## What happens when I come to nursery?

Your parents will bring you to the nursery gate, where your teachers will be waiting to meet you.

"Bore da, Jacob," says the teacher. Jacob thinks his teacher is very kind.

You will say goodbye to your grown-ups and go into nursery.

Some of your teachers will be waiting inside to help you find where to hang your coat in the cloakroom. They can help you take your coat off, but it is a good idea to practise taking it off and putting it back on again by yourself at home. Your grown-ups will make sure that your coat and any belongings you bring to school have your name on them.

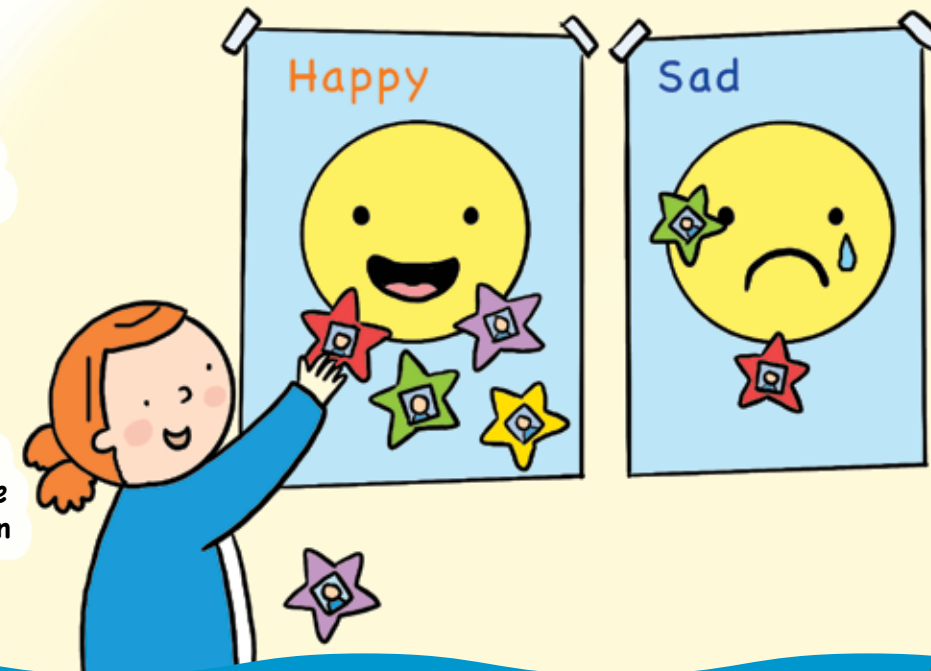

Your teachers will show you where to put your snack, water bottle and book bag. If you have brought a packed lunch from home, they will show you the tub that it will go in.

Then you will go into the classroom and find your photo. You will put it on the 'Sut Wyt Ti?' board to show how you are feeling that day.

Sara has put her name on the board. Can you tell how she is feeling today?

Your teachers will have put lots of fun activities out on the table tops or on the carpet so you can start playing straight away.

## Sut wyt ti'n teimlo?

Are you looking forward to coming to nursery?

## What will I do in nursery?

You will have lots of fun playing and making friends as you learn.

Sometimes your teacher will do an activity with you and sometimes you can choose what you would like to do.

There are lots of lovely things to do in the classroom and outdoors.

Asha is snuggled up and looking at a book.

"I enjoy reading," she says.

Sara and Jacob are painting some pictures.

"I got my hands nice and messy making this picture," Sara says. "But I have washed them and now they are clean."

"That looks like fun," says Jacob. "I am going to do a hand print as well."

Sara and Asha are doing some gardening in the 'Cwtch Garddio' with Rhys. They are working together to plant some flowers.

"I am putting the soil in the pots," says Rhys.

"I am putting the flowers in the pots," says Sara.

"And I am watering the flowers," says Asha.

What do you like doing with your friends?

## What if I am hungry or thirsty?

You will have a drink of milk at snack time and you can bring in a piece of fruit from home to eat.

If you are staying at nursery at lunchtime, your teachers will take you to the hall for your tasty, healthy meal.

Nursery and Reception children will eat their meal before everyone else at school so you will have the hall all to yourselves.

If you have brought a packed lunch, you eat in the hall as well.

Everyone sits with their friends to eat their dinner or packed lunch. Kind adults will bring the food to you at your table and look after you while you eat.

"Would you like a drink?" asks Sara.

"Yes, please," says Jacob. "Diolch!"

What is your favourite meal?

## What happens when I need the toilet?

You can go to the toilet whenever you need to. Just remember to ask your teacher by saying 'Ga fi mynd i'r tŷ bach plis?'

Sara has practised going to the toilet by herself lots of times before she came to nursery, so she doesn't need any help from the teacher. But if you need help or have a toilet accident, just tell your teacher. Your grown-ups will have left some spare clothes at school in case you need them.

Sara has been to the toilet and remembered to flush.

"Now I am going to wash my hands with soap and water and then I will dry them," she says.

"That's how we can stop germs from spreading."
