# What happens when I get to school?

You will arrive at school by 8.55am so you can start the school day at 9.00am.

Your grown-up will say "goodbye" to you at the door and you will go into school.

Your teacher will be waiting for you in the cloakroom.

"Hello, everyone," says the teacher. "Well done, Noah. You have found your coat peg."

The children are getting to know each other.

"Hello, my name is Liam," says Liam.

"My name is Emma," says Emma.

You will put your book bag in your tray and your reading book will go into the box.

Then you will do some activities such as yoga, letter sound practice or reading to start off your exciting day.

Are you excited about coming to school?

# What will I do in school?

You will have lots of fun at school. You will soon get to know the other children and make friends.

You can play inside and outdoors.

Emma is doing some art. Can you see what she has painted?

Liam is reading a book about animals. You will take home a book in your book bag to read with your grown-ups every day.

Liam, Emma and Noah are having fun playing instruments and singing.

The children love playing together outside as well.

"Please can I push Noah next?" asks Emma.

Everyone is kind and friendly at school. You will play with children from all of the school years and make lots of friends.

What do you like doing with your friends?

## What if I am hungry or thirsty?

You can use your water bottle when you are thirsty. In the morning, you can have a fruit snack whenever you like.

The children are enjoying their delicious fruit kebab and milk.

You will sit with your friends in your school house. The kind adults who are with you at lunchtime and the older children in your house will help look after you. Remember to always wash your hands before you eat and use good table manners.

At lunchtime, you will go to the village hall for your meal.

6 What is your favourite meal?

## What happens if I need the toilet?

You can go to the toilet whenever you need to.

Liam needs to go and has told his teacher.

"Don't forget to tell an adult if you need any help," she says.

Liam practised going by himself before he started school, so he knows what to do.

Liam uses the toilet and remembers to flush.

He washes his hands with warm water and soap. He sings "Happy Birthday" twice while he washes his hands to make sure they are clean and to help stop bugs and germs spreading.

Do you know how to wash your hands?
