

**Anousha, Ash and Ben are excited to be starting Over Hall Community School**

**'Be supported, feel supported – make a difference'**

# What happens when I come to school?

Over Hall Community School is a loving and welcoming place. Everyone is kind and friendly and we all care for each other. You may know a bit about us already if you go to Sunrise Nursery.

When you arrive, you will come in through the reception door. Your teacher will greet you. You can then say goodbye to your grown-ups.

**"Are you ready for a fun day, Anousha?"** asks the teacher.

**"Yes. I can't wait!"** says Anousha.

Inside the classroom, you will put your coat on your coat peg, which will have your name on. Your book bag goes in a special box and your water bottle in a tray.

Ash is taking their coat off and hanging it on their peg.

Anousha is putting her book bag in the special box.

**"My bottle has a green lid, so I know it's mine,"** says Ben, as he puts his water bottle in the tray.

The teacher will then check who is at school and you can choose what you would like for lunch.

You will then head to the carpet, for some fun phonics to start the day.

## Are you excited to come to school?

# What will I do in school?

School is so much fun. There are lots of different activities for you to do each day. You will make lots of friends and learn as you play.

Sometimes you will do activities with your teacher, sometimes together with your friends and other times by yourself, if that's what you prefer.

**"I love numbers and maths,"** says Ben. **"I am racing two cars."**

Anousha is posting a letter to her friend in the school post box.

4 **"I love to read books, especially about bears,"** says Ash.

These are some of the activities you can do:

- Literacy and phonics
- Home corner
- Role play area
- Construction areas
- Water and sand play
- Maths activities
- Outdoor activities
- Small world play
- Reading
- ICT using iPads
- Circle time
- Music sessions
- PE

Ash, Ben, Anousha and their friends all love spending time in the Mud Kitchen. They are busy planting and growing new flowers for the summer.

**"Here's another plant ready to be watered,"** says Ben.

Ash loves pushing the wheelbarrow around the Mud Kitchen.

The children also enjoy being part of their house team. We have 4 houses: Earth, Air, Fire and Water.

What are you looking forward to doing in school?

## What if I am hungry or thirsty?

You can get a fruit or toast snack and some milk or water, whenever you feel hungry or thirsty.

At lunchtime, you will wash your hands and a teacher will take you to the kitchen. You will collect your tasty and healthy lunch on a red tray.

You will carry your lunch to the hall and sit at the reception lunch table. If you are having a packed lunch you will also sit in the hall. Everyone enjoys lunch together.

If you need any help, just ask the kind grown-ups. Remember to say "please" and "thank you".

**"I'm glad I practised using my knife and fork at home,"** says Ash.

After lunch, you will go out to play.

## What happens when I need the toilet?

You can go to the toilet whenever you need to. It is always polite to let your teacher know that you are going.

When you have been, make sure you flush to leave the toilet nice and clean for the next person.

Remember to wash your hands with soap and dry them well, so that you don't spread any germs in class.

**"The toilets at school are so easy to use. I can reach everything,"** says Ben.

At the end of the school day, your grown-ups will collect you and you can tell them all about your brilliant day.
