

Ayesha, Lucy, Jamal and Harry
are excited to be starting at
Mangotsfield C of E Primary School

What is Mangotsfield like?

Mangotsfield is a kind and caring Christian school where we welcome everyone into our school family.

BRAVE

We have close links with our family church of St James, and Reverend Theresa will visit us in school.

You will enjoy celebrating different religious festivals throughout the year.

We all follow our school values. We are always BRAVE, which stands for:
Belonging **R**esilience **A**spiration **V**irtue **E**mpathy

What happens when I get to school?

Your grown-up will bring you into the playground, where your teacher will be waiting at the door to welcome you to school.

You will hang your coat on your coat peg and put your book bag in a box. Your lunchbox goes next to the wall and your water bottle goes on the trolley.

When you have put your belongings away, you will then wash your hands.

You will find your photo and hang it on the special board. It will then be time to sit on the carpet ready for the teacher to check who is at school. You will start every day with a prayer.

Are you looking forward to joining our school family?

What will I do in school?

You will have so much fun playing and learning in school. There are lots of fun activities for you to do inside and outside, and you will be able to choose what you would like to do.

Sometimes you will do activities with your teacher and the whole class, other times you will play in groups with your friends and sometimes by yourself.

Literacy

Reading

Jamal is having some quiet reading time. He is reading his favourite book about dinosaurs.

"I love the reading area," he says.

The teacher is so happy to see Jamal practising his reading.

Role Play Area

Writing Area

Ayesha, Harry and Jamal are playing together in the sandpit. They are working together to build something.

"Let's build a big sandcastle," says Harry.

"Let's get digging," says Jamal.

Bikes and scooters

Phonics

Construction Areas

"This is so much fun," says Ayesha.

Maths Area

What do you like doing with your friends?

What if I need the toilet or I am hungry during the day?

You can go to the toilet whenever you need to. Just remember to flush and wash your hands when you have finished.

It's a good idea to practise going by yourself before you start school.

Our
Snack
Bar

• Pick
• Cut
• Enjoy

If you are hungry, you can help yourself to a healthy fruit snack from the snack table.

You can have a drink from your water bottle whenever you are thirsty. Harry is using a safe knife to cut up his orange.

"I feel so grown up cutting up my own fruit," he says.

At lunchtime, you will go to the Studio for your meal. There will be lots of kind adults there to help you.

You will use an iPad to show that you are collecting your food.

Jake, Jamal and Lucy are collecting their meal.

Ayesha and Harry are at the table.

The children have all been practising using knives and forks.

"My pizza looks delicious. I can't wait to tuck in!"

Ayesha says.

After lunch, you will go outside to play with your friends.

What is your favourite meal?

At the end of your wonderful day
at school, you will say goodbye
to your teacher and new friends
and go home with your grown-up.

The children love coming
to Mangotsfield C of E
Primary School and they
think you will too!
