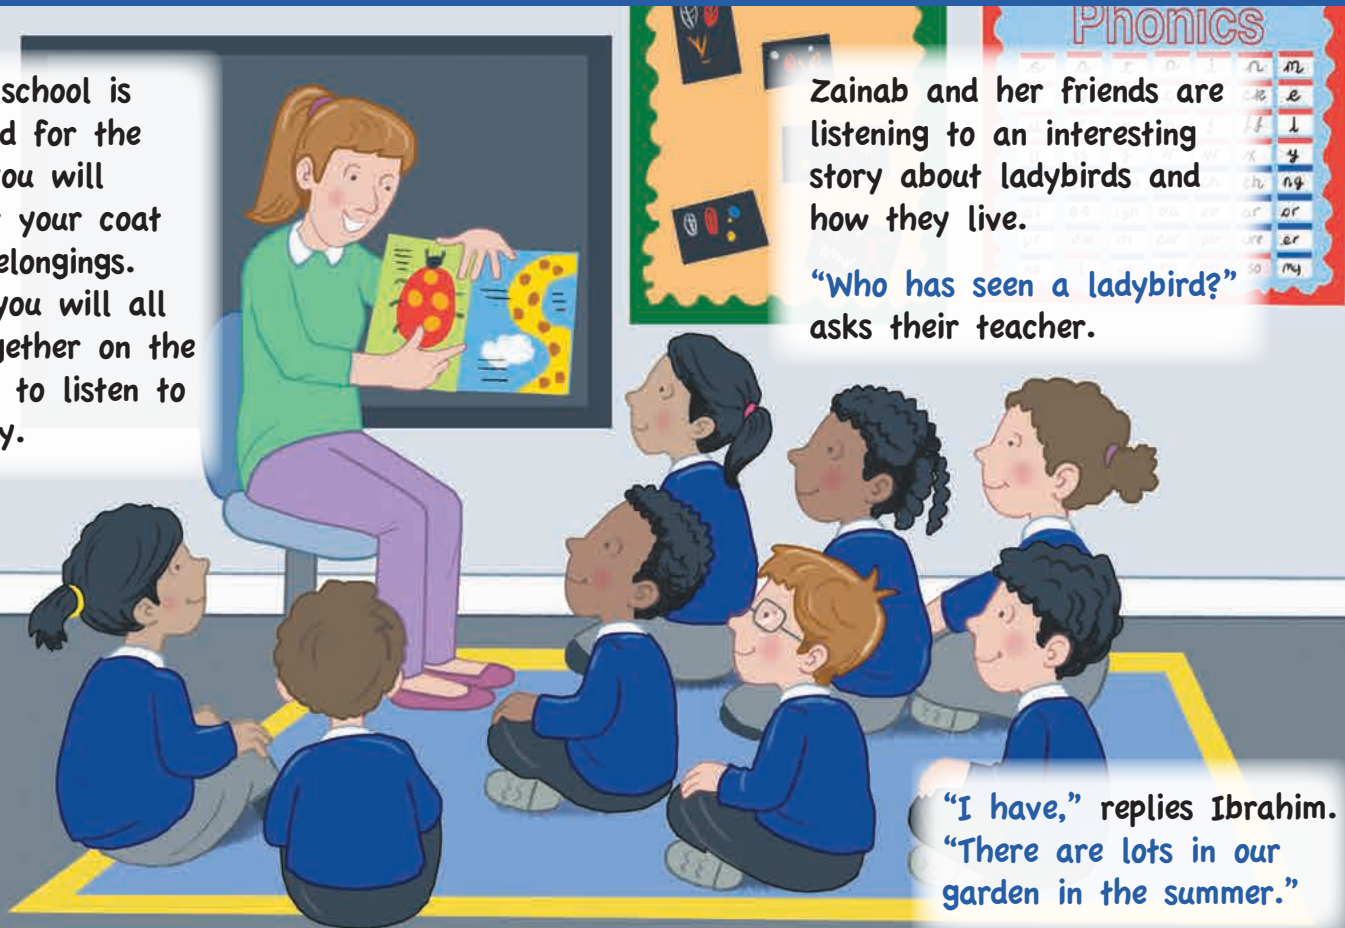

She washes her hands with warm water and soap. She loves the bubbles that help her get her hands really clean. Then Zainab dries them and goes back to her class.

Zainab feels so grown-up going to the toilet on her own. She is glad she practised lots at home before starting school.

## What happens at the end of the school day?

When school is finished for the day, you will collect your coat and belongings. Then you will all sit together on the carpet to listen to a story.

Zainab and her friends are listening to an interesting story about ladybirds and how they live.

“Who has seen a ladybird?” asks their teacher.

“I have,” replies Ibrahim. “There are lots in our garden in the summer.”

When it is time to go home, your teacher will let you know when your grown-up is here and hand you over to them.

The teacher has seen Zainab’s mum.

“Your mum is here, Zainab,” says the teacher, and she lets her go to her mum.

Zainab can’t wait to tell her mum about the many fun things she has done and the new friends she made.

Are you looking forward to coming to school?

Zainab, Jakub and Ibrahim are having lots of fun in our great Forest School.
