excited to be starting at
South Avenue Primary School**

What happens when I get to school?

When you get to school, your grown-ups will bring you to the classroom door, where your teacher will be waiting to meet you. Your teacher will welcome you into school as you say goodbye to your grown-ups.

“Hello, Ellie,” says her teacher. “I am so pleased to see you. We have a lot of fun things for you to do today.”

You will hang up your coat on the coat peg that has your name and a picture on. Then you will put your book bag and water bottle away.

Luka has found his coat peg and is hanging up his coat.

Kendra is putting her book bag in the red box.

Ellie, Kendra and Luka have all put their coats and belongings away and now they are ready to start their day in school.

Are you excited about coming to school?

What will I do in school?

Your teacher will be working with you and helping you learn phonics, maths and much more. You can also choose from the many fun activities we have for you.

Ellie, Luka and their new friend Jacob are drawing a lovely picture together.

"That's a pretty flower," says Jacob.

Kendra is enjoying a picture book in our cosy book corner.

Kendra and Luka are playing in the sand tray.

"Let's build a castle and decorate it with pebbles," says Kendra.

"That looks fun. Can we join in?" Luka asks Ellie and Kendra as they play outside.

The children think it is great fun learning new things and making new friends.

What are you looking forward to doing at school?

What happens if I am hungry or thirsty?

During the morning, you will have a snack of fresh fruit to eat, and water or milk to drink. Fruit tastes good and it helps you to grow and be healthy.

Ellie, Luka and Kendra are chatting as they enjoy their morning snack.

"This fruit looks really good," says Kendra. "I think I will try a juicy green apple today."

At lunchtime, you will all go to the hall, where friendly adults will help you get your food.

Ellie and Luka are getting their delicious school lunch. Children having a packed lunch or a school meal will sit with their friends to enjoy their food.

"Thank you," says Ellie to the adult serving food. "I like lots of vegetables. My dad says they are good for me and they taste great too!"

What is your favourite food?

What happens if I need the toilet?

You can go to the toilet when you need to, but you must first let your teacher know. If you need any help, just tell them.

Luka and Ellie are drawing with their teacher's help. Luka needs to go to the toilet so he lets his teacher know.

"Please may I go to the toilet?" asks Luka.

"Yes, of course," says his teacher. "We will see you back here afterwards."

Luka goes to the toilet. When he has finished, he makes sure he flushes to leave the toilet nice and clean for the next child who will use it.

He washes his hands with warm water and soap. Luka loves the bubbles that help him get his hands really clean. Then he dries them and goes back to his class.

Luka feels so grown-up going to the toilet on his own. He is glad he practised lots at home before starting school.

Can you use the toilet by yourself?

What happens at the end of the school day?

When school is finished for the day, you will sit together with your class on the carpet to sing a song or listen to a story. You will also talk about the fun things you have been doing and learning during the day.

Kendra and her friends are listening to an exciting story about children who live on a farm.

“What animals live on a farm?” asks their teacher.

“Cows and sheep and lambs,” says Luka.

“They have sheep dogs too,” says Ellie.

When it is time to go home, you put on your coat and collect your belongings.

The teacher has seen Kendra's mum and lets her go to her.

“Kendra has worked hard today,” the teacher tells her mum.

“I did, Mum,” says Kendra, “and I had lots of fun with all my new friends.”
