

# Aryan, Bruno and Seo-ah are coming to Repton Abu Dhabi Junior School!

REPTON  
ABU DHABI

Rocky the rhino can't  
wait to meet you. See  
if you can find him  
hiding in this book.

# What happens when I come to junior school?

Your teacher will be waiting to meet you at the classroom door.

Aryan is new to Repton.

"Hello, Aryan," says the teacher.

"Your locker is just behind you."

Some of you will be coming to Repton School for the first time, like Aryan. We are all very kind and friendly here and you will soon make friends with the other children.

We may already know some of you because you have visited us from Rose Campus.

Some of you will come on school transport and some of you will come in with your grown-ups.

Aryan, Seo-ah and Bruno have gone into the classroom and are doing some handwriting and spelling practice until everyone has arrived and lessons start.

"Do you know how to play this game?" Aryan asks.

"Yes. I can help," says Seo-ah, and she shows him what to do.

Aryan thinks that the other children are very kind and he is enjoying making friends.

Are you excited about coming to junior school?

# What will I do at Repton Junior?

Sometimes you will do activities with your teacher and your class or in small groups. Sometimes you will do activities with your friends or by yourself.

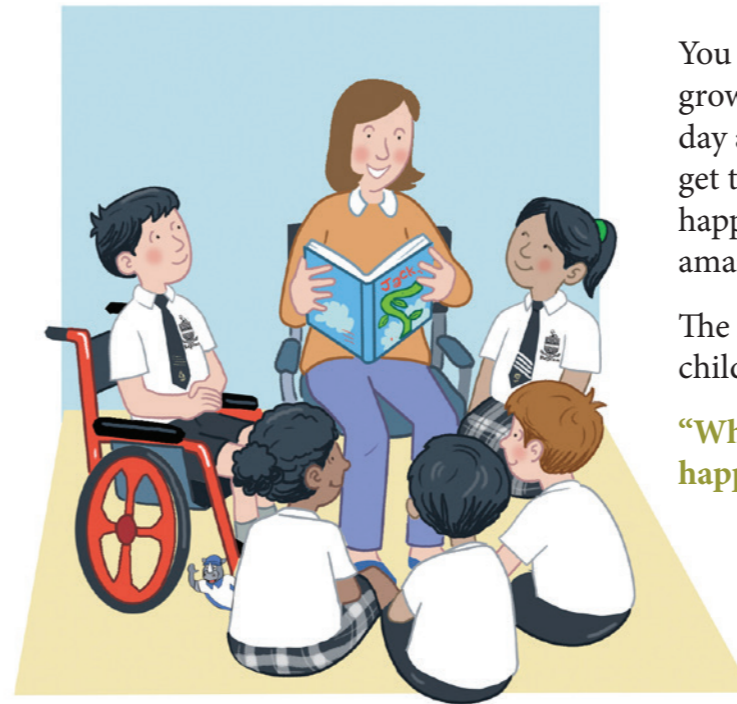

We have lots of indoor and outdoor activities. When you go outdoors, your teacher will make sure you are wearing a hat.

The teacher is doing some number work with the children and teaching them the Arabic words for each number.

**“Do you know what number this is?”** the teacher asks, as she holds up a card.

**“It is a 7,”** says Bruno.

**“The Arabic word for seven is سَبْعَة,”** the teacher says.

You will have amazing music lessons and super art lessons. The teachers here always make the learning fun and engaging.

You will read with your grown-ups at home every day and we love it when we get to read together, which happens in class and in our amazing library.

The librarian is reading to the children today.

**“What do you think happens next?”** she asks.

What are you looking forward to doing with your new friends?

## What happens when I am hungry or thirsty?

In the morning, you will eat a healthy snack you have brought from home.

At lunchtime, you will have a school meal that your grown-ups have chosen or a packed lunch from home.

Some children have allergies, so we do not allow any food containing nuts in school or let anyone share their food.

Everyone eats in the classroom together.

**“I love peanut butter sandwiches,”** says Aryan.  
**“But I know I can’t have them at school.”**

**“Yes, because I have a nut allergy,”** says Bruno.

Teachers will be there to look after you and help while you are eating. Then you get to go outside to play.

## What happens when I need to go to the toilet?

The toilets are outside the classroom, so you need to allow time to get there.

Remember to ask your teacher when you need to go.

Aryan is going to the toilet.

**“Everything is just the right size for me!”** he says.

After Aryan has finished and flushed, he washes his hands with soap and water and dries them. This helps prevent germs spreading.

# Seo-ah, Aryan and Bruno love coming to Repton Abu Dhabi Junior School and they think you will too!

The children are having lots of fun in the swimming pool.
