

Zara, Jacob and Ben are excited to be starting at Springfield Primary

# What happens when I get to school?

When you get to school, your grown-ups will bring you into the classroom where your teacher will be waiting to meet you. Your grown-ups will help you get settled and then say goodbye.

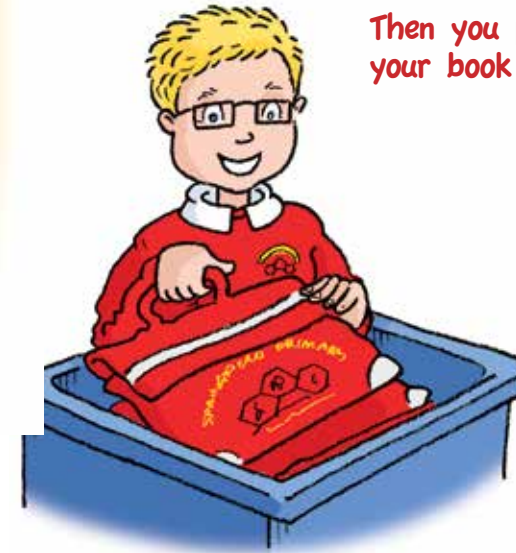

“Hello, Jacob,” says the teacher as Jacob arrives with his mum. “I am so pleased to see you and we have lots of fun things for you to do.”

You will hang up your coat on the coat peg that has your name on it.

Then you put your lunch box on the shelf and your book bag in the classroom box.

Zara, Jacob and Ben have all put their things away and now they are ready to start their day in school.

# What will I do in school?

Your teacher will be working with you and helping you learn phonics, maths and much more. And you can choose from the many fun activities we have for you to do:

- painting, drawing and craft work
- dressing up, climbing and construction toys
- scooters, trikes and lots more...

Zara and her new friend Peter are practising their handwriting.

Jacob is reading with his new friend Millie. They love reading their books.

Ben and his new friend Daisy are playing in the sand pit.

Zara, Jacob and Rory are having great fun racing around on the trike.

Jacob, Zara and Ben think it is great fun learning new things and making new friends.

# What happens if I am hungry or thirsty?

During the morning, you will have a snack of fresh fruit to eat, and water or milk to drink. Fruit is delicious and your teacher will encourage you to eat some each day.

Zara, Jacob and Ben are sitting chatting with their new friends as they enjoy their morning snack.

"Thank you, I love apples," says Jacob as Chloe passes him the fruit bowl.

At lunchtime, your school dinners will be brought on a hot trolley to your Reception class. There are lots of friendly adults who will help you get the food you want.

Ben, Zara and Peter are collecting their delicious hot school dinners.

"What are you getting for lunch?" Zara asks Peter.

"I always choose lots of lovely vegetables. My mum says they are really good for us," Peter replies.

## What is your favourite food?

# What happens if I need the toilet?

You can just go to the toilet when you need to, but if you are working with your teacher, it is polite to let them know. If you need any help, just tell your teacher.

Zara and her friends have been working with their teacher. She needs to go to the toilet so she lets her teacher know.

"Please may I go to the toilet?" asks Zara.

"Yes, of course," says her teacher.  
"We will see you back here soon."

Zara goes to the toilet. When she has finished, she makes sure she flushes to leave the toilet nice and clean for the next child who will use it.

She washes her hands with warm water and soap. She loves the bubbles that help her get her hands really clean. Then Zara dries them and she goes back to her class.

Zara is so pleased that she practised going to the toilet so she could remember everything once she started school.

# What happens at the end of the school day?

When school is finished for the day, you sit together on the carpet to listen to a story. You also talk about the fun things you have been doing and learning during the day.

Ben and his friends are listening to an exciting story about bears.

When it is time to go home, your teacher will let you know when your grown-up is here and hand you over to them.

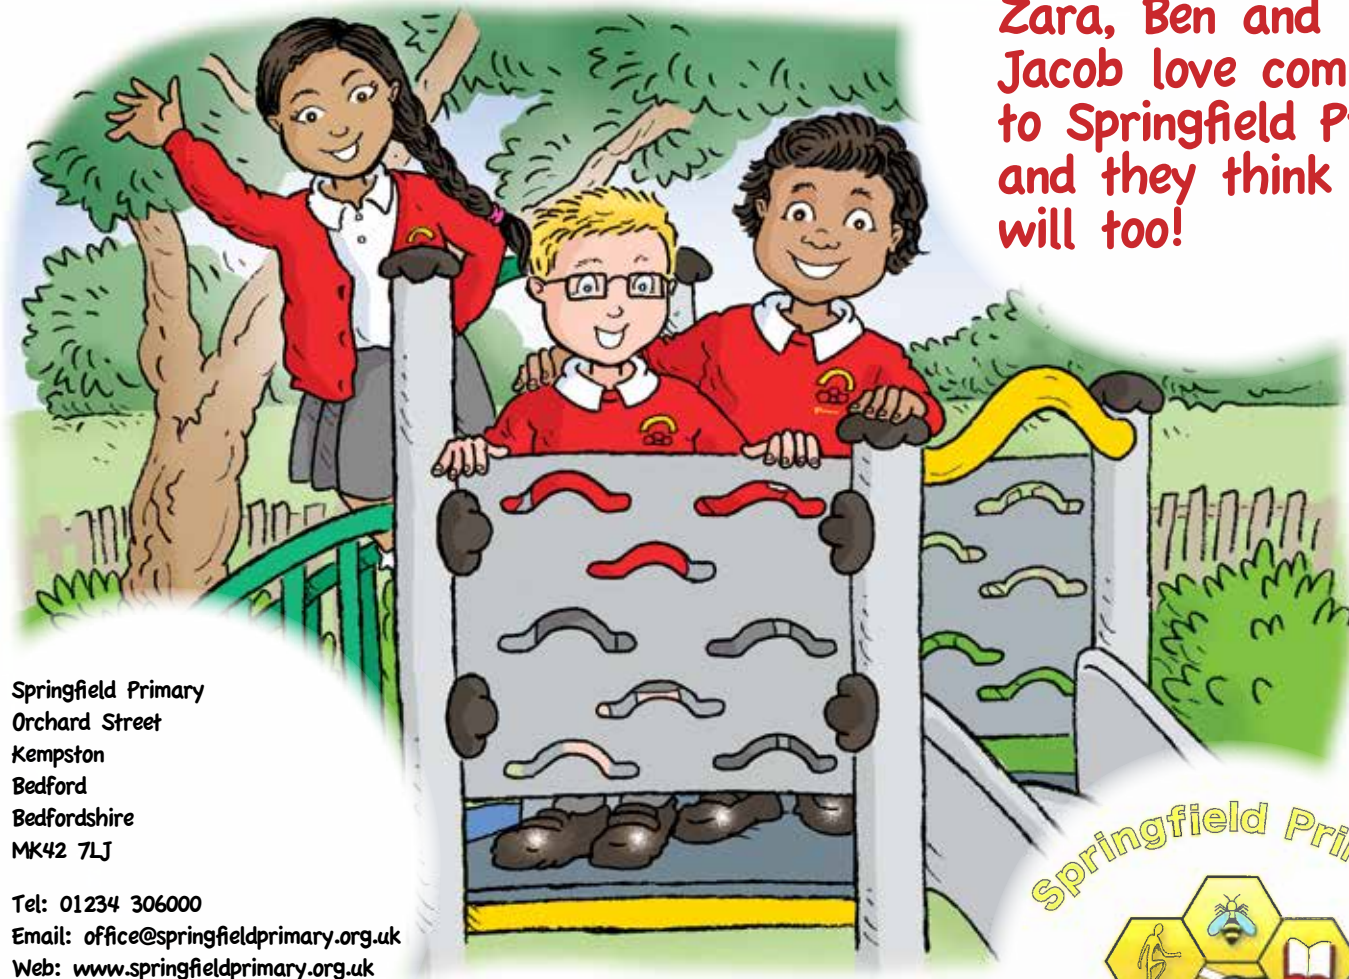

The teacher has seen Jacob's mum.

"Your mum is here, Jacob," says the teacher. She lets him go to his mum and they go home.

Are you looking forward to coming to school?
