

Poppy, Reuben and Kyra are coming to Lympstone C of E Primary School

'Let all that you do be done in love' Corinthians 1 14:16

What is Lympstone C of E Primary School like?

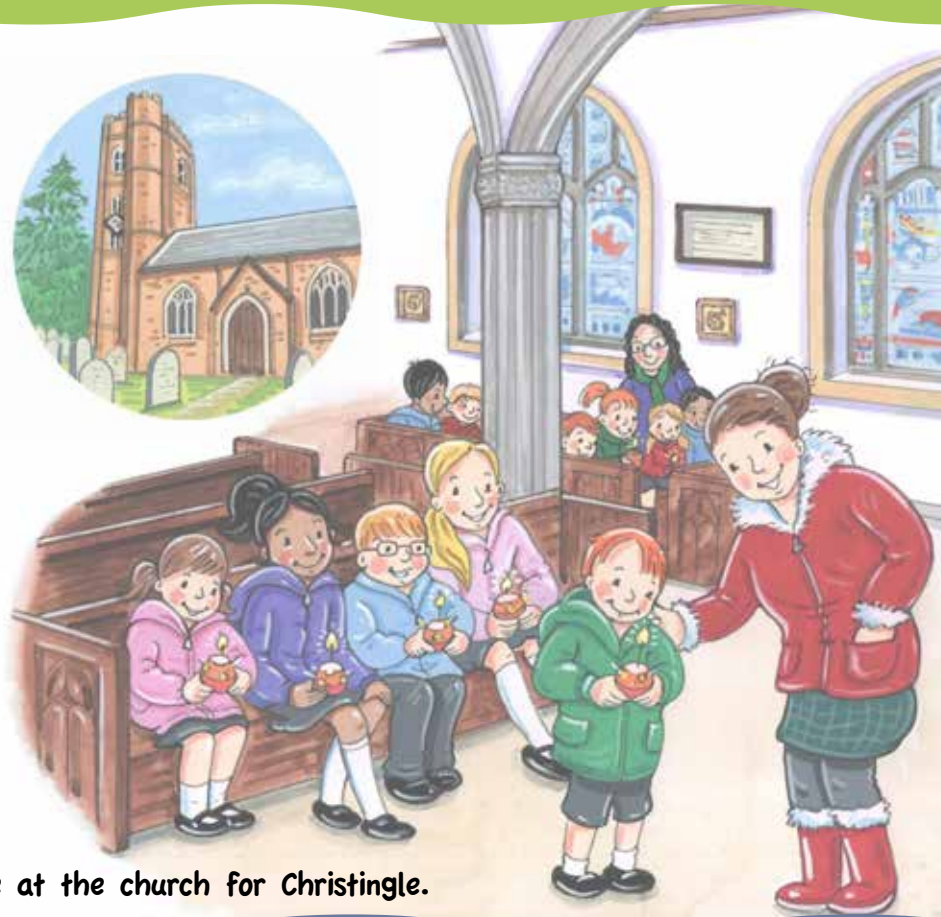

We are very excited to tell you all about us and the wonderful things in store for you at Lympstone C of E Primary School.

Our school values are:

Love, Peace, Compassion, Forgiveness, Equality, Courage and Justice.

We follow these values in everything we do and this helps make our school so brilliant!

Our school is in the beautiful village of Lympstone. We are regularly out and about in the village and the church. We also use the Village Hall every day for our lunches. We are very lucky to be close to the beach and we go there lots to explore!

The children are at the church for Christingle.

How will you help me settle in?

You will also have a 'buddy' who will look after you. Lots of children have moved here from other schools, so they will understand how you are feeling and they will help as well.

Some of you may join us in reception and some of you may join us from other schools.

We know that you may be a little worried about making friends and getting used to a new school, so we always make sure that new children have a wonderful welcome from everyone here. Before you join us, most of you will visit us and spend some time here, getting to know your teachers and new classmates.

The children are reading with their buddies.

What will I do at Lympstone C of E Primary School?

You will learn lots of new and exciting things at Lympstone C of E Primary School. You will have a brilliant mix of indoor and outdoor activities. Your teachers will help you learn in lots of different ways and explore things for yourself. They will support you when you need help and encourage you to be the best you can be.

You will have lessons in all of the subject areas and we are looking forward to seeing what your talents are.

We also have lovely play equipment for break times and lunchtime, such as trim trail, gym equipment, football goals, netball goals and a ball catcher.

You will love our WOW weeks, where we all work on one project. At the end of the fun week, we will show each other some art or put on a performance for the whole school!

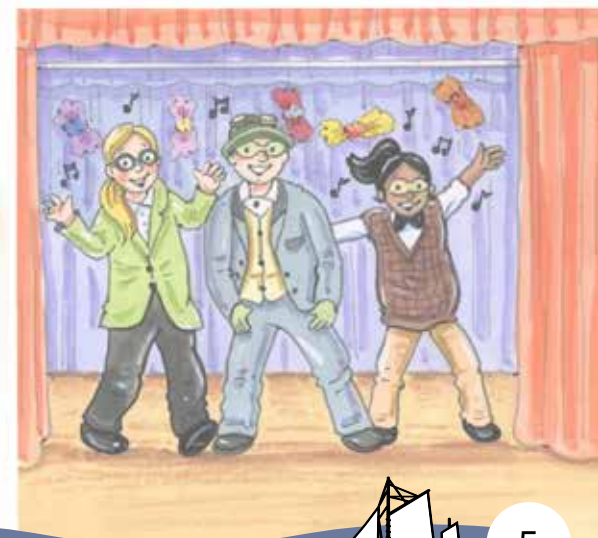

You will use our beautiful nature school regularly and learn about our natural world.

We have brilliant clubs as well, such as choir, sports and drama. Some are free and some cost a small amount of money.

You will have local visits to the field, church and beach as well as educational trips each term.

In Year 6 you will have lots of wonderful opportunities including a residential trip.

Everything is an adventure here. We even use the train to go to our swimming lessons!

What happens when I need the toilet?

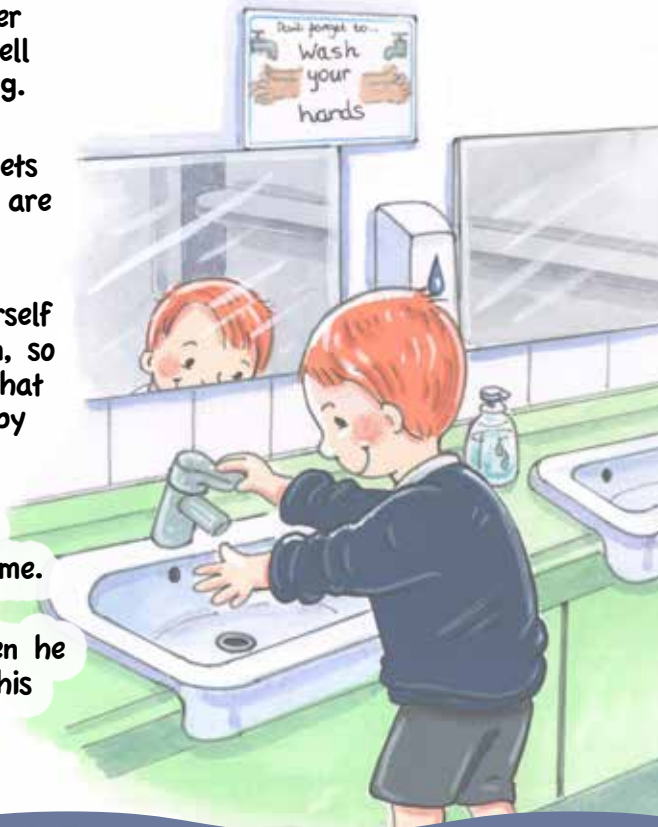

You can go to the toilet whenever you need to. Just remember to tell your teacher where you are going.

In reception and Year 1, the toilets are very easy to get to as they are right next to the classrooms!

You will go to the toilet by yourself from when you start in reception, so your grown-ups will make sure that you have lots of practice going by yourself before you join us.

Reuben is going to the toilet by himself at school for the first time.

He has remembered to flush when he finished and now he is washing his hands.

What happens when I am hungry or thirsty?

You will need to bring your own water bottle every day.

At break time, you will be able to have a healthy fruit snack.

At lunchtime, if you are having a school meal, kind adults will take you to the Village Hall to have your lunch. The food is very healthy and tasty and there will always be meat and vegetarian meals or jacket potatoes with fillings.

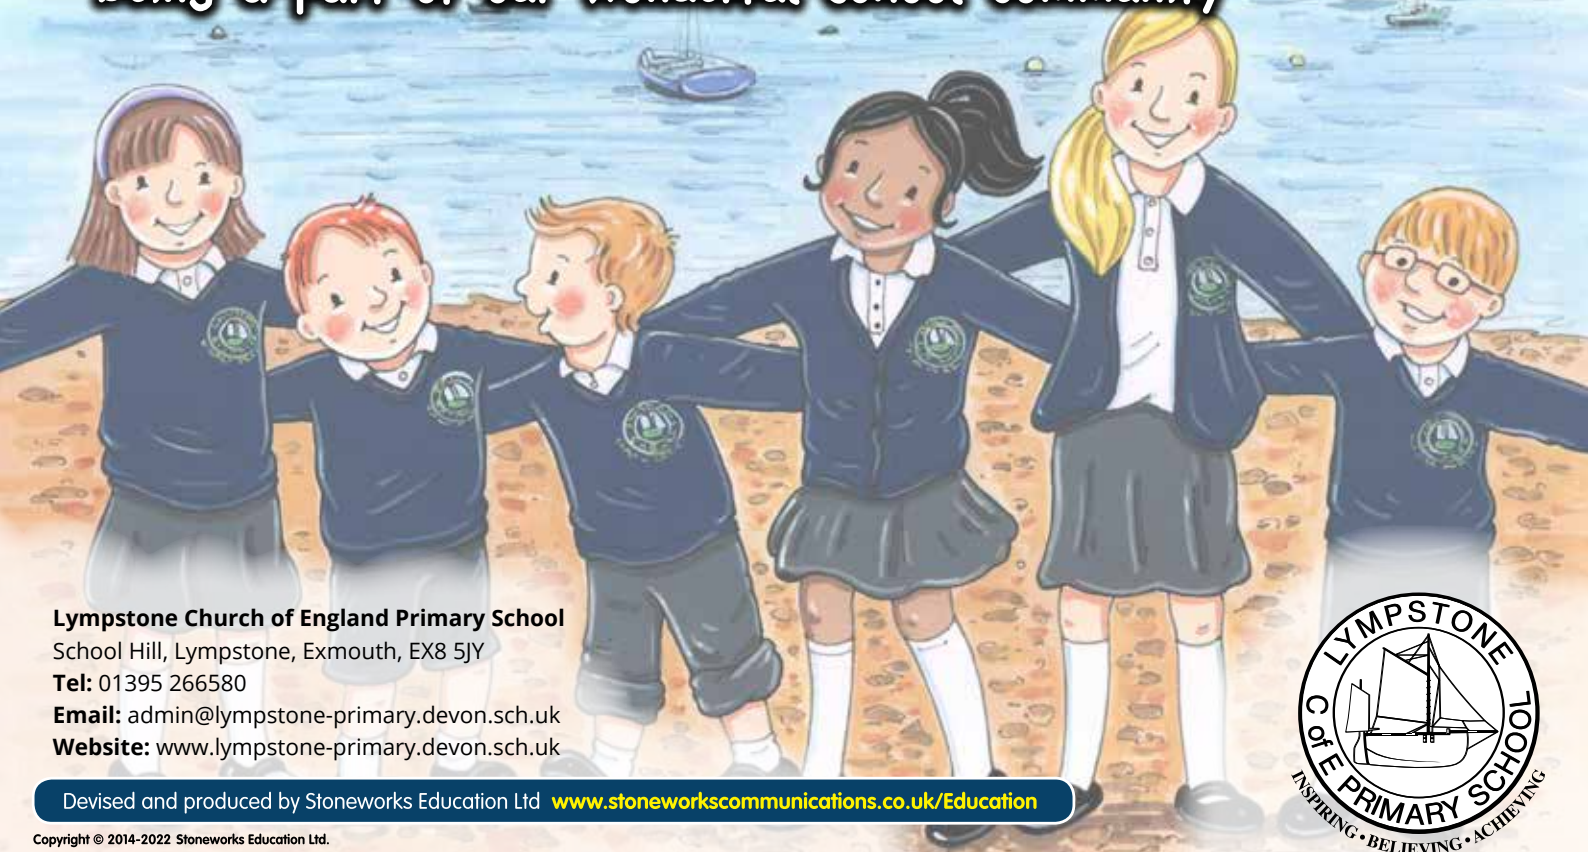

There will also be dessert!

If you have brought a packed lunch from home, you will eat in your classroom or the hall with your friends. This will depend on your year group.

There are a lot of lovely, kind mid-day supervisors there who will take care of you while you eat.

We are really looking forward to welcoming you to our friendly, caring school and hope that you will enjoy being a part of our wonderful school community
