

# Thayn, Harry and Anna are coming to Strathmartine Primary School

Thayn is coming to nursery and Harry and Anna are coming to P1.

# What happens when I come to nursery or P1?

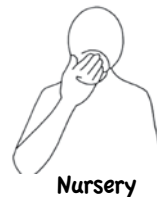

If you are coming to nursery, your grown-up will bring you into the classroom when you are new. After that, your grown-up will drop you off in the playground, like the P1 children. Your teachers will be waiting at the door to welcome you into school.

Anna's mum is dropping her off for P1. Anna is excited to start her first day at school.

Then you will hang up your coat and book bag on your coat peg and put your indoor shoes on.

Nursery

You will bring a water bottle to school and you can have a drink whenever you are thirsty.

When the school day starts, you will sit on the mat with your friends, like Thayn and Olivia are doing. Your teacher will welcome you and check who is at nursery or school that day.

They will talk to you about things such as any news you may have, the weather and the exciting things you are going to do that day.

**"I can't wait to start playing with all the toys,"** says Thayn.

Are you excited about coming to nursery or school?

## What will I do in nursery?

Olivia and Thayn are on a bike.

"Can I pedal next?" asks Olivia.

"Yes. It's so much fun!" says Thayn.

There are so many fun and exciting things for you to do each day at nursery.

You will have fun playing and you will learn and make friends as you play.

There are lots of toys and games. You can read books, play in sand, do painting, make things, learn about numbers and letters and lots more. You can also play outside in the garden area, visit the fire pit area and take part in Outdoor Learning.

Thayn loves dinosaurs and is playing a game with some dinosaur toys.

"My dinosaurs are making friends," he says.

## What will I do in P1?

In P1 we have Numeracy, Literacy and Number areas. Outside you can play on bikes, in the playground and on the pirate ship. We also have a wildlife pond and fire pit area.

Harry is with his new friend, Thomas.

They are practising spelling a word their teacher has taught them.

"Do you know what I have spelt?" asks Harry.

"c-a-t spells cat," says Thomas.

Harry and Anna are in the reading area.

"I love dinosaurs," says Harry.

"So do I," says Anna. "What is your favourite?" she asks.

## What if I am hungry or thirsty?

In the morning, you can have a fruit snack and a drink of milk or water. In P1 you will bring your snack from home.

You can have a drink from your water bottle whenever you need it.

At lunchtime, kind grown-ups will bring you your lunch in nursery and they will look after you while you eat.

In P1 you will go to the hall for your meal. You will sit with your friends to eat.

If you need any help with anything, just ask one of the grown-ups. Don't forget to be polite and say 'please' and 'thank you' and use your cutlery.

**"My favourite is fish fingers,"** says Harry.

**"I love spaghetti,"** says Anna.

## What happens when I need the toilet?

You can use the toilet whenever you need it.

You will go to the toilet by yourself, so it is a good idea to practise going to the toilet by yourself before you start school.

In P1 the toilets are outside the classroom, so remember to put your hand up and let the teacher know when you need to go.

Don't forget to flush the toilet and leave it nice for the next person to use. After you have been to the toilet wash your hands with soap and water, like Anna is doing.

**"Using the toilet at school is so easy. Everything is small so I can reach,"** says Anna.

When it is home time, your grown-up will collect you and you can tell them all about the fantastic day you had.

Anna, Harry and Thayn love coming to Strathmartine Primary School, and they think you will too!

Goodbye
