

Thomas, Joshua and Li are going
to Malton Primary Academy

What happens when I get to school?

When you get to school your grown-up will take you to the main door where your teacher will be waiting to greet you.

"I can't wait to meet my new teacher and classmates," says Joshua. **"Goodbye, Mum!"** he says.

Thomas, Joshua and Li are excited about starting school.

You will hang up your coat on your own special coat peg and then change into your indoor shoes.

"I can see my name," says Li, as she hangs up her coat.

Thomas is putting on his indoor shoes.

When you have changed your shoes, you will put your book bag and water bottle away in the classroom.

Then you will sit on the carpet and listen to the teacher while they check who is in school and talk about all the exciting things you will do that day.

Are you looking forward to coming to school?

What do I do at school?

You will have lots of fun learning in school. Sometimes you will do activities with your teacher like handwriting and phonics, and sometimes you will choose what you would like to do.

There are lots of different areas for you to use and you will do activities indoors and outdoors.

Li is reading a story to her doll about a friendly dragon.

Thomas, Joshua and Li are playing with the building blocks.

"Let's build a castle," says Joshua.

Thomas is using the orange paint.

"It's lots of fun painting on a nice big piece of paper," he says.

"I am going to take it home to show my daddy."

Li and Joshua are building a farm together.

"This is where the piggies are going to live," Joshua says.

"Shall I make a pond so they can splash around in it?" asks Li.

They are enjoying making friends as they play together.

What are you looking forward to doing at school?

What if I am hungry or thirsty?

At lunchtime you will have your lunch in the hall. There are lots of friendly adults who will look after you while you eat.

Thomas has just collected his school meal and is going to sit with the rest of his friends.

"What did you get for lunch?" Joshua asks Thomas. "I have a cottage pie and lots of yummy vegetables," says Thomas.

We all practise good table manners and use knives and forks at school.

What if I need the toilet?

If you need the toilet, you should let your teacher know and then you can go by yourself. Let your teacher know if you ever need help.

Li has used the toilet and remembered to flush. She washes her hands carefully with soap and water and dries them before going back to the classroom.

"I am glad I practised going by myself before I came to school," she says. "I can do it all by myself!"

When school has finished
for the day, you will go
home with your grown-up.
