WHAT HAPPENS WHEN I COME TO SCHOOL?

When you come to school, your grown-up will bring you to the reception gate. You will then walk up the playground and teachers will guide you to your classroom.

Your reception teacher will be waiting to greet you at the door.

In the classroom, you will hang your coat on your named peg and put your water bottle in a tray. Your book bag will go in the book bag file with your name on it.

Then it will be time to wash your hands.

Joshua has found his peg and is hanging his coat up.

"I will put my water bottle in the tray so I don't lose it," says Mia.

You will then find your photo and hang it on the special sign-in board.

"Here's my photo. I will hang it on the board so everyone knows I am here today," says Maryam.

It will then be time to go to the shape carpet to practise writing your name on the whiteboard.

Your teacher will then check who is at school that day and you will also choose what you would like for lunch.

ARE YOU EXCITED ABOUT COMING TO SCHOOL?

WHAT WILL I DO IN SCHOOL?

School is lots of fun. There are so many activities for you to do each day, such as:

- Home corner
- Role play area
- Drawing
- Painting
- Construction area
- Water and sand play
- Craft work
- Reading areas
- Music and singing
- Climbing frame

You will make lots of friends and learn as you play.

Sometimes you will do activities with your teacher, sometimes with your friends and other times by yourself, if that's what you prefer.

"Does anyone know what letter this is?" asks the teacher.

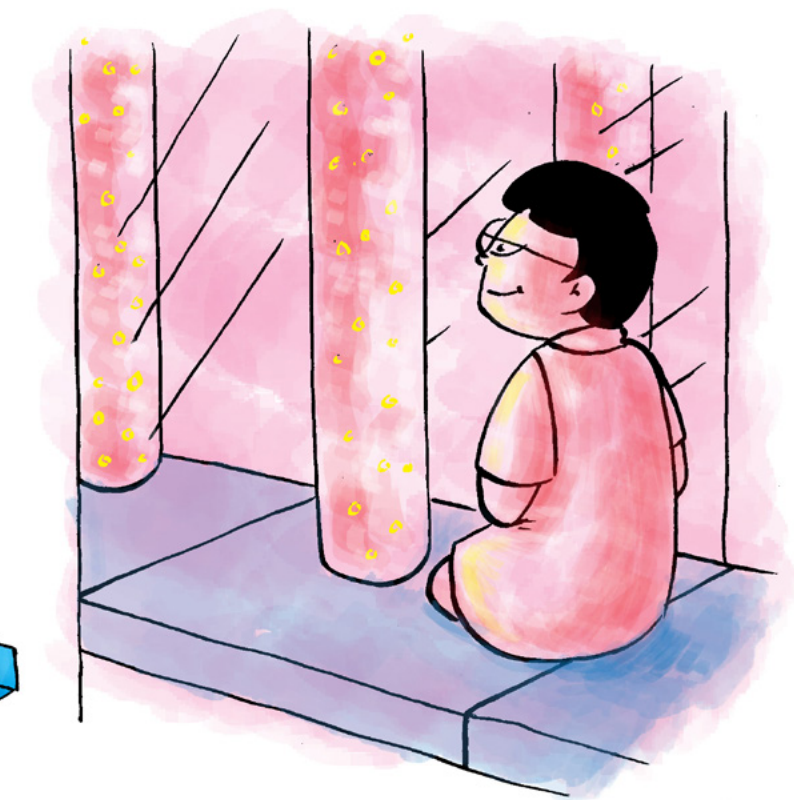

"It's a 'd' for dog," says Joshua.

Joshua and Maryam are playing together in the construction area and are making friends.

"What shall we build?" asks Joshua.

"Let's build a big house," says Maryam.

Mia is enjoying the special lights in the sensory room.

WHAT GAMES DO YOU LIKE PLAYING WITH YOUR FRIENDS?

WHAT IF I AM **HUNGRY** OR **THIRSTY**?

In the morning, you will have a healthy fruit or vegetable snack with your friends.

You can have a drink of water from your water bottle whenever you feel thirsty, and milk in the afternoon.

At lunchtime, you will wash your hands, put on your class jacket and go to the big hall.

You will line up and collect your food, cutlery and water cup.

If you are having a packed lunch, you will eat with your friends who have brought a packed lunch too.

If you need any help, just ask the kind grown-ups. Remember to say “please” and “thank you” and use your cutlery.

“I’m glad I practised using my knife and fork at home,” says Maryam.

When you have had your lunch, it will be playtime.

WHAT **HAPPENS** WHEN I NEED THE TOILET?

You can go to the toilet whenever you need to but it is polite to let the teacher know when you are going.

The toilets are in the classroom.

Remember to flush and leave the toilet nice and clean for the next person.

After you have been to the toilet, wash your hands with soap and dry them well, so that you don’t spread any germs.

“The toilets at school are so easy to use. Everything is my size so I can reach,” says Joshua.

At the end of the school day,
your teacher will read you
a nice story and then your
grown-up will collect you.
