

Small enough to care, big enough to inspire-let your light shine

"We were impressed with the school's academic performance but even more with its warm, welcoming atmosphere. It felt so positive, caring and buzzing with life! No question; it was the one for our children." **Fiona and Paul Thomas** live in Billinge with their daughters Isabel, nine and Freya, seven.

"They are very special to me and that is why I appreciate the way that St Aidan's also helps to make them feel special, as it does with every other child. There is such a lovely feeling about the whole place and to me, it's exactly what a school should be." **Jason and Gabriella Ortiz** live in Wigan with their son Santiago, nine and daughter Valentina, who is four years old.
