# What happens when I get to school?

teacher nauczyciel

When you arrive at school, you will say “goodbye” to your grown-ups at the door and say “hello” to your teacher.

Ola, Michael and Emily’s teacher is waiting at the door to collect them.

“Hello, children,” the teacher says.  
“I am so pleased to see you all.”

When you go into school, you will find your name card and put it in the basket, like Michael is doing.

You will hang up your coat and bag on your coat hook, like Emily is doing.

“I have found my name on the coat hook, so I know where to hang my coat,” says Emily.

Then you will put your water bottle in the tray and come into the classroom.

toast tost

Your teacher will help you choose your lunch on the screen.

Once all your jobs are done, you can choose a book and a piece of toast and sit down in your special place on the green mat.

Michael and Emily are enjoying their toast and chatting about the books they have chosen. They are enjoying making new friends.

## Are you looking forward to coming to school?

# What will I learn at school?

counting games zabawy w liczenie

Counting games

Michael and Lucy are drawing and colouring in some pictures. "My man has an orange jumper on. It's my favourite colour," says Michael.

"I like purple, so I am giving my lady a purple jumper," says Lucy.

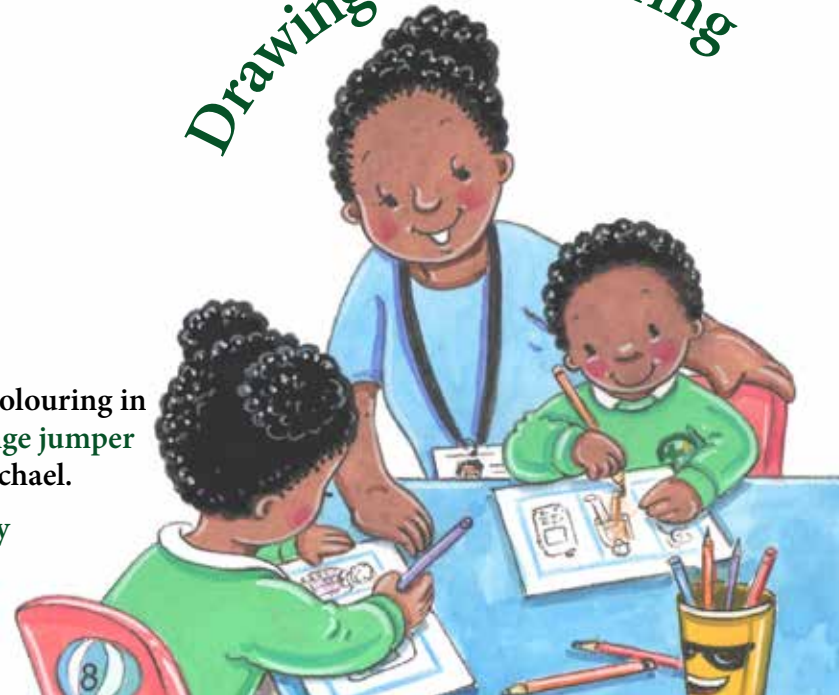

You will have lots of fun learning new things at school.

Ali and Ola are doing a counting game with their teacher.

"I have got one red car," says Ola.

"I have got two red cars," says Ali.

Drawing and colouring

Playing in sand

Emily is playing with Charlotte and Ali.

"Let's build some sandcastles," says Emily.

"It's like being at the seaside," says Charlotte.

Playing on the slide

"Whoooooosh," says Michael as he whizzes down the slide.

Blocks

Thomas and Ola are making a high tower.

What are you looking forward to doing at school?

## How will I make friends?

Play-Doh ciastolina

You will make friends by chatting and playing with the other children in your class. At school, we are always kind to each other and use kind words. We make sure we include other children in our games.

Michael, Emily and Laura are playing with the brightly coloured Play-Doh, which your teachers will make.

The children are making some food.

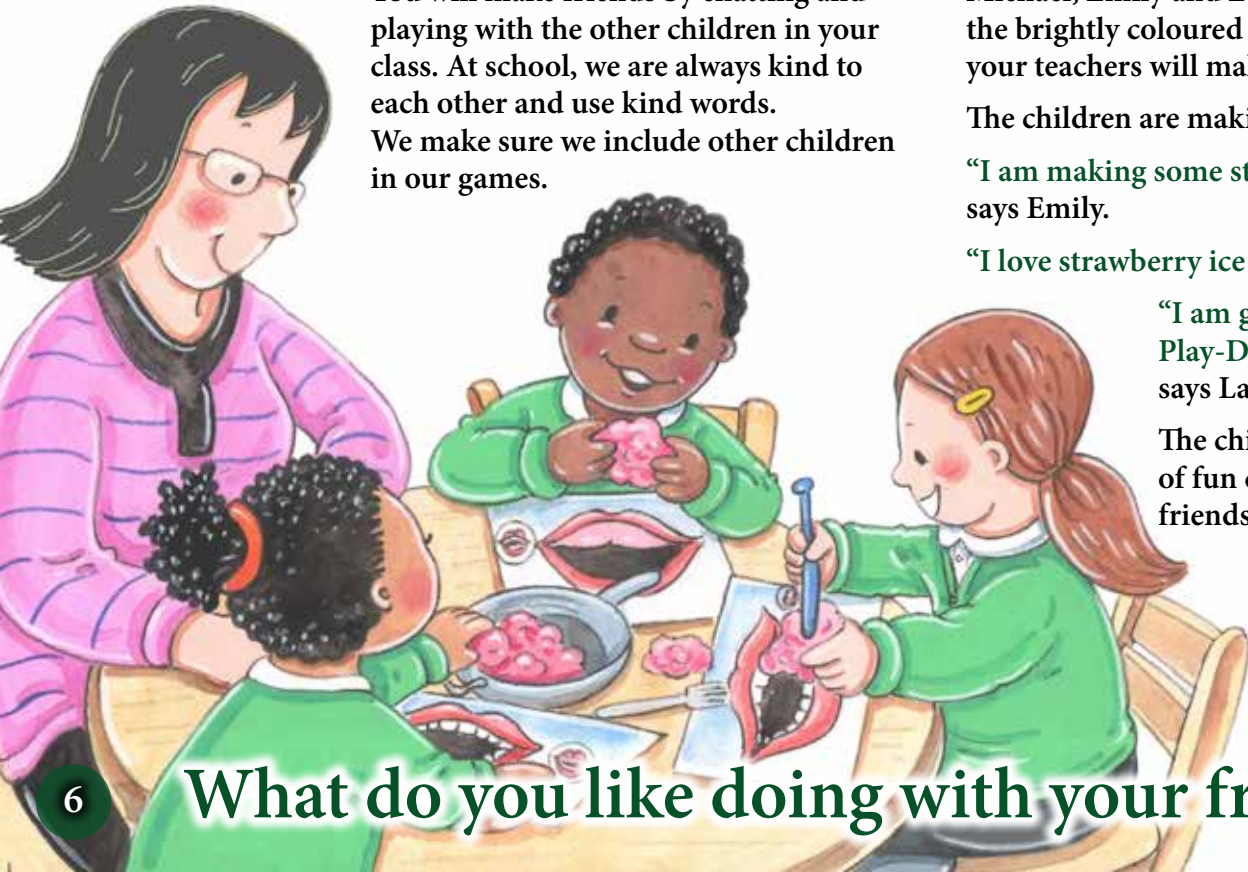

"I am making some strawberry ice cream," says Emily.

"I love strawberry ice cream," says Michael.

"I am going to make my Play-Doh into jelly," says Laura.

The children are having lots of fun chatting and making friends.

6 What do you like doing with your friends?

## What happens if I need the toilet?

toilet toaleta

If you need to go to the toilet, and you are doing an activity with an adult, let them know that you need to go.

If you are working by yourself, or with a friend, you don't need to ask and can just go.

Michael has gone to the toilet. He makes sure he flushes when he has finished. He washes his hands and dries them. He soon gets used to the noisy hand drier with help from his teachers.

Can you go to the toilet on your own?

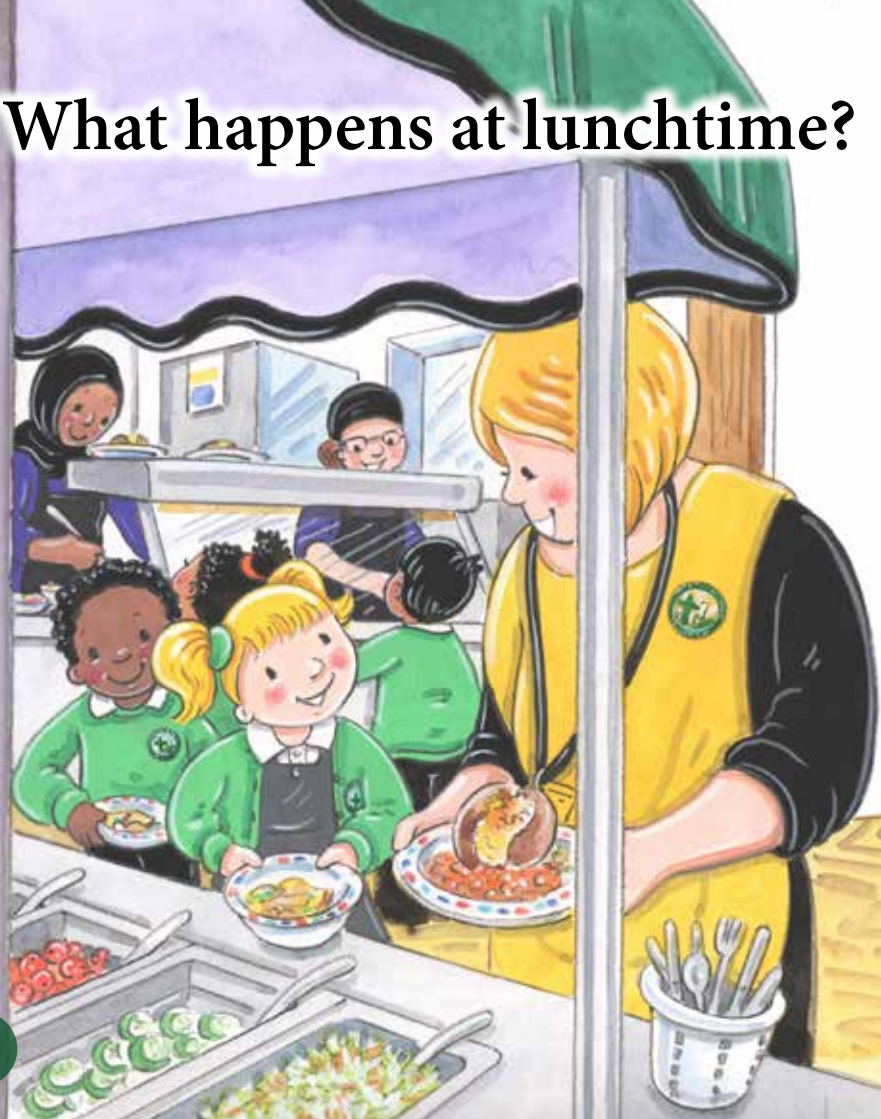

## What happens at lunchtime?

### lunch obiad

At lunchtime, you will have a tasty meal with your friends. An adult from your classroom will come and look after you. There will always be something good for you to eat, whether you are vegetarian or there are certain things that you cannot eat.

Everyone sits together to have their meal.

Ola needs some help to cut up her potato and the kind adult is helping her.

"I love tomatoes," says Michael.

"So do I," says Emily.

After lunch, you will go and play. If you are not sure what to do, there are games painted on the floor. Older children will show you how to play them.

Ola is having fun with the chalks.

## What is your favourite food?

### break przerwa

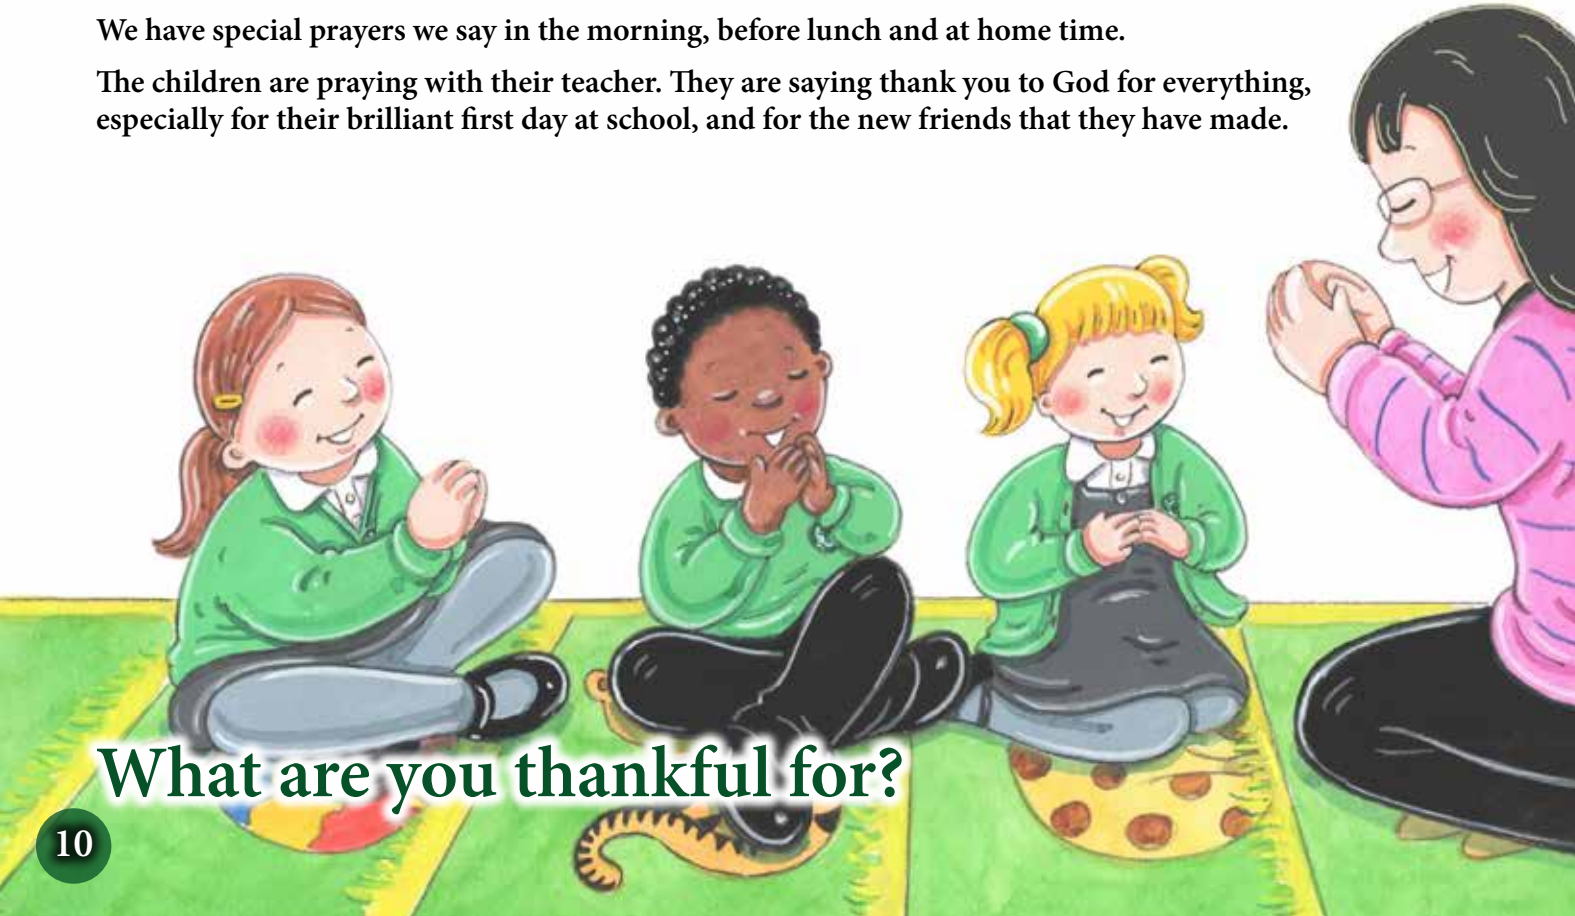

# How do we thank God?

prayers modlitwa

We have special prayers we say in the morning, before lunch and at home time.

The children are praying with their teacher. They are saying thank you to God for everything, especially for their brilliant first day at school, and for the new friends that they have made.

What are you thankful for?

# What happens at the end of the day?

coat kurtka

When you have finished saying your prayer, you will fetch your coat and belongings and wait for your grown-ups to arrive.

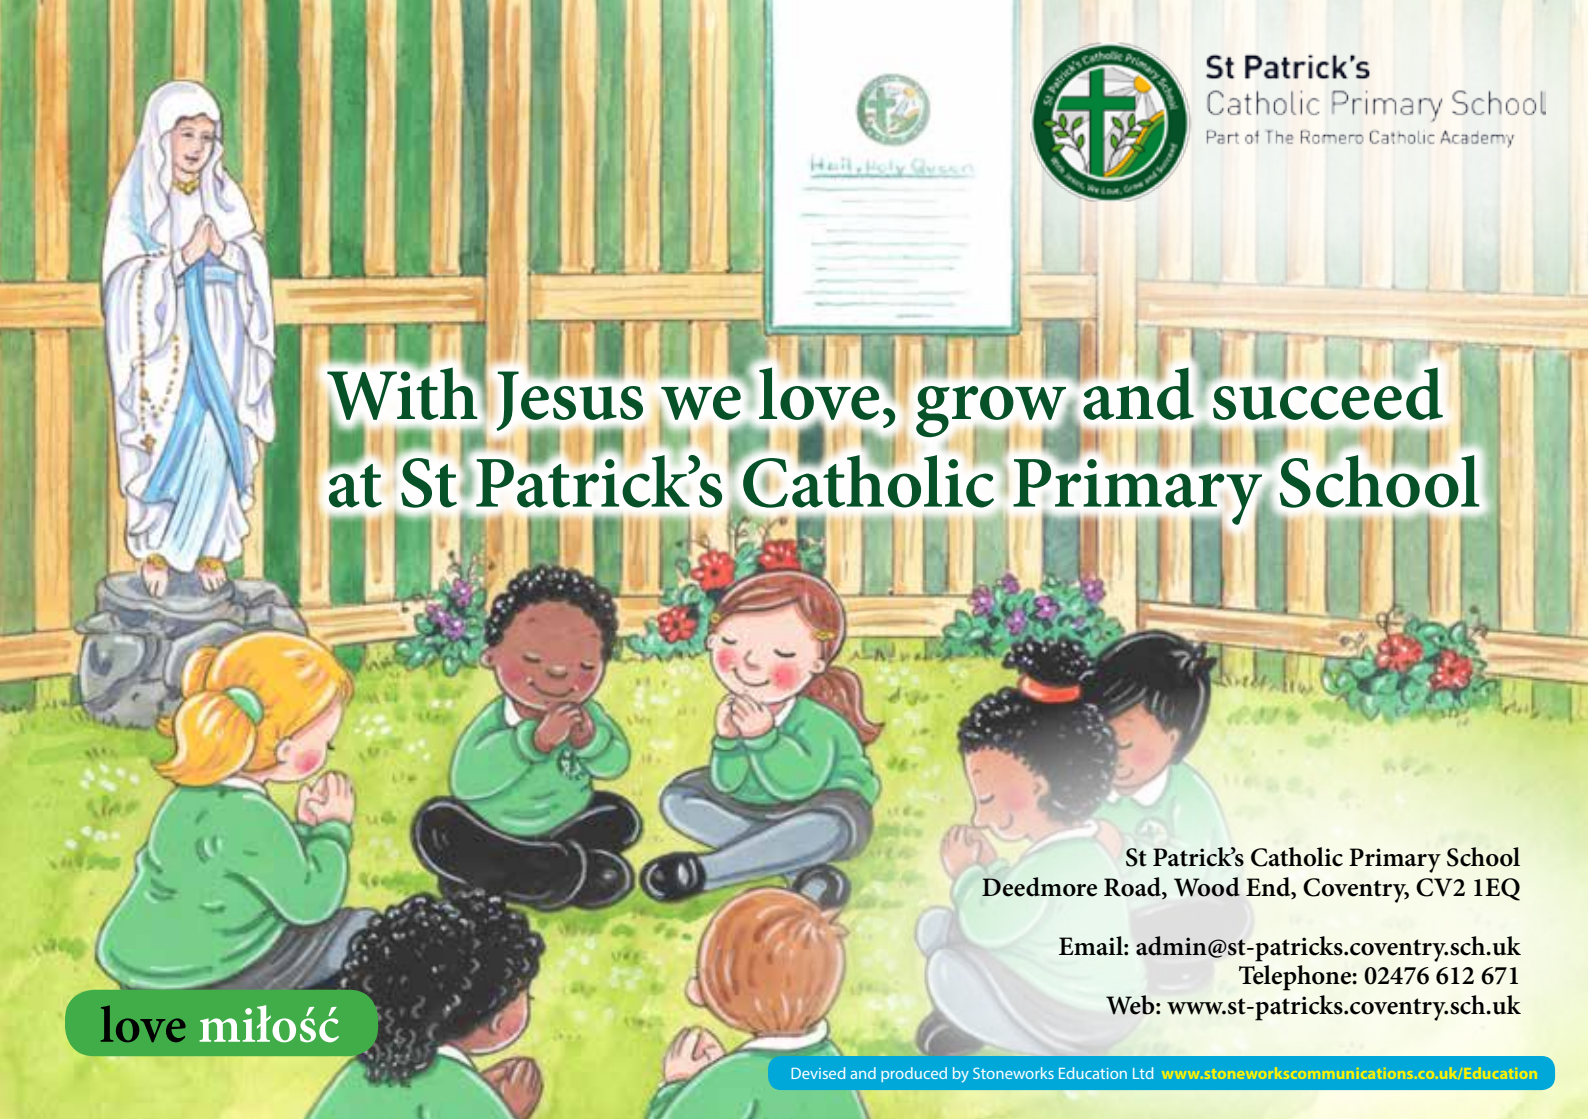

The teacher has seen Emily's mum and has told Emily she can go.

Emily is so pleased to see her mum. She has lots to tell her about her lovely day at school.

"I have had so much fun today, Mum. And I have made some new friends!" says Emily.

When do you start school?

Hail, Holy Queen
