

Jack, Isla and Oliver are coming  
to Inchinnan Primary School

Can you spot  
our school bear  
'Star' hiding on  
each page?

# How will you help me settle into school?

You will visit us before your first day at school and meet your teacher and classmates.

Everyone here is very kind and cannot wait to see you. Star bear will help teach you about kindness, sharing and caring. An older child will be your 'buddy' and look after you too.

On your first day, your grown-up will take you to the school door and say goodbye. Your teacher will be waiting to meet you.

"Hello, Isla," the teacher says.

"You are going to have lots of fun today."

You will go into school and wash your hands.

"This is my coat peg," says Jack.

"Hello, Jack," says the teacher.  
"Come and put your bag away and I will help you choose your lunch."

You will play while you wait for everyone to come into school.

Are you looking forward to coming to school?

# What will I do at school?

There are lots of wonderful activities for you to do in your classroom and outdoors.

Sometimes your teacher will do the activity with you and your class but most of the time you can choose for yourself.

Oliver is learning about letters and letter sounds.

“That one is an ‘O’, just like the one in my name,” he says.

Star thinks Oliver is doing very well.

Isla and Oliver are working on a picture with their friend Mira.

Oliver has drawn the shape and Mira is colouring it in.

“Can I draw a smiley face on the picture when you have finished colouring?”  
Isla asks.

“Yes,” says Mira. “It’s fun making a picture together.”

Star is happy to see the children sharing and playing together.

What games do you like playing with your friends?

## What if I am hungry or thirsty?

At morning breaktime, you can have a healthy snack that you have brought from home.

You can have a drink from your water bottle whenever you are thirsty.

At lunchtime, you will go to the hall for your tasty and healthy meal.

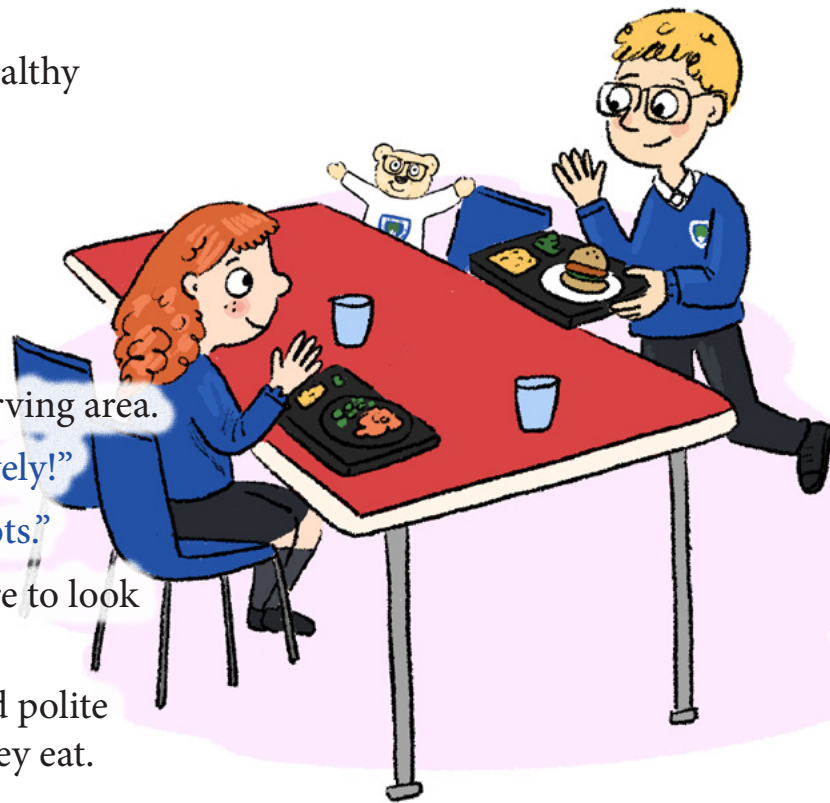

Oliver has collected his meal from the serving area.

“Hello, Isla,” he says. “My lunch looks lovely!”

“Mine is great too,” says Isla. “I love carrots.”

Your buddies and kind adults will be there to look after you while you eat.

Star loves seeing everyone being kind and polite and using their knives and forks when they eat.

## What if I need the toilet?

You can go whenever you need to but try to go at break or lunchtime so you don't miss out on any fun. Don't forget to tell your teacher when you need to go.

Isla has used the toilet and remembered to flush. She is washing her hands with warm water and soap so they are nice and clean and she doesn't spread germs.

“I am glad that I practised going to the toilet all by myself before I started school,” she says. “Now I don't need any help!”
