

Lucie, Miles and Lydia are coming to Fatfield Academy

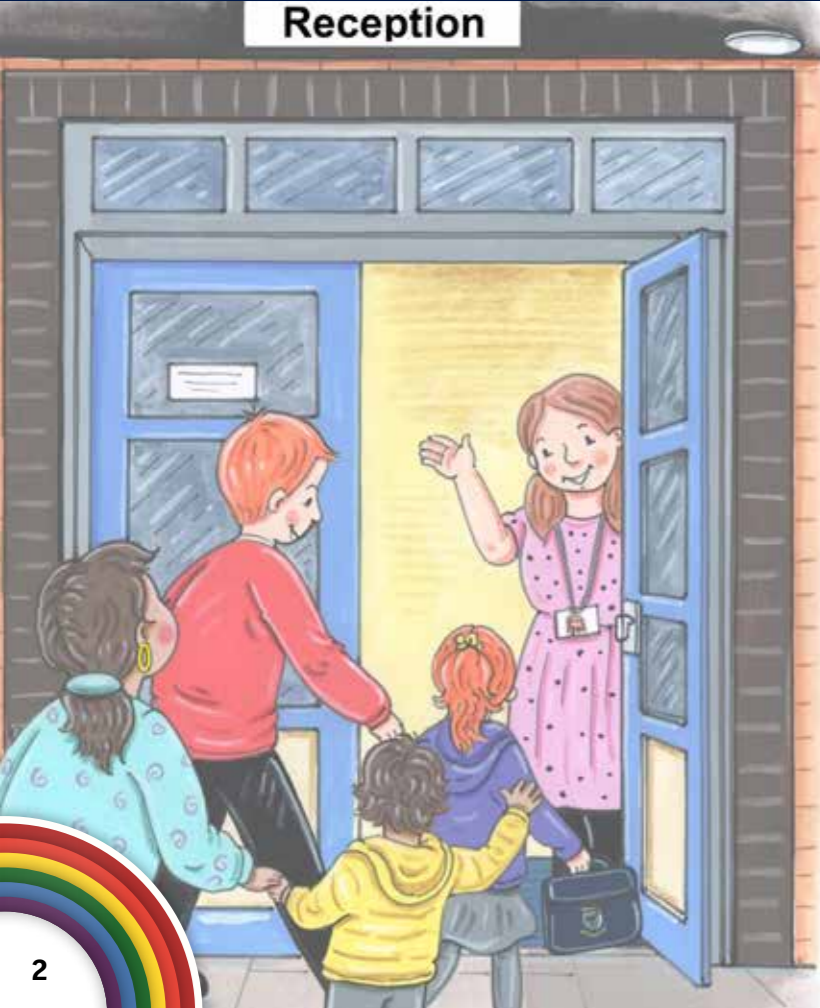

Main Entrance

What happens when I get to school?

Reception

Your grown-ups will say goodbye to you at the door, where your teacher will be waiting to greet you.

"Hello, Lucie and Miles. I'm so pleased to meet you. We have lots of fun things to do today," says the teacher.

Then you will go to the cloakroom to hang your coat and bag on the peg with your name on it.

"Here is my peg," says Miles. "I can see my name."

If you have brought a lunch box, you will also put that under your peg.

Lucie is putting her water bottle on the trolley.

Are you looking forward to coming to school?

What will I do in school?

First, the teacher takes the register. Then you will have Key Group time when we talk about our topic and use our floor book. Today the topic is feelings.

"What makes you feel happy?"
the teacher asks the children.

Now Lydia is practising her handwriting. Miles is in the Home Corner and playing with his friend, Sophie. He is putting the babies to bed.

"I want to be a pop star when I grow up," says Lucie as she strums on the guitar.

Sometimes we go to the beach for Coastal School, where we play, and read stories. Every week we will visit our Forest School to learn about nature and the seasons.

"I'm going to use lots of glue to stick this autumn leaf on my picture,"
Lydia tells Miles.

What are you looking forward to doing in school?

What happens if I am hungry or thirsty?

You can have fruit and milk from our snack table whenever you feel hungry or thirsty. You can use your water bottle whenever you are thirsty.

At lunchtime, you will wash your hands, and then the teachers will take you to the hall for lunch.

You can ask them if you need any help. When you have collected your meal, you will sit with your friends to eat.

"It's good to eat lots of healthy vegetables," says Lydia.

After lunch, you will brush your teeth.

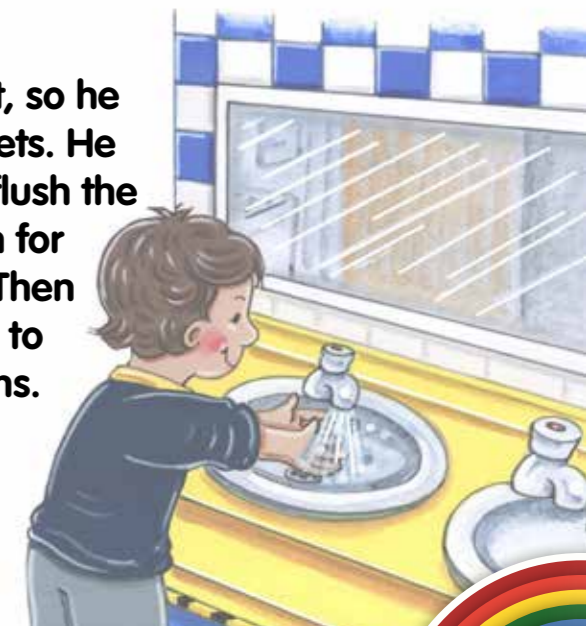

What happens if I need the toilet?

The toilets are in our classroom, so they are easy to find. The girls' toilets have red tiles, and the boys' toilets have blue tiles. You can go to the toilet whenever you need to.

Miles needs the toilet, so he goes to the boys' toilets. He has remembered to flush the toilet to leave it clean for the next boy to use. Then he washes his hands to get rid of all the germs.

"I'm glad I've practised going to the toilet by myself at home," he says.

What is your favourite food?

Have you practised going to the toilet by yourself?

When it is home time, you will go home with your grown-ups.

Fatfield Academy
Southcroft, Washington, Sunderland, NE38 8RB
