What happens when I get to nursery or school?

Your grown-ups will bring you to school and kind adults will be waiting there to meet you. You will say “goodbye” to your grown-ups at the door, and you will go to the same classroom you visited during your stay-and-play session to see your new friends.

You will have your own special peg to hang up your coat and bag on, like Harry is doing.

Then you will take your water bottle into class to put in the snack area.

If you have brought a lunch box from home, you will put this on the trolley or in the box outside your classroom, like Alisha is doing.

In reception, you will be in Daffodil, Rose, Bluebell or Daisy Class. If you are in nursery, you will be in Sunflower Class.

Alisha has found her name on the daisy.

Your teacher will check who is in that day and everyone will choose their lunch. If you are in nursery, you will get to choose an activity to take part in before you all sit together on one carpet and wait for the fun to start.

Are you excited to come to nursery or school?

What will I do in nursery or reception?

Tobias is playing with Poppy and making some Play-Doh shapes.

"I am making a lion," says Tobias.

We have fun learning at school. There are exciting indoor and outdoor activities. Sometimes you will do activities with your teacher, sometimes with your friends and sometimes by yourself. You will learn and make friends as you play.

Your teacher will set you fun challenges every day.

Harry is building a tower.

Alisha is painting and using lots of colours. "I love orange," she says.

The children are playing together outside.

Tobias is whizzing around on a scooter. Now he is playing with a hula hoop.

Alisha is climbing down from the frame.

"I went all the way across!" she says.

Harry is at the water tray.

"Do you think I can sink your boat, Joe?" he asks.

What are your favourite things to do with your friends?

What happens when I am hungry or thirsty?

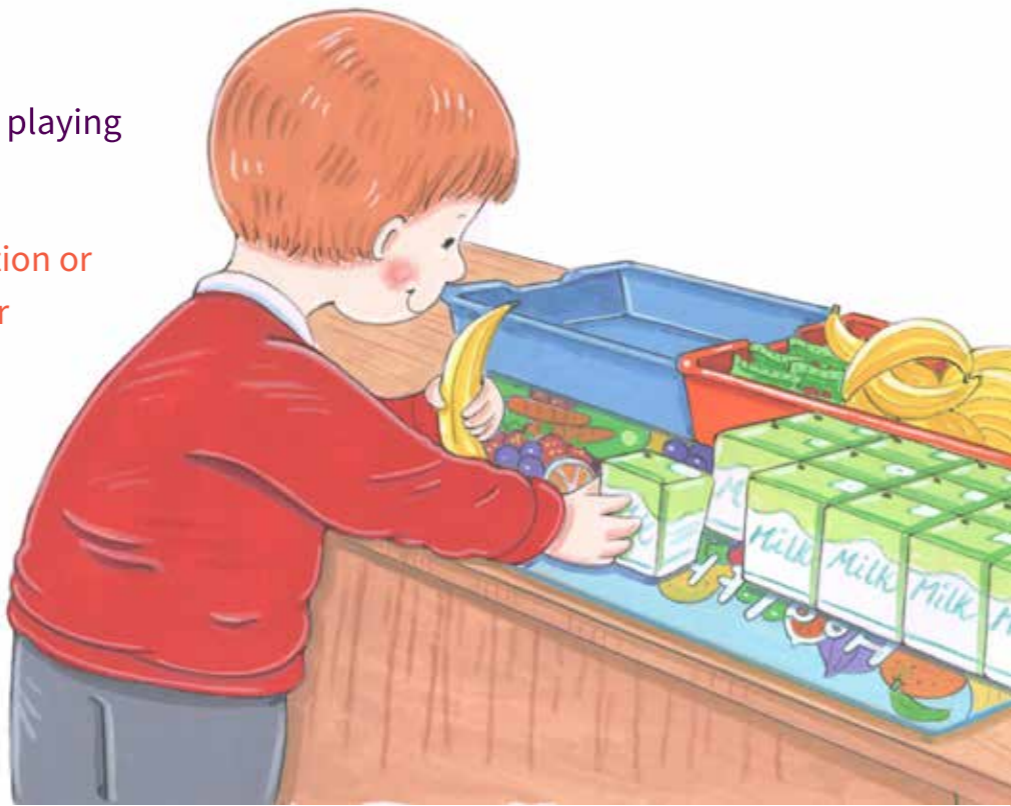

During the day, you can have fruit and drinks.

Tobias is helping himself to a banana and a carton of milk.

“I need a snack and a drink after playing so much,” he says.

At lunchtime, if you are in reception or staying for lunch at nursery, your teachers will take you to the hall for your meal.

If you are having a hot school meal, you will go to the canteen to collect it.

Your teachers will take you back to the hall and there will be kind adults to look after you whilst you have your lunch.

Everyone is kind and helpful to each other and uses their cutlery nicely. After lunch, you will wait for a familiar adult to take you to play in the outside area.

Tobias is enjoying his meal. “I love fish and chips. It is my favourite,” he says.

What is your favourite food?

What happens if I need the toilet?

The toilet is next to your classroom. Everything is just the right size for you as well. If you are doing an activity by yourself or with your friends, you can just go. If you are working with a teacher, it is polite to let them know that you need the toilet by putting your hand up.

You will go to the toilet by yourself, but if you need help, just let your teacher know.

Harry has been to the toilet and remembered to flush when he finished. Now he is washing his hands with soap and warm water.

He makes sure that he washes his hands carefully because this helps stop germs spreading.

“I am glad that I practised going to the toilet all by myself. I feel very grown-up,” Harry says to himself.

Can you go to the toilet by yourself?

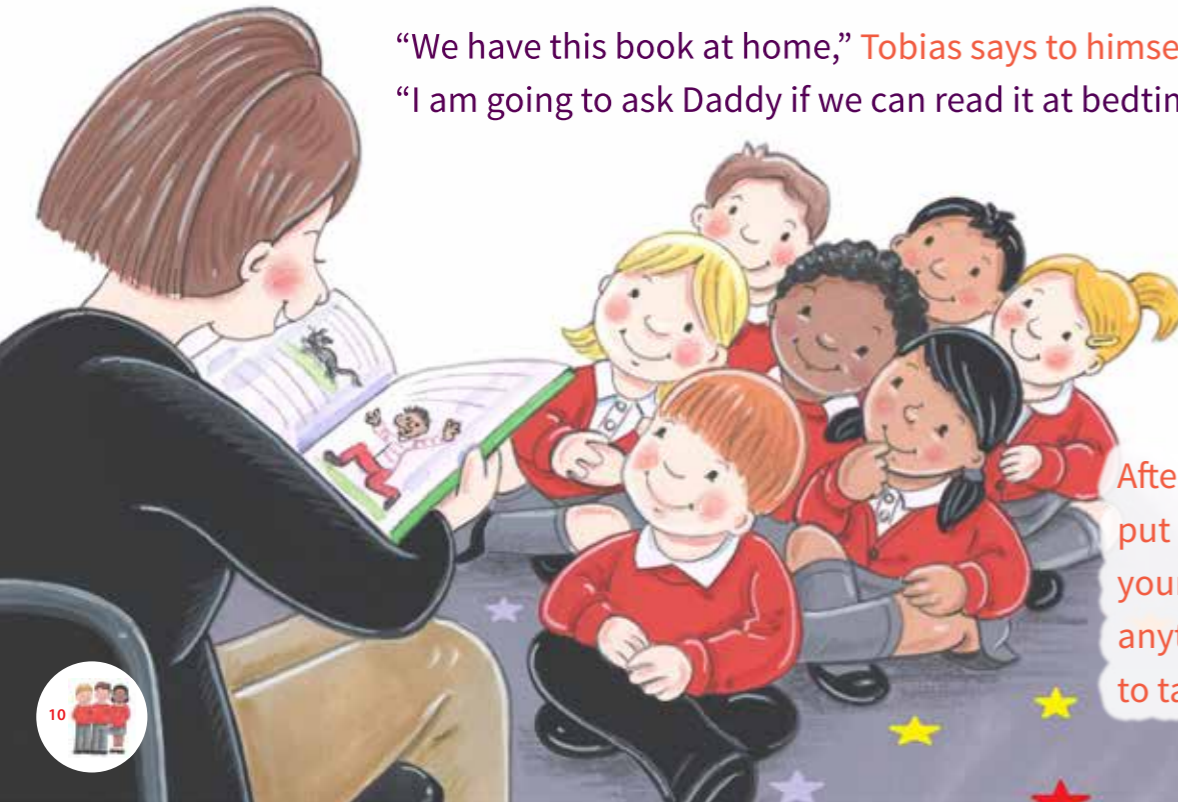

What happens at home time?

Before you get ready to go home, you will all sit on the floor and the teacher will read you a story.

Tobias and his friends are sitting quietly as the teacher reads.

“We have this book at home,” Tobias says to himself.

“I am going to ask Daddy if we can read it at bedtime.”

After the story, you will put on your coat, collect your book bag and get anything else you need to take home.

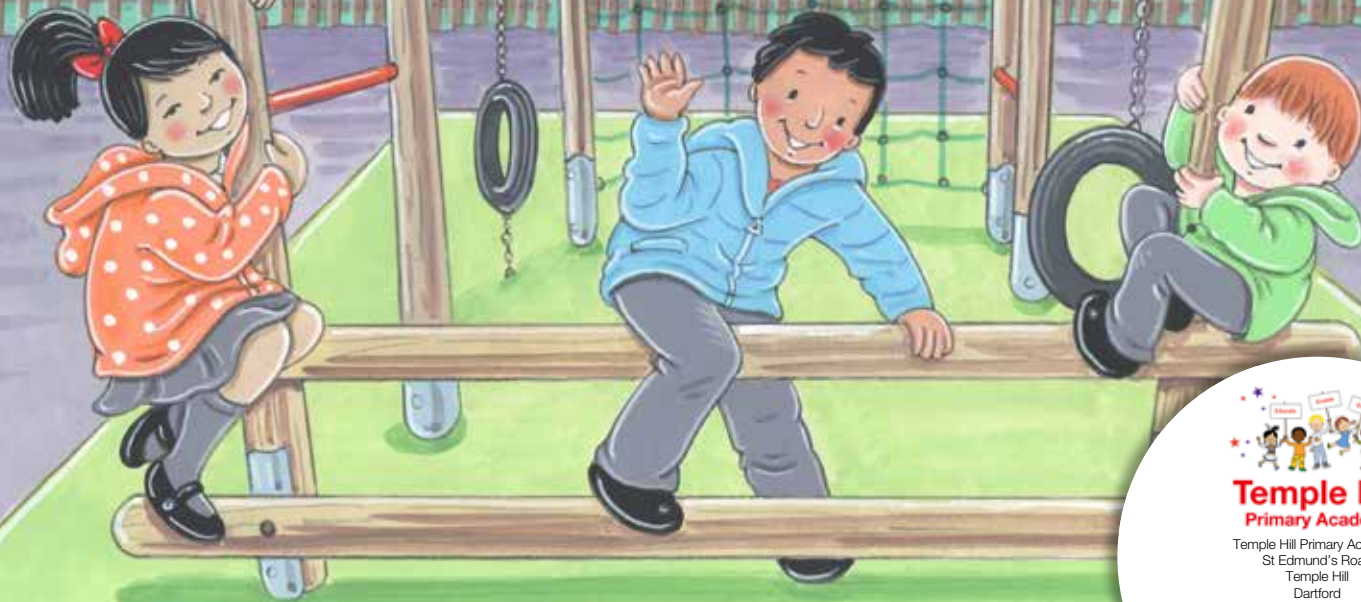

When it is time to go home, your teacher will take you outside. Your grown-ups will be waiting for you.

“Hello, Mummy,” says Alisha. “I have had a lovely day. I can’t wait to come back tomorrow!”

When are you coming to nursery or school?

Alisha, Harry and Tobias love coming to Temple Hill Primary Academy!
