

**Max, Maya and Isaiah are coming to  
Pilgrims' Cross CE Aided Primary School**

## What happens when I come into school?

You will come into school with your grown-up and wait in the Early Years area for your teacher to greet you.

Then you will go into school and hang up your coat and bag on a hook with your name on it, like Isaiah has done.

If you have brought a packed lunch from home, you will put this on the trolley. Your water bottle will go in the water bottle tray.

If are having a school meal, an adult will help you choose on the screen.

While you wait for everyone to arrive, you might choose to play with Lego or thread beads.

When the school day starts, you will sit on the carpet with your new friends and your teacher will check who is in school that day. The children can't wait to start their first day in school.

When it is time to sit on the carpet, the teacher shakes a tambourine to let the children know it is time to stop playing and tidy up.

**"Show me your sparkly fingers so I know you are ready to tidy up," she says.**

## When do you start school?

## What will I do in school?

You will have lots of fun learning as you play with the other children in your class.

Your teacher will teach you about letters, letter sounds, numbers and lots more.

Max is drawing a picture.

"Animals are my favourite things to draw," he says. "Blue and green are my favourite colours."

Maya is planting seeds.

"I am planting seeds in pots," she says. "One pot for Max, one for Isaiah and one for me."

You will soon learn everyone's names and make friends with other children who like doing the same things as you.

## What are you looking forward to doing at school?

## What if I am hungry or thirsty?

You can have fruit and milk from the snack table and use your water bottle whenever you are thirsty.

At lunchtime, you will go to the hall and collect your meal from the serving area or take your lunchbox with you.

Isaiah says **"It's fun sitting with my friends and eating my lovely school dinner."**

You will use a knife and fork and learn to tidy away your tray.

What is your favourite meal?

## What if I need the toilet?

The toilets are in the classroom and you can go anytime you need to. During story time, remember to put your hand up so your teacher knows you need to go. You will go to the toilet by yourself, but if you need any help, just tell your teacher.

Max has been to the toilet. He has flushed and now he is washing his hands with warm water and soap and will then dry them.

**"I am glad that I practised going to the toilet before I started school,"** he says to himself.

He feels very confident using the toilet by himself.

Can you go to the toilet by yourself?
