BEST PRIMARY SCHOOL EAST OF ENGLAND:  
2013 PUPIL PREMIUM AWARDS

## Wonderful learning experiences

It gives me great pleasure to introduce you and your child to Kingsway Infant School... where so many wonderful learning opportunities and experiences are just waiting for them.

## Best School in the East of England

Kingsway Infant School accepts children aged 4-7 years and is currently judged as Good by Ofsted in 2012 and were recognised as 'Best School in the East of England' in the Pupil Premium Awards in June 2013.

**Don't just take our word for it... read on to see what our parents and pupils say about us...**

Paula and Joseph Appiah live in Watford with their children Renaye, seven, and Cameron, five.

“...the teachers are brilliant. They are flexible and accommodating and the children like and respect them a great deal. For me, it's good to know that I can **trust Kingsway Infant School to look after my children's welfare** as well as their education.”

“Lynsey says: “They bring in local business and other agencies to demonstrate something different, whether it's science, farming, music or something to do with another culture, the children are able to see and learn about things they might not have the chance to do anywhere else. It's all great fun but an effective teaching method, too. **How many children get to see a group of African drummers in their school - fantastic!**”

Lynsey and Michael O'Dell live on the Kingsway estate with their daughters Thaya, six and Isla, three.

Melanie and Stephen Rimell live in Watford with their daughters Jessie, seven and Cassie, four. Melanie is expecting another baby shortly.

“Melanie says: “The children are encouraged to look after each other, to be polite and well-mannered and to take responsibility for themselves and others, and because all the year groups mix in the same playground **it's like one big, happy family**. The teachers and the Headteacher will always make themselves available if I need to talk to them about anything.”
