

**Harry, Martha and Thomas are coming  
to Torrisholme Community Primary School**

Learning to care for ourselves, each other and the world.

# What happens when I come to school?

2

Your grown-ups will bring you to the playground and when it is time to go into school, your friendly teacher will open the classroom door.

**"Good morning, Martha,"** says the teacher. **"Hello,"** says Martha.

You will hang up your coat and backpack on the peg with your name on it, just like Harry is doing.

Once you have put your belongings away, you will sit on the carpet with your friends. Your teacher will check who is in school that day and then you will go to assembly with the rest of your class.

We know that you may be a little worried about making friends and getting used to a new school, so we always make sure that new children have a wonderful welcome from everyone here, including Torrisholme Teddy!

## When are you coming to school?

## What will I do in school?

There are lots of wonderful things in store for you at Torrisholme Community Primary School. We all treat each other with **respect**, **trust**, **courage**, **kindness**, **thankfulness** and **humility**.

We follow these values in everything we do, which is what helps to make our school so brilliant!

Each day you will spend time learning together with your friends as well as exploring the different areas of the classroom and the brilliant outside classroom. You will also do some activities in smaller groups.

All the activities are lots of fun and you will learn as you play. You will quickly get to know the other children in your class and make friends.

## What games do you like playing with your friends?

## What happens if I am hungry or thirsty?

You can have a healthy snack and a drink of milk or water when you are hungry or thirsty. At lunchtime, you will wash your hands and go to the hall with your teacher. You will collect your lunch from our kind school cook.

Then you will sit with all your friends, making sure you use good table manners. This means we use knives and forks, and we are polite and kind.

**"I love eating lunch with all my friends,"** says Harry.

## What is your favourite meal?

## What happens when I need to go to the toilet?

The toilets are inside the classroom, so they are very easy to find.

Harry has been to the toilet and remembered to flush.

**"I'm washing my hands really well, so I don't spread any germs,"** he says.

He dries them before going back to the classroom.

If you have an accident or need help, tell your teacher and they will help. Your grown-ups will leave some spare clothes in school in case you need them.

**Can you use the toilet by yourself?**

## What happens at the end of the school day?

When it is nearly home time, you and your friends will help to tidy up the classroom. Then you will collect your belongings and sit down on the carpet to enjoy story time.

**"This is my favourite story!"** says Thomas.

**"I love it too,"** says Martha. **"The cat looks so sweet and fluffy!"**

After story time, you will say goodbye to your friends and your teacher will send you out one by one to meet your grown-ups, who will be waiting in the playground.

Your grown-ups will love hearing about all the exciting things you have done at school that day.

**Are you excited about starting school?**

**Martha, Harry and Thomas love going to Torrisholme Community Primary School, and they think you will too!**

We are really looking forward to welcoming you to our friendly, caring school and hope you will enjoy being part of our wonderful school family.
