

Oliver, Shannice and Isaac  
are coming to Oasis Academy  
Skinner Street

# What happens when I get to school?

You will go into your classroom and hang your coat and bag on a peg, which has your name and photo on it.

**"Here is my coat peg,"**  
Shannice says.

Oliver is putting his water bottle and book bag away.

A grown-up will help you choose what you are going to have for your lunch and then you'll sit on your own spot on the carpet.

**"Hello, children,"** says the teacher. **"I am going to check who is in class and then I will tell you about the fun you are going to have today."**

Shannice, Oliver and Isaac are very excited to be starting their first day in school.

## What do you think school will be like?

# What will I do in school?

Sometimes you will do activities with your teacher and sometimes you will do activities with your friends or by yourself.

The children are in the creative area.

Oliver says, **"We learnt about different shapes, so I'm cutting shapes out of paper."**

**"I'm glad we know how to use scissors safely,"** says Shannice.

Isaac and Shannice are reading.

**"My book is about butterflies,"** says Shannice.

**"My book is about nature,"** says Isaac.

The children are doing activities outside with their friends, in the water area.

Now the children are playing on the ship, waving to their friends.

**"Look at us sailing on our ship,"** says Isaac.

You will have lots of fun learning as you play.

You will soon learn everyone's names and make friends with other children who like doing the same things as you.

## What are you looking forward to doing at school?

## What if I am hungry or thirsty?

You will have a snack of fruit and a drink of water or milk in the morning and in the afternoon.

At lunchtime, you will go to the dining hall for a tasty, healthy meal. When your name is called, you will collect your food from the counter.

The children have practised using cutlery and are confident using it. Everyone is very polite and helpful to each other.

**"It's so much fun eating all together,"** says Isaac.

Kind lunchtime staff are there to help you.

## What is your favourite meal?

## What if I need the toilet?

You will be shown where the toilets are and you can go any time you need to. Just put your hand up or tell an adult. You will go by yourself, but if you need help, tell your teacher.

Isaac has been to the toilet and flushed. Now he is washing his hands with warm water and soap. Then he will dry his hands.

**"I am glad I practised going to the toilet before I started school,"** he says.

## Can you go to the toilet by yourself?

At hometime, you will go home with your grown-ups.

**Isaac, Shannice and Oliver love coming to Oasis Academy Skinner Street and they think you will too!**
