

**Peter, Natasha and
Rebecca are coming to
Beccles Primary Academy**

 **Beccles**
Primary Academy

What happens when I come to nursery or school?

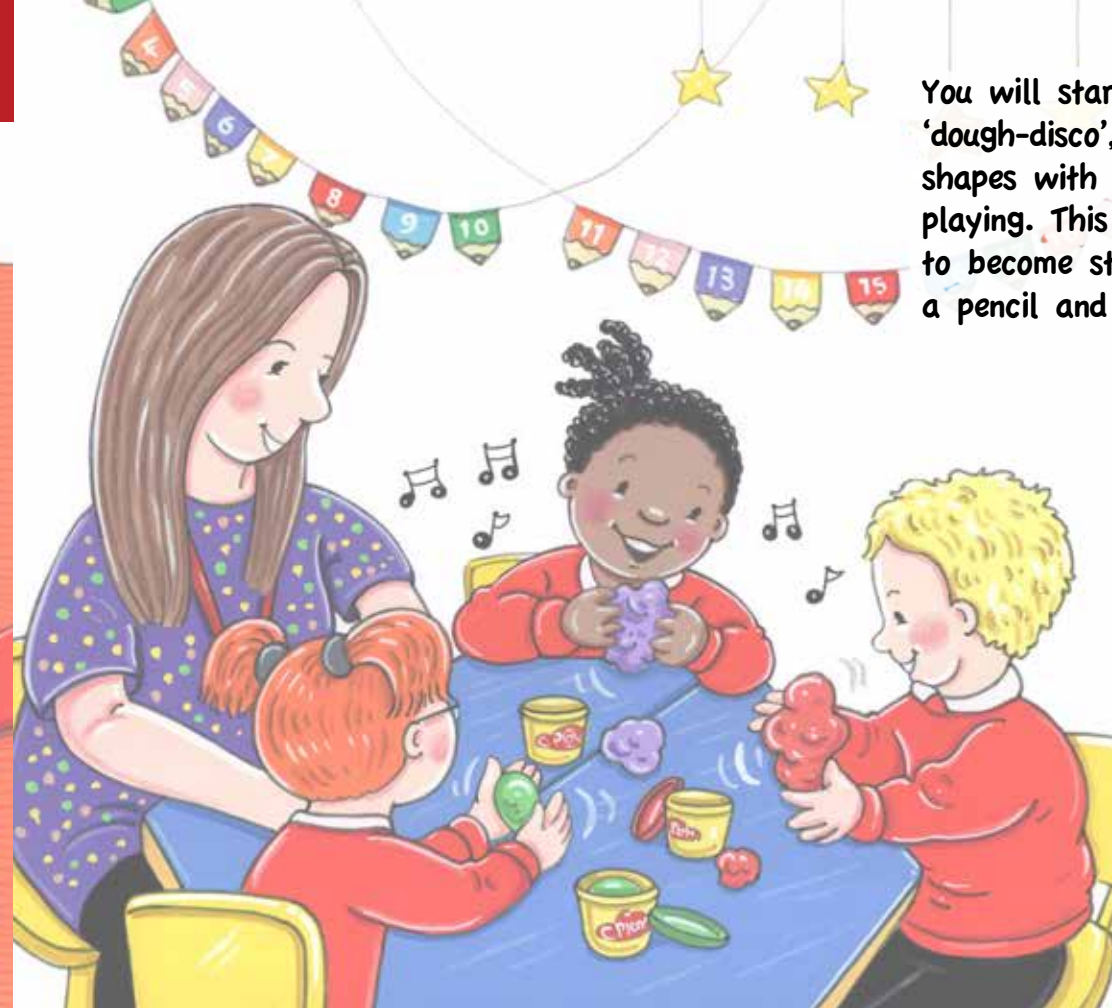

Your grown-ups bring you to the playground and drop you off outside the classroom. Your teacher will be waiting there to say "hello" and bring you into the classroom.

Inside the classroom you will find your coat peg, which will have your photograph above it.

"Look, there's a picture of me above my peg," says Peter, as he hangs his coat up.

You will put your water bottle and lunch box on the trolley, like Rebecca is doing.

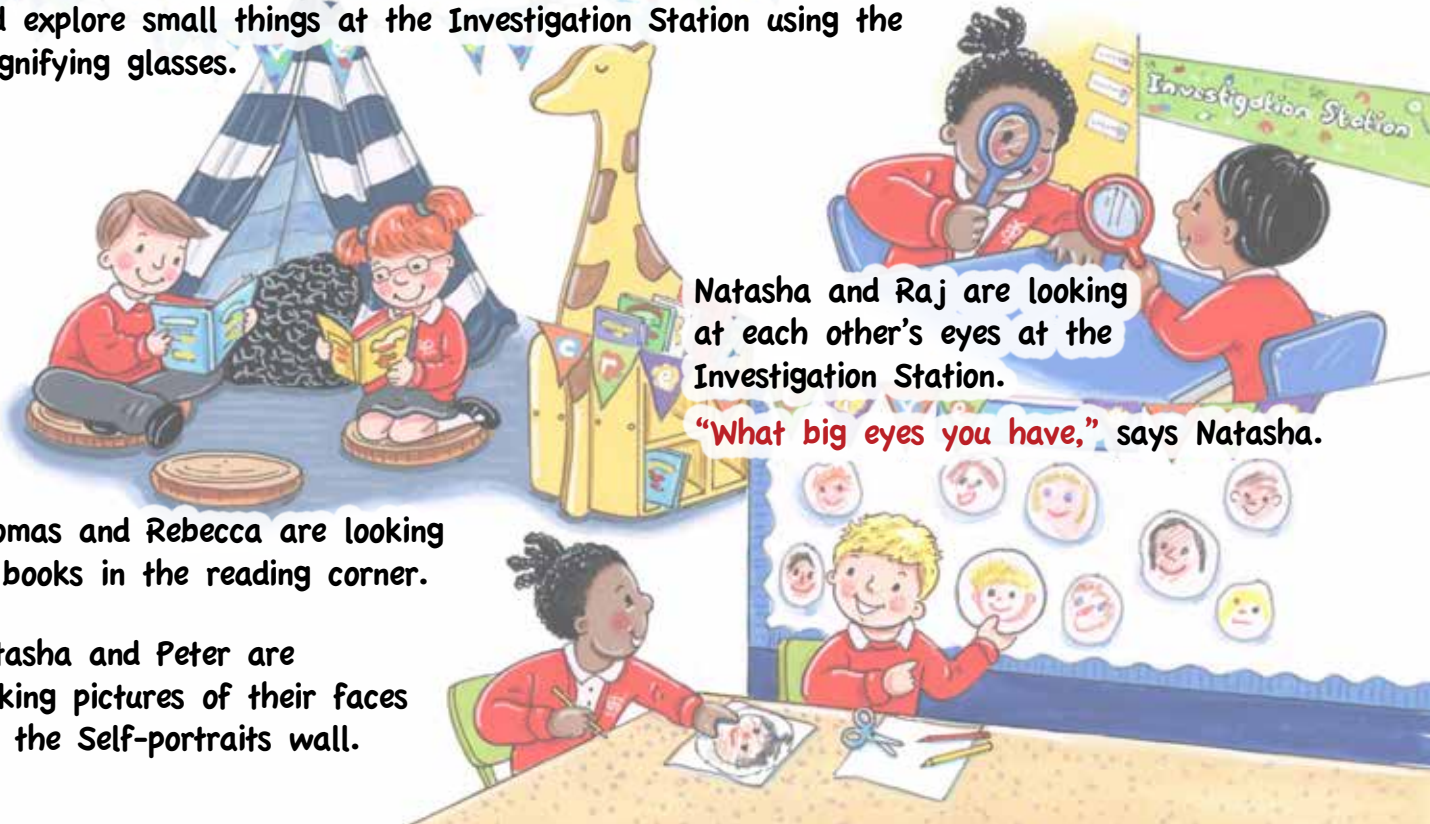

You will start the day by having 'dough-disco', where you will make shapes with Play-Doh while music is playing. This helps your finger muscles to become stronger, ready for holding a pencil and writing beautiful letters.

Your teacher will check who is in school that day and ask you what you would like for your lunch. There are hot and cold lunch choices and everything is very tasty. Your grown-ups can also help you choose at home and they can tell the teacher what you would like to have at lunchtime.

What will I do in nursery or school?

There are lots of fun ways to learn in school and different things to do. Sometimes you will learn with a teacher, and sometimes you will learn by yourself or with your friends. You can read books in the reading corner, make lovely pictures, and explore small things at the Investigation Station using the magnifying glasses.

Natasha and Raj are looking at each other's eyes at the Investigation Station.

"What big eyes you have," says Natasha.

Thomas and Rebecca are looking at books in the reading corner.

Natasha and Peter are making pictures of their faces for the Self-portraits wall.

Outside there is a stage where you can play music or do some acting. There are places for water and sand play, a mud kitchen and a messy area.

Thomas and Rebecca are having fun in the Messy Play Area.

Natasha and Peter are putting on a show for their friends. "I love making music," says Natasha.

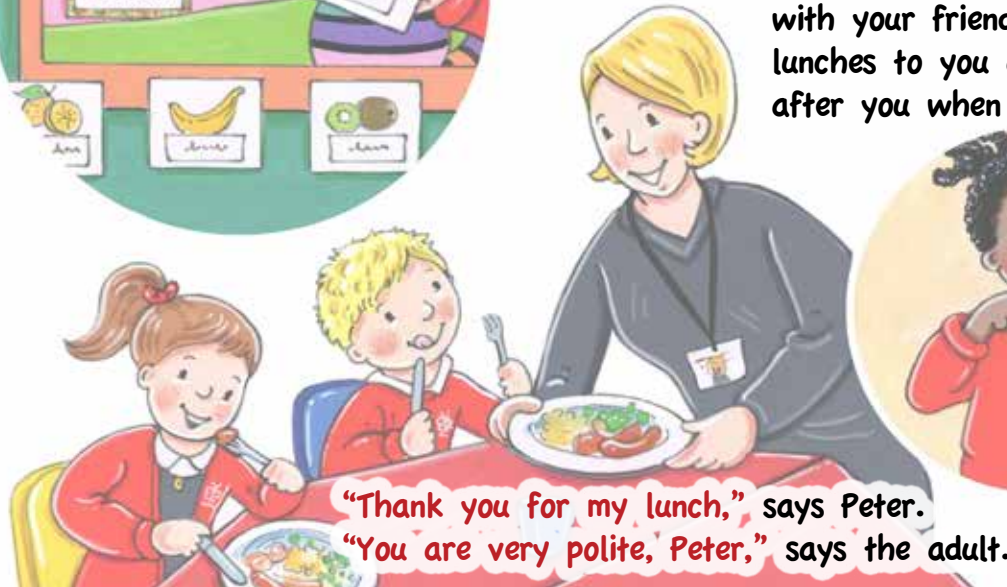

What are you looking forward to doing with your friends?

What if I am hungry or thirsty?

You can have a snack any time you feel hungry. When you have your snack, you will take your name from the snack wall, like Peter is doing, and put it inside a folder. You can then have some water or milk to drink, and a fruit snack from the basket.

If you are staying for lunch, you will go to another room and sit at a table to eat with your friends. A kind adult will bring hot lunches to you at your table. They will look after you when you are eating.

"Thank you for my lunch," says Peter.
"You are very polite, Peter," says the adult.

After lunch, you will brush your teeth to make them nice and clean before going to play.

What if I need the toilet?

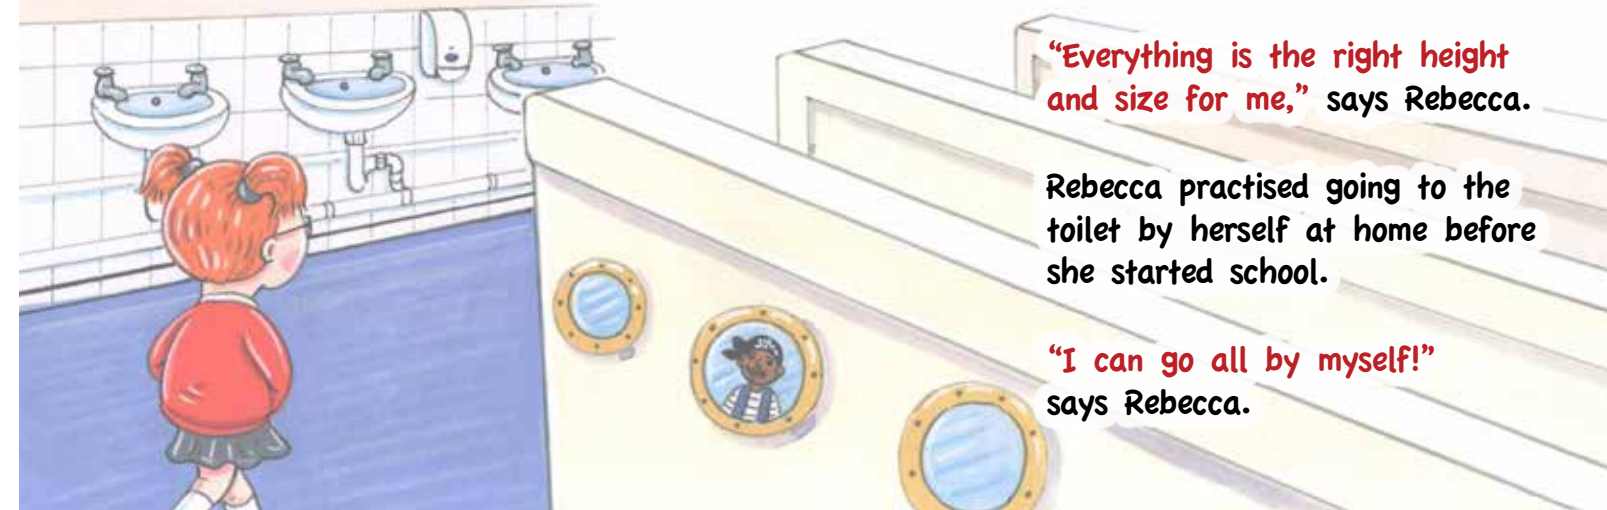

You can go to the toilet whenever you need to. The toilets are close to the classroom. If you need help, just ask an adult.

Rebecca makes sure she flushes the toilet and then washes her hands with soap and water.

"Everything is the right height and size for me," says Rebecca.

Rebecca practised going to the toilet by herself at home before she started school.

"I can go all by myself!" says Rebecca.

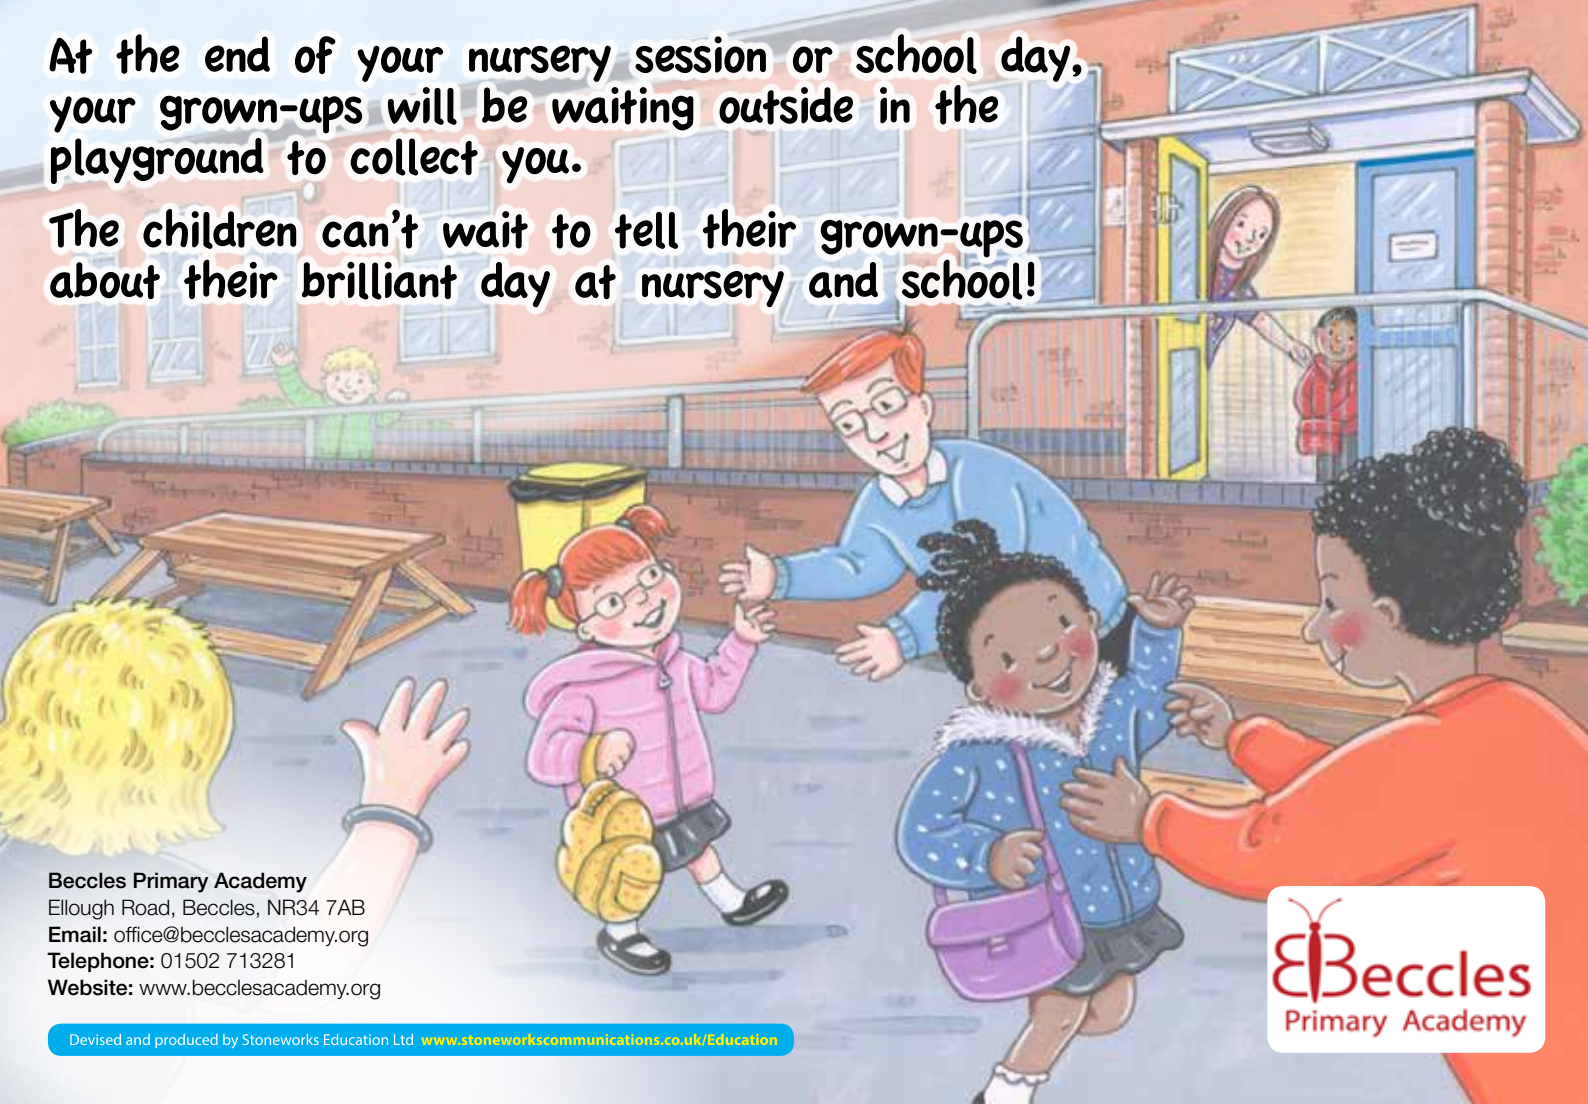

Can you use the toilet by yourself?

6 Can you use a knife and fork?

At the end of your nursery session or school day,
your grown-ups will be waiting outside in the
playground to collect you.

The children can't wait to tell their grown-ups
about their brilliant day at nursery and school!
