

Alfie, Emily and Jacob are coming to Westmoor Primary School

What happens when I get to school?

Your grown-up will bring you to the playground area, where you will see your friends and wait for your teacher to open the school doors.

When the door opens, you will say goodbye to your grown-up and go into school with your teacher.

You will hang up your coat on your own special peg in the cloakroom, like Jacob is doing.

"This is my peg," says Jacob.
"It has my picture on it!"

You will also leave your lunchbox, if you have one, and water bottle in the cloakroom.

You will put your book bag into your own special box with your name on it.

Then you will go into your classroom and sit on your very own spot on the carpet with the other children, just like Alfie and Emily are doing.

Your teacher will check who is in school and then you will have a chat about things like the weather, what day of the week it is, and any news you have.

Your teacher will tell you all about the exciting things you are going to do that day.

When are you coming to school?

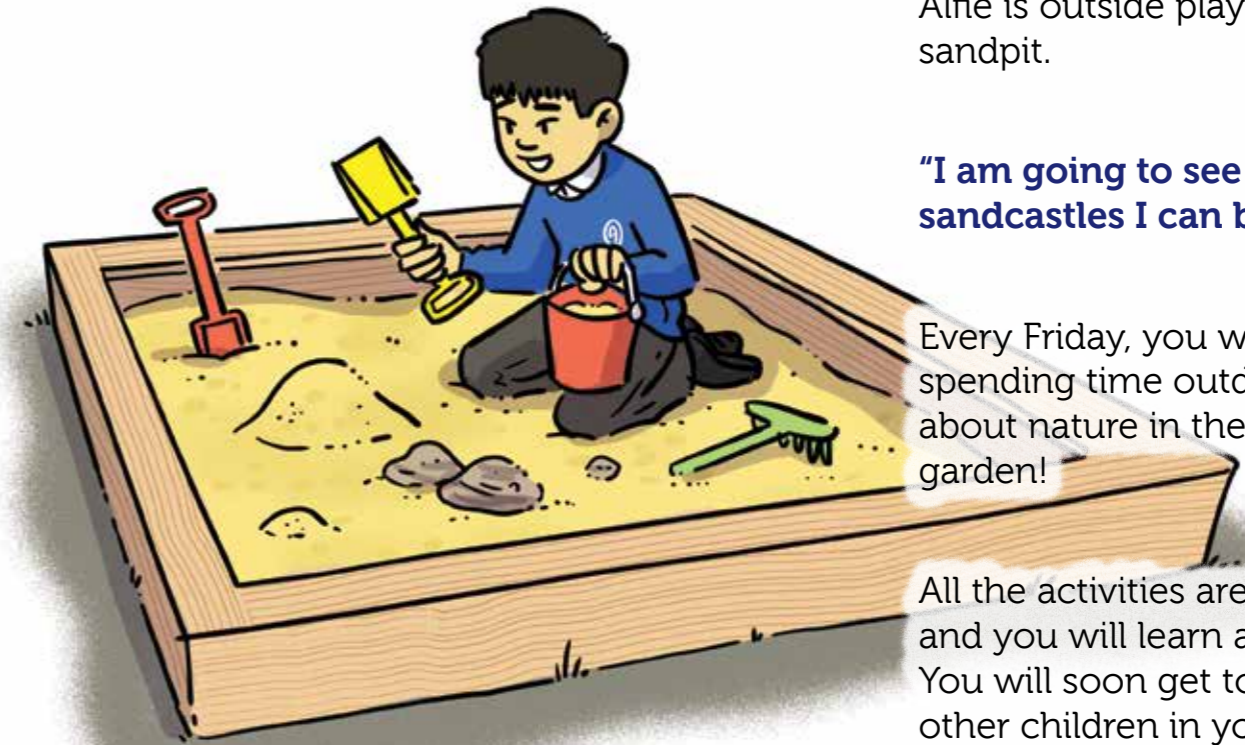

What will I do in school?

You will do brilliant activities in your classroom and outdoors.

Sometimes you will do them with your teacher and class and sometimes you can choose what you do.

Jacob and Emily are playing a number dot game.

"I am matching the dots!" says Emily. **"This is so much fun!"** says Jacob.

Alfie is outside playing in the sandpit.

"I am going to see how many sandcastles I can build," he says.

Every Friday, you will enjoy spending time outdoors, learning about nature in the woodland garden!

All the activities are lots of fun and you will learn as you play. You will soon get to know the other children in your class and make friends.

What happens when I need to go to the toilet?

The toilets are very near to your classroom and they are easy to use. You will go to the toilet by yourself, so your grown-ups will make sure that you have lots of practice before you start school.

You can go whenever you need to. Just remember to tell your teacher that you are going.

Jacob is going to the toilet.

"Everything is just the right size for me!" he says. **"It is so easy going to the toilet by myself."**

Jacob has been to the toilet and remembered to flush.

Now he is washing his hands carefully with soap and warm water.

"I am making sure I clean my hands so I don't spread any germs," he says.

He will dry his hands before he goes back to the classroom.

What happens if I am hungry or thirsty?

Throughout the day, you can go to the snack table and help yourself to a snack of fruit and a drink of milk or water.

"I love apples," says Alfie.

"I am going to choose an orange today," says Jacob.

"It's so nice to have a snack with my friends," says Emily.

The children love eating the healthy fruit snacks.

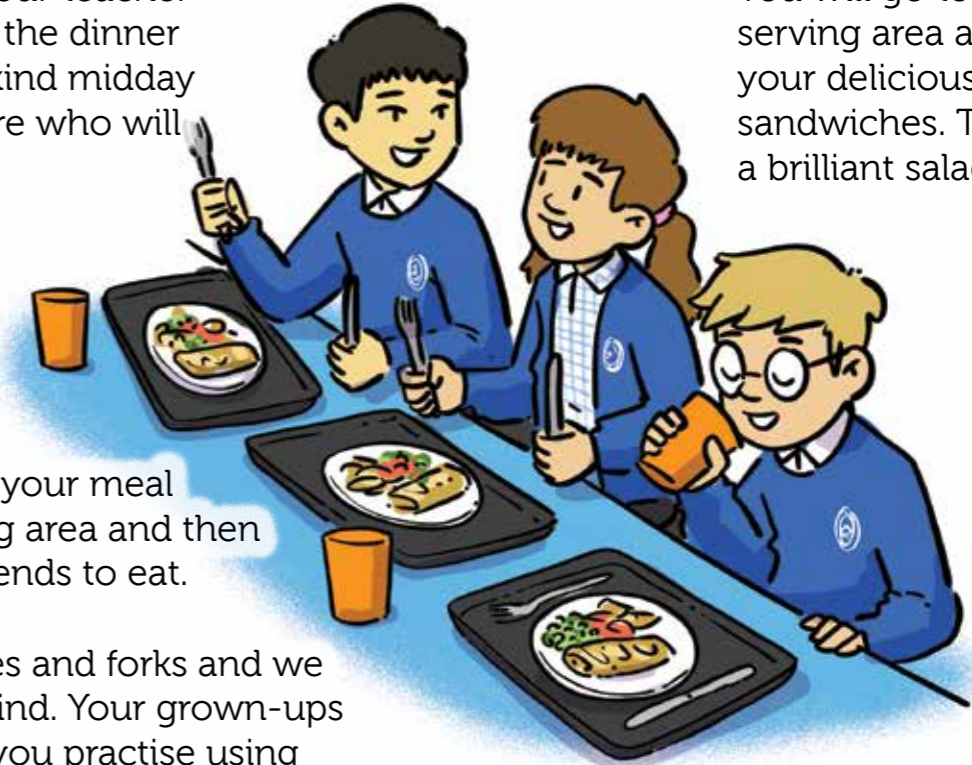

At lunchtime, your teacher will take you to the dinner hall. There are kind midday supervisors there who will look after you.

You will go to the serving area and choose your delicious meal or sandwiches. There is also a brilliant salad bar.

You will collect your meal from the serving area and then sit with your friends to eat.

We all use knives and forks and we are polite and kind. Your grown-ups will make sure you practise using cutlery before you start school.

"I love my lunch," says Alfie.

What is your favourite meal?

What happens at the end of the school day?

At the end of the school day, you will collect your coat, belongings, and book bag. You will then sit on the carpet and listen to a story with your belongings next to you.

You will all get a turn at choosing the story that the teacher reads to you. There is a bookcase full of exciting books. It is Emily's turn to choose today.

"This is my favourite story," says Emily.

"This is a great story," says the teacher, as she reads to the children.
"Well done for picking it, Emily!"

When it is home time, your teacher will call out your name when they see your grown-up waiting outside.

You will take your book bag home every day and look at books with your grown-ups.

Are you excited about starting school?

The children are having lots of fun in the woodland garden.

Jacob, Alfie and Emily love learning and making friends at Westmoor Primary School!
