PETERBROOK

What happens when I get to nursery or school?

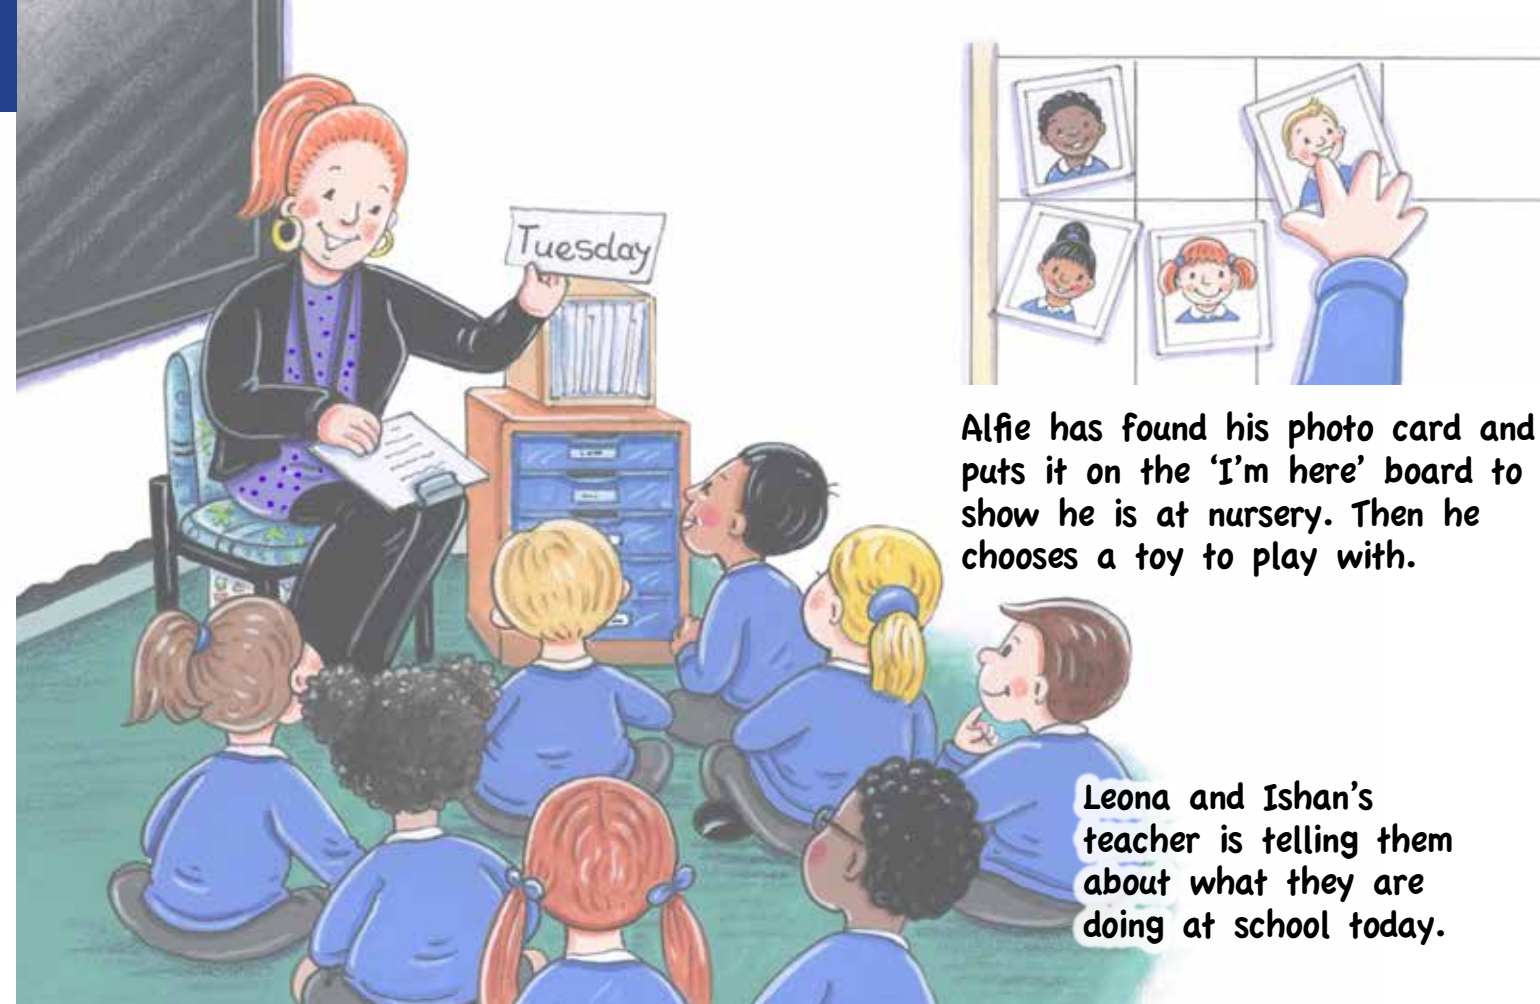

"Hello, Alfie," says his teacher. "You are going to have lots of fun today."

Your grown-ups will bring you to your classroom door, where your teacher will be waiting to meet you and take you inside.

You will hang up your coat and bag on your own peg.

You will put your book bag in the box and if you have brought a lunchbox, you will put that in a box as well.

Alfie has found his photo card and puts it on the 'I'm here' board to show he is at nursery. Then he chooses a toy to play with.

Leona and Ishan's teacher is telling them about what they are doing at school today.

What will I do in nursery?

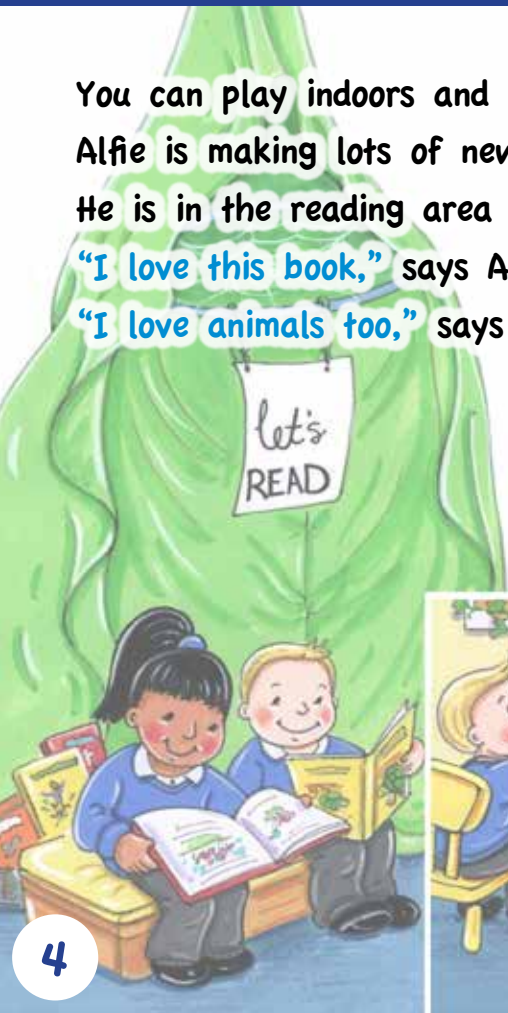

You can play indoors and outdoors and learn as you play.

Alfie is making lots of new friends.

He is in the reading area with Mandip.

"I love this book," says Alfie. "It has lots of animals."

"I love animals too," says Mandip.

Now they are in the home corner.

"Would you like some lunch?" asks Mandip.

"Yes, please," says Alfie. "I will do the washing up afterwards."

What will I do in school?

Sometimes you will do activities with your teacher and sometimes you can choose what you do.

You will learn about letter sounds, read with your teacher and do number work.

Ishan is practising some letters.

"I am writing my name," he says.

The teacher has asked Leona to talk about what she can see in the picture.

"I can see some children playing in the park," Leona says.

What do you like doing with your friends?

What happens if I need to go to the toilet?

The nursery toilets are in the classroom and you can go whenever you need to. Leona is in reception, so she knows she needs to tell her teacher before she goes. "May I to go to the toilet?" she asks.

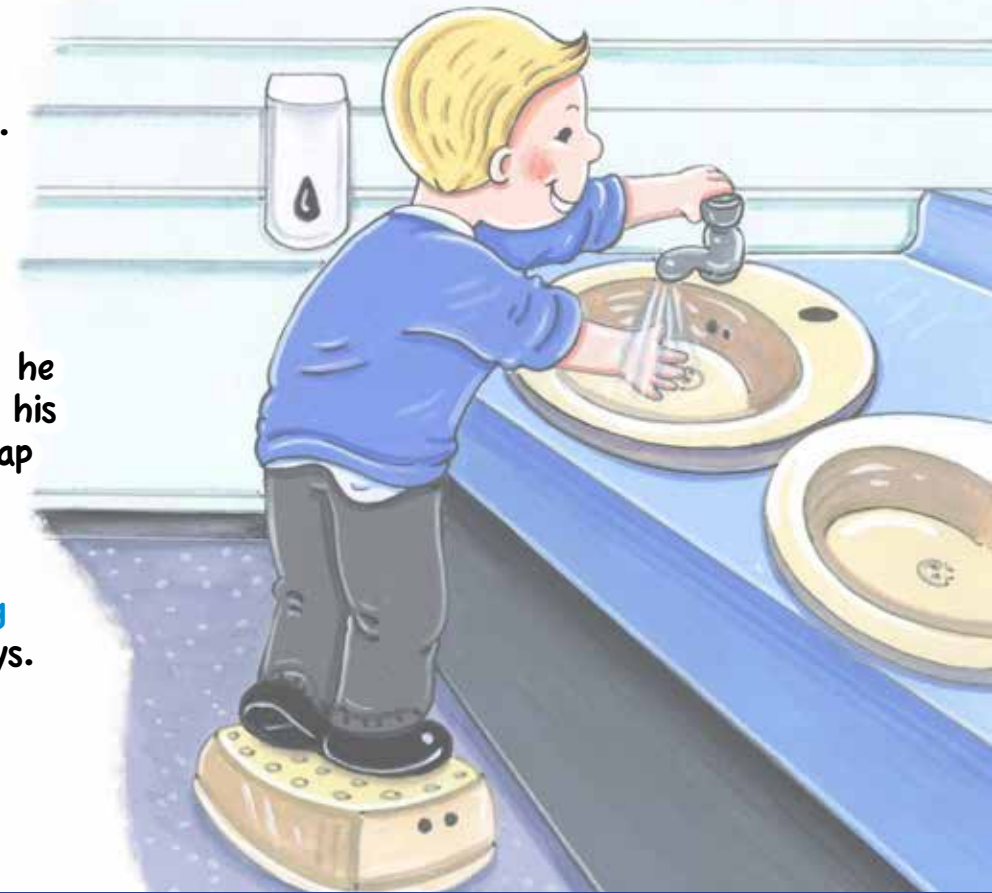

Leona goes to the toilet by herself, like you will when you come to nursery or school. Your grown-ups will make sure that you have lots of practice at home before you start.

If you need help or have an accident, let your teacher know. Your grown-ups will make sure there are some spare clothes in case you need to get changed.

Alfie remembered to flush when he finished and now he is washing his hands with warm water and soap to make sure they are clean.

"I am so glad I practised going to the toilet by myself," he says. "I feel very grown-up!"

Can you go to the toilet by yourself?

What happens if I am hungry or thirsty?

Ishan has helped himself to a drink and some fruit from the 'café'.

"Try a pear, Kara," he says. "They are very tasty."

You can use your water bottle whenever you are thirsty.

In nursery, you will have a snack with your friends. Alfie, Mandip and Michael are eating their snack while their teacher reads them a story.

At lunchtime, reception children and any nursery children who have lunch at school will be taken to the hall by kind lunchtime staff. They will look after you while you eat.

Alfie's friend, Katie, is having a school meal, so one of the adults is bringing it to her.

Ishan is collecting his meal from the serving area and then he will sit with his friends to eat.

"This is my favourite meal," says Leona as she eats her sausages.

She practised using a knife and fork before she came to school so she can cut up her food all by herself.

What is your favourite meal?

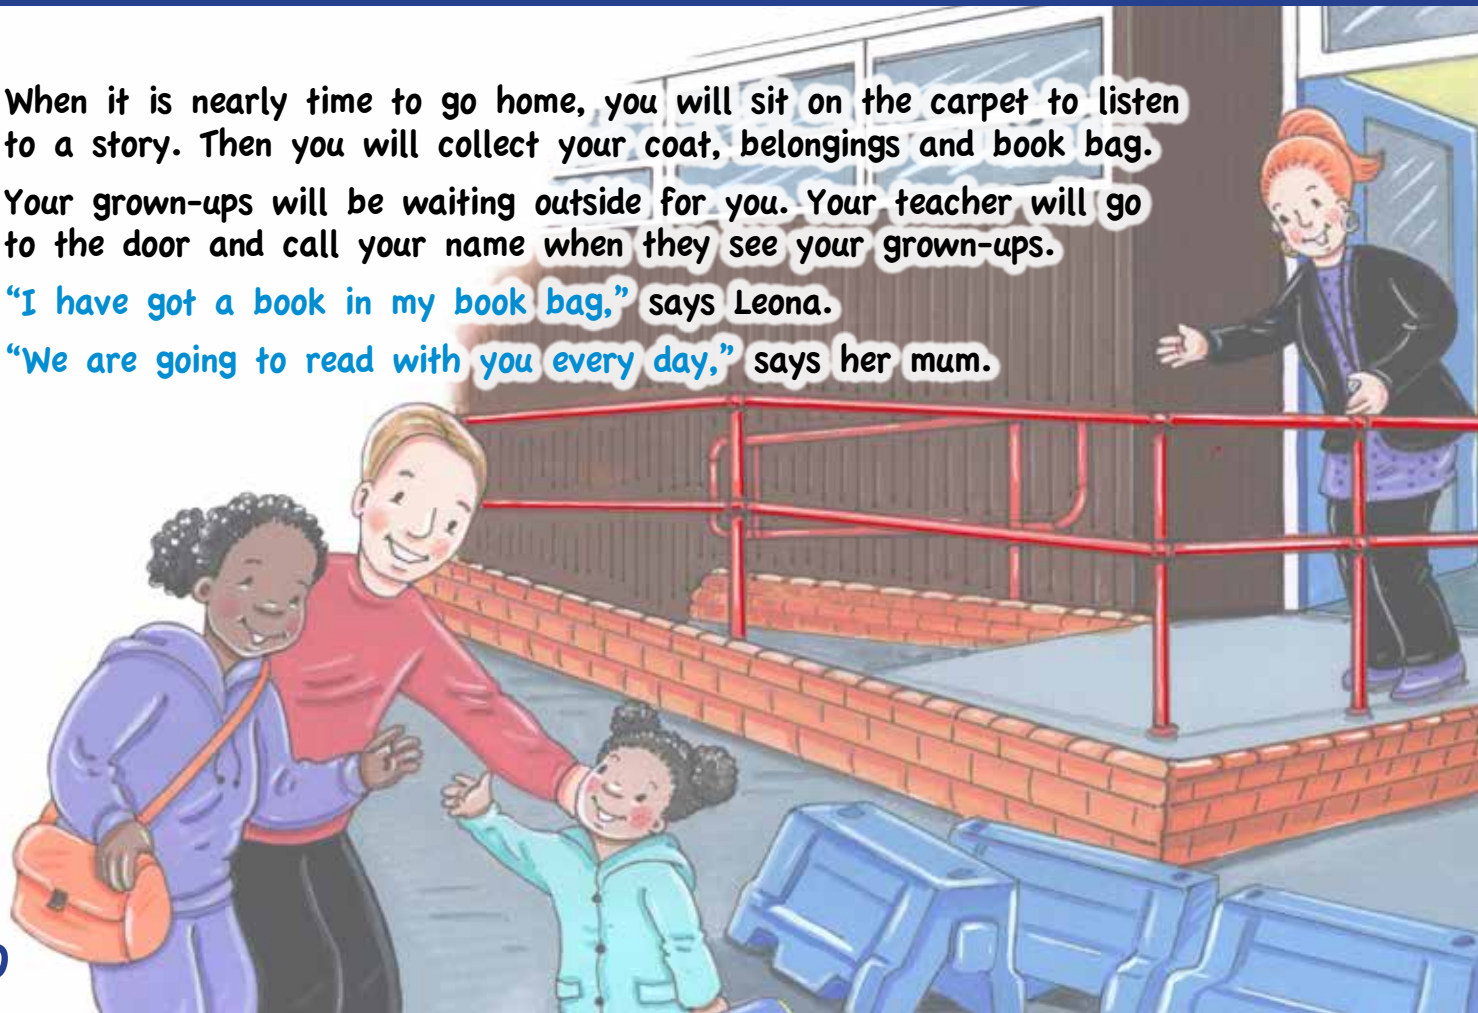

What happens at the end of the nursery session or school day?

When it is nearly time to go home, you will sit on the carpet to listen to a story. Then you will collect your coat, belongings and book bag.

Your grown-ups will be waiting outside for you. Your teacher will go to the door and call your name when they see your grown-ups.

"I have got a book in my book bag," says Leona.

"We are going to read with you every day," says her mum.

Alfie is being collected from nursery by his grandad.

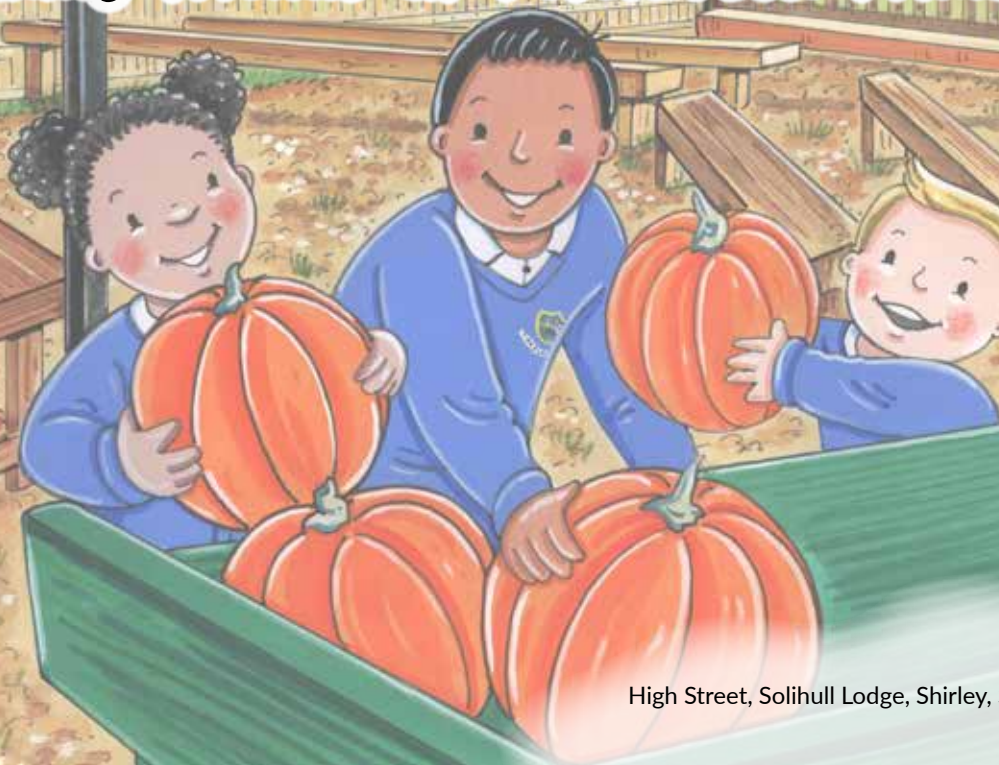

Alfie's teacher checks that his grandad is on the list of people that are allowed to collect him. When she sees that he is, she tells Alfie he can go.

"I have had lots of fun today," says Alfie.

If you are going to the after-school club, one of the lovely adults from the club will collect you from your classroom.
