

Jennifer Price lives in Halifax with her three sons, Oliver, seven in Year 3, Callum, five in Reception and Daniel, one.

Jennifer is **thrilled** to have moved her boys to Siddal Primary School. She **believes** children are actively **supported** to reach their **potential**

### The obvious choice

Siddal Primary School was Jennifer's school when she was a child, so when she recently moved back to the area, it seemed the obvious choice for her family. "The school is very different from where they were. It's a school where the children all look after each other and both boys have settled really well and made some great friends already."

### Welcoming

Jennifer adds: "Siddal Primary School is a very warm, welcoming and friendly environment where teachers will take time to get to know each child and support them to reach their full potential."
