

East Acton Primary School

Welcome to East Acton Primary School

“We help every child achieve their highest potential”

A thriving school with high expectations

East Acton Primary is a thriving and vibrant one form entry school with a team of passionate and dedicated staff who are committed to inspiring, challenging and supporting each child to achieve their highest potential.

Our school is welcoming, nurturing and supportive and this can be felt as soon as you arrive. There is a strong community feel and special charm about East Acton Primary and that makes us unique. Our core values of being happy and healthy, aiming high, achieving, being a lifelong learner and positive citizen sit at the heart of all that we do.

We are fiercely ambitious for all our pupils and each child is equipped with the knowledge, skills and experiences to be confident and successful in and out of school. Our curriculum is stretching and

enriching and our pupils make huge progress from their starting points. Our wide and varied learning opportunities and experiences foster critical thinking, creativity and personal growth not only in academic subjects but also in Music, Art and Sports.

We have ample facilities including beautiful outdoor spaces and edible gardens where our children learn and play daily. Our classrooms are well equipped with modern resources that foster a love of learning. I encourage you to come and visit our school and see for yourself what makes us such an amazing school!

High aspirations and improved outcomes

Our staff are committed to improving outcomes for all children, to widening their opportunities and extending their aspirations. Expectations of behaviour,

attainment and progress are high - and children rise to these expectations with support from our community of parents.

Get in touch

We are very proud of our school and welcome the opportunity to show prospective parents and visitors around. To make an appointment to visit, or to simply ask us a question, please email the school office on: admin@eastacton.ealing.sch.uk or telephone on 020 8762 0540

“GROWING TOGETHER”

We offer your child:

Facilities

We have good facilities both inside and outside the school. Our outside areas include a grassed area, as well as three separate playgrounds and fixed playground equipment. Internally we have a modern hall, a library and several small group rooms. Each classroom is equipped with an interactive whiteboard and a laptop for every pupil. We have a leafy outdoor classroom and beds for pupils to grow fruit and vegetables all year round.

Music

There are weekly music lessons. All pupils learn to play the violin in year 4. We also offer 1:1 lessons for piano for KS1 & 2. We have weekly singing assemblies and there is also a school choir.

Trips

Trips and visits are an important aspect of learning and something children always remember. Previous trips have included:

- Hampton Court Palace
- Matilda the Musical in the West End
- The British & Science Museum
- Kew Gardens
- Odds Farm

Additionally, we arrange visits to the school by theatre groups, professional singers, artists, authors and musicians. In Year 6 the children have the opportunity to go on week-long residential trip.

Wraparound provision

Wraparound Clubs

Breakfast Club runs from 8.00am. The club includes a healthy breakfast and a chance to play physical games and activities or draw or read before being taken to class at 8:45 when lessons begin.

After School Club

Aktiva provides after school care daily from 3:15pm-5:30pm which can be booked by going on their website <https://www.aktivacamps.com/>

Sport and clubs

Clubs

There are a wide variety of lunchtime and afterschool clubs for children to enjoy. Most recently these include:

- Football
- Tennis
- Cookery
- French
- Gymnastics
- Ballet and Performing Arts

Children participate in archery, tri-golf and boccia as part of the Featherstone partnership. All children take part in swimming in year 4.

Enquire at the school office for the most up to date list of clubs.

Sport

We want all of our pupils to be happy and healthy and enjoy physical activity. We believe that PE and sport enhances academic learning, and leads to healthier, happier and more productive lives. We have a PE coach who works with the children both during lessons, at lunch time, during after school clubs and during external sporting trips and tournaments.
