

Harmony Hill Primary School & Nursery Unit

Ethan, Lily, and Aisha are coming
to Harmony Hill Primary School

What happens when I get to school?

You will say goodbye to your grown-up in the playground. Your teacher will be waiting for you at the door of your classroom.

“Hello, Lily, we’re going to have lots of fun today,” says the teacher.

You will hang up your coat on the peg with your name.

“This is my peg,” says Ethan.

After you have washed your hands, you can choose a fun activity to do. Ethan, Lily, and Aisha are doing art.

“I’m drawing a big tree,” says Aisha.

Now Ethan is putting his snack box and water bottle on the shelves. If you have brought in a packed lunch, you will also put that on a shelf.

Are you looking forward to coming to school?

What will I do in school?

After tidying away, you will sit on the carpet while your teacher takes the register.

“Good morning,” says Aisha when the teacher calls her name.

Every day will be different, and your teacher will tell you what you will be doing that day. In the morning, you will do Phonics and Literacy and have playtime. You will also learn as you play with your friends. You can choose to play outside or inside.

Outside you can visit the Butterfly Garden, or you could do some planting or go on a minibeast hunt.

Ethan is inside, painting a picture.

“Red is my favourite colour,” he says.

Now he is seeing what his friends are doing at the water table.

“My baby needs a bath,” says Lily.

What do you like doing with your friends?

What happens if I am hungry or thirsty?

You will bring a snack box and your water bottle to school. You will eat your snack in the morning and have a drink from your water bottle whenever you feel thirsty.

At lunchtime, you will sit with your friends to eat your packed lunch or school dinner.

“Brilliant. I’ve got a green apple today,” says Ethan.

You will use a knife and fork, so it’s a good idea to practice at home before you start school. Everyone is polite and uses good table manners.

What happens if I need the toilet?

When you need the toilet, you should let a teacher know. Don’t worry if you are playing outside when you need it, just come inside to go to the toilet.

There are boys’ toilets and girls’ toilets near to your classroom. Aisha has come inside to go to the toilet. She remembers to flush the toilet and wash her hands when she has finished.

“I’m pleased I practised going to the toilet by myself before I started school,” she says.

Don’t worry if you have a toilet accident, just tell your teacher and they will help you. We have a collection of spare clothes in school in case you need them.

How will I make friends?

Everyone at Harmony Hill is kind and loving to one another. You will get to know everybody in your class. There will be many fun activities to help you get to know the other children. While you are in P1, you will have the chance to sit next to different children.

The children are having a tea party.

“Would you like some more tea?” Lily asks Ethan.

Next, Ethan plays with the dressing-up box with Aisha.

What happens in the playground?

Lily and Aisha are playing on the Trim Trail. Ethan is riding a tricycle with his friend.

“Look how good I am at pedalling now!” he says.

You will go to the playground three times a day and you will have lots of fun playing with your friends.

There are lots of exciting things to play with in the playground, such as balls, hoops, whiteboards, and a prop box filled with dressing up toys.

What happens at the end of the school day?

Every day will end differently. We might share a story, enjoy music time, or learn a Bible story. On Fridays, we award our Star of the Week and celebrate all the kind things we have done for each other.

Today, the children are listening to a story.

“What do you think happens next?” asks the teacher.

At home time, your teacher will take you to the gate where your grown-up will be waiting for you. When your teacher says your name, you can go to your grown-up.

“School is so much fun,” Ethan tells his dad.

Are you excited about joining P1?

Aisha, Ethan and Lily love learning
and playing at Harmony Hill, and
they think you will too!
