

**Zack, Isabella and Ali are
coming to John Wheeldon
Primary Academy**

What happens when I get to school?

You will come to school with your grown-up.

Your teacher will be waiting at the door, ready to welcome you in.

"Hello, Ali," says the teacher. "We are going to have lots of fun today."

You will hang up your coat and book bag on your coat peg. Zack puts his lunchbox on the sandwich trolley.

You will then go into your classroom and vote for the book you would like your teacher to read to your class before home time.

"I like the ladybird book," Zack says, as he puts his name into the bowl next to the book he likes.

When the school day starts, you will sit on the carpet with your new friends.

"I am going to check who is in school today and then tell you about the fun you are going to have," says the teacher.

Ali, Isabella and Zack are very excited to be starting their first day in school.

When do you start school?

What will I do in school?

You will have lots of fun playing and you will learn as you play. Sometimes you will do an activity with your teacher and sometimes you will choose a 'Learning Job' to do in the classroom or outside.

Amelia and Ali are connecting blocks and making a long line.

Isabella is reading a book.

"I like the picture of a daisy," Isabella says to herself.

"That's my favourite flower!"

"I think this is the longest line of blocks ever," says Ali.

Zack and Sophie are making a garden.

What are you looking forward to doing at school?

When you want to go outside, if there is a space on the board, put your name on it and then your teacher will know where you are.

Zack and Ali are outside, playing in the mud kitchen.

"Look at this yummy dinner I have made," says Zack.

"I've made some too!" says Ali.

What if I am hungry or thirsty?

You can help yourself to a fruit snack and some milk or water from the snack table in your classroom.

At lunchtime, you will have your lunch in the hall. If you are having a delicious school meal, you will be given a coloured wrist band to show what meal you are having.

Isabella and Ali are using their knives and forks. Everyone is being very polite and helpful to each other.

"My food is so tasty," says Ali.

What if I need the toilet?

You can go to the toilet whenever you need to because they are just outside the classroom. Just let your teacher know when you are going, like Isabella is doing.

Isabella is washing her hands with warm water and soap.

"I'm glad that I practised going to the toilet before I started school," she says to herself.

At the end of the day, your grown-up will come to collect you.

Isabella, Ali and Zack love coming to John Wheeldon Primary Academy and they think you will too!
