

Charlotte, Anay and Samuel are excited
to be starting at St. Andrew's School

What happens when I get to school?

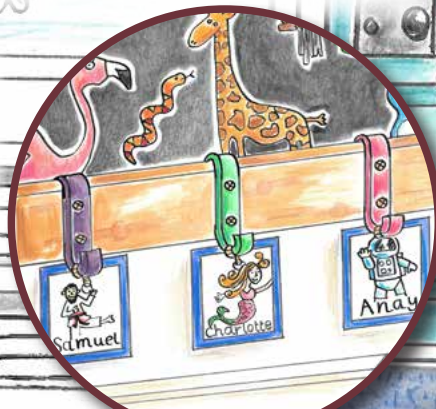

Your grown-up will bring you into the classroom to help you get settled. Then you will say goodbye to them.

The teacher is showing Charlotte and her mum around the classroom.

The teacher shows Charlotte her coat peg with her name on. Charlotte then hangs up her coat and changes into her plimsolls.

"You can put your outdoor shoes in your box next to your coat peg," the teacher tells Charlotte.

Charlotte now knows where to find her outdoor shoes and coat.

You will put away the healthy snack you brought from home.

Then you will place your book bag and your water bottle in the trays where they are kept.

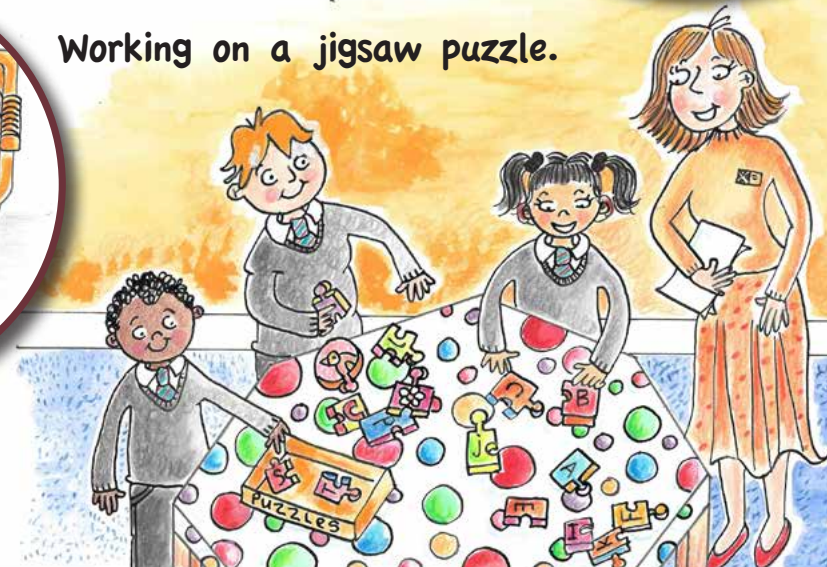

There are lots of fun activities for you to do as everyone arrives.

Playing with trains.

Working on a jigsaw puzzle.

Are you excited about coming to school?

What will I do in school?

Your teacher will be helping you learn. You will make friends as you learn and play with all the great activities we have for you.

Charlotte and Samuel are having a tea party.

"Do you want milk in your tea?" asks Samuel.

Charlotte and her new friends are drawing shapes and letters with their teacher's help.

"You can use your favourite colours as you write out these letters to make words," says the teacher.

Charlotte and Samuel are choosing some lovely books and cuddly toys in our cosy reading corner.

"This rabbit is just like the ones in my book," Samuel tells Charlotte.

Anay and his friends are exploring outside.

"Come and join us on these giant mushrooms," he says to Charlotte.

Anay, Charlotte and Samuel think it is great fun learning new things and making new friends.

What are you looking forward to doing at school?

What happens if I am hungry or thirsty?

"I love oranges," says Samuel.
"They are so juicy and sweet."

During the morning, you will have the healthy snack that you brought from home. You will also have water or milk to drink. Healthy snacks like fruit are good for you and taste great too! So we want you to eat some every day.

Samuel and Charlotte are chatting with their new friends as they enjoy their healthy morning snacks.

At lunchtime, we all go to the hall. There are lots of friendly adults there to help you get the food you want.

Charlotte has just collected her delicious hot school dinner.

"I always choose lots of lovely vegetables. My mum says they are really good for us," Charlotte tells her friends.

Charlotte then goes to sit and chat with her friends as they all enjoy their food.

What is your favourite food?

What happens if I need the toilet?

You can go to the toilet when you need to, but you must first tell your teacher.

Charlotte has been playing with her friends. Charlotte needs to go to the toilet so she lets her teacher know.

"Please may I go to the toilet?" asks Charlotte.

"Yes, of course," says her teacher. "We will see you back here soon."

Charlotte goes to the toilet. When she has finished, she makes sure she flushes to leave the toilet nice and clean for the next child who will use it.

She washes her hands with warm water and soap. She loves the bubbles that help her get her hands really clean. Then Charlotte dries them and goes back to her class.

Charlotte feels so grown-up going to the toilet on her own. She is so glad she practised lots at home before starting school.

What happens at the end of the school day?

When school is finished for the day, you will all sit together on the carpet to listen to a story. You will also talk about the fun things you have been doing and learning during the day.

Charlotte and her friends are listening to an exciting story about children going to a park full of wonderful flowers.

"Who has a favourite flower?" asks their teacher.

"I do," says Anay.

"We have lots of roses in our garden at home. They smell lovely."

When it is time to go home, you will collect your coat and belongings.

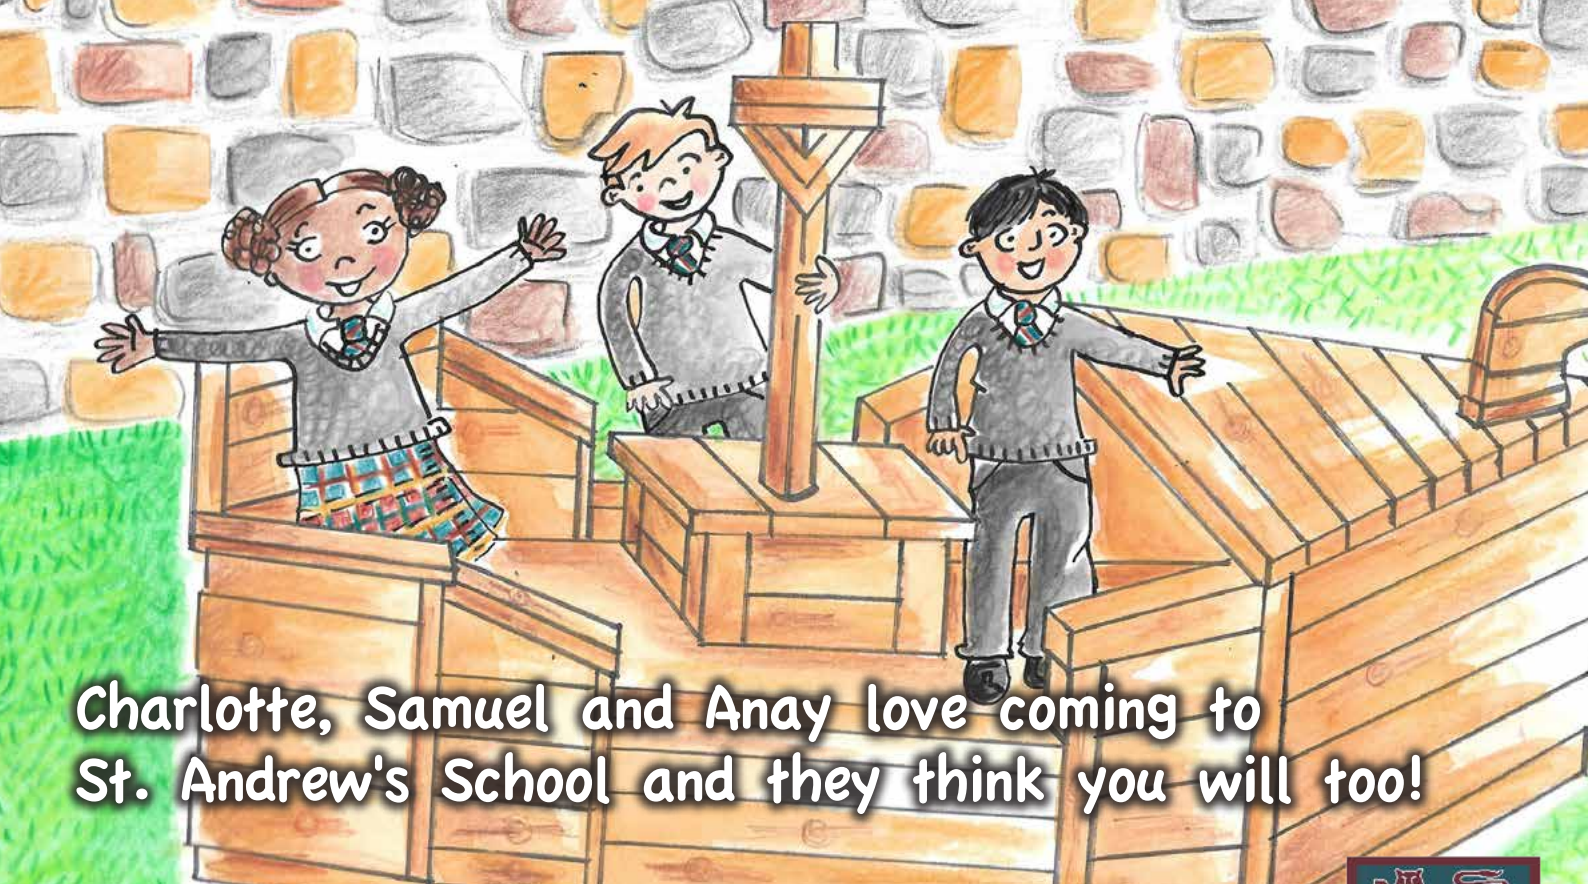

We will then take you to your after-school club, or your teacher will then take you outside for your grown-up to collect you.

Charlotte and her friends are lining up outside and waiting for their teacher to hand them over to their grown-up.

"I am going to tell my mum about the fun things I have done and the great friends I have made," says Charlotte.

Are you looking forward to coming to school?
