

Welcome to

FARRINGTON ACADEMY
MAIN RECEPTION

**George, Olivia and
Theo are excited to
be starting nursery at
Farrington Academy**

What happens when I get to nursery?

Your grown-ups will say goodbye to you at the door to nursery, where your teacher will be waiting to meet you.

Theo, Olivia and George are walking into nursery.

"Hello, children," says the teacher. "We are going to have lots of fun today."

You will go into the cloakroom, where you will sit under the peg with your photo and name on it and wait for the other children to arrive.

"Well done on finding your pegs so quickly," the teacher says to Olivia, George and Theo.

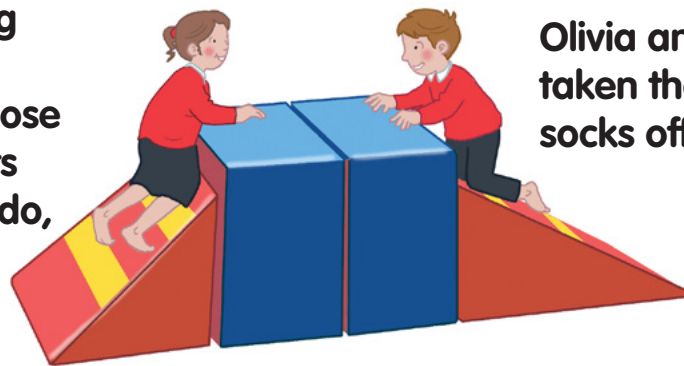

Then you will hang your coat and bag on your peg and line up with your friends to walk into nursery. You will put your water bottle in a tray in the nursery.

Are you looking forward to coming to nursery?

What will I do in nursery?

You will start the day sitting in your key group with a teacher. Then you can choose a fun activity. There are lots of exciting things you can do, indoors and outdoors!

Olivia and George have taken their shoes and socks off to do soft play.

Theo is playing in the Home Corner. **"Would anyone like to try my delicious soup?"** asks Theo.

Olivia is painting a sunny day picture. **"I love the sunshine,"** she says.

Outside, Olivia, Theo and George have fun playing on the climbing frame.

Olivia, George and Theo are indoors, playing with Play-Doh.

"I'm going to use the star cutter to make lots of stars because that's my favourite shape," says Theo.

George and Olivia are playing in the sand.

"I think we need lots of sand towers in our castle," says George.

What do you like to play with your friends?

What happens if I am hungry or thirsty?

After you have had fun playing, you will have a break to have a snack. You will sit down in a circle with your friends to eat some fruit and have milk or water to drink.

"Are crunchy green apples your favourite too?"
George asks his friend Ella.

The lunch trolley will come in at lunchtime.

"Look, lunch is here! Nursery lunches are delicious," says Theo.

If you find it difficult to cut up your food, an adult will be there to help you.

What is your favourite food?

What if I need the toilet?

Our boys' and girls' toilets are close to nursery and easy to find. You can go whenever you need, but you should let a teacher know before you go.

George has used the toilet and remembered to flush after he finished. Now he is washing his hands.

"I've practised going to the toilet by myself, and now I'm good at it," he says.

Can you go to the toilet by yourself?

When nursery is ended for the day, you
will go home with your grown-ups.
