

Seb, Zane and Isabelle are coming  
to Chantlers Primary School

CHANTLERS  
PRIMARY SCHOOL

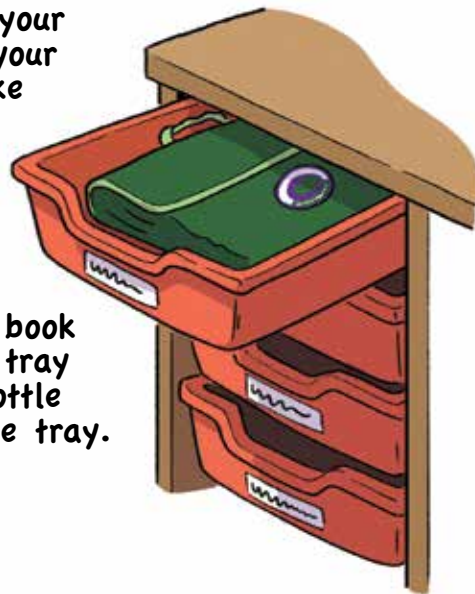

## What happens when I get to Pre-School or Reception?

Your teacher will be at the door to meet you when you come into school. You will say "goodbye" to your grown-ups at the door, but they can come with you into the classroom if you are feeling a bit nervous when you start.

You will hang up your coat and bag on your own coat hook, like Seb is doing. Seb has brought in his school wellies which stay at school.

You will put your book bag in your work tray and your water bottle in the water bottle tray.

In Reception, you will be in 'Sparklers' or 'Dazzlers' group. Each group has its own carpet and you will sit on there when you come into your classroom, just like Isabelle and Zane are doing.

Your teacher will check who is in that day and make sure everyone has chosen their lunch.

If you are in Pre-School, you will all sit together on one carpet and wait for the fun to start.

## Are you excited about starting school?

# What will I do in Pre-School or Reception?

malleable area

Sometimes you will do activities with your teacher, sometimes with your friends and sometimes by yourself.

You will learn and make friends as you play. Your teacher will set you fun challenges every day.

Isabelle is drawing and uses lots of colours.

"I love yellow," she says.

## What games do you like playing with your friends?

## What happens if I am hungry or thirsty?

You will have a healthy snack during snack time and sit on the mat or at the table to eat it. You can have a drink of milk or water.

Pre-School children who are in school at lunchtime will bring in a lunch box and eat with their friends in their classroom.

If you are in Reception, you will go to the Hall and have your lunch before the older children. Your teachers will take you to the Hall and there will be kind adults there who will look after you when you have your lunch.

Zane is enjoying his meal.

"I love fish and chips. This is my favourite," he says. Everyone is kind and helpful to each other and uses their cutlery nicely.

After lunch, you can play in the Key Stage 1 playground.

## What happens if I need the toilet?

The toilets are in a room in your classroom, so they are easy to get to. Everything is just the right size for you as well.

If you are doing an activity by yourself or with your friends, you can just go. If you are working with a teacher, it is polite to let them know that you need the toilet by putting your hand up.

You will go to the toilet by yourself, but if you need help, just let your teacher know.

"I am glad that I practised going to the toilet all by myself. I feel very grown-up," says Seb to himself.

He has remembered to flush, and he is washing his hands with soap and water.

At the end of the day, your grown-ups will come and collect you and you can tell them about all the fun you have had at school.

Zane, Seb and Isabelle are enjoying learning and making friends at Chantlers Primary School and they think you will too!
