Welcome to Madrid

Did you know...?

- *In 2015, Real Madrid was the highest earning football club in the world for the tenth consecutive year.*
- *Madrid enjoys more cloudless days than almost any other city in Europe - about 250 days per year. Be sure to take your sunscreen!*
- *Spain's answer to Disneyworld is the Warner Brothers Movie World in Madrid. It's open for six months in summer and has five themed areas: Old West Territory, Hollywood Boulevard, DC Super Heroes, Cartoon Village and Warner Bros. Studios.*
- *Madrid has been the capital of Spain since the 17th century. The name Madrid comes from the Arabic 'magerit' which means 'place of many streams'.*

Congratulations
