

JACK AND EDDY ARE MAKING EXCELLENT PROGRESS ENCOURAGED BY THE KIND STAFF AT BUTTON LANE PRIMARY SCHOOL

Carla and Paul live in Northern Moor with their sons, Alfie, aged 14, Jack, aged six, and Eddy, aged three.

HAPPY ENVIRONMENT

Carla and Paul are thrilled with the way their youngest sons, Jack, and Eddy, are thriving in the warm and welcoming atmosphere of Button Lane Primary School. Carla says: "Jack is being encouraged to fulfil his academic potential and is doing well with Maths, reading and writing, and Eddy is enjoying the nursery and feeling part of the school in his new uniform."

GOOD FEELING

Although Carla and Paul had both attended Button Lane themselves, they considered other schools when Jack was about to start at primary school. "In the end, we chose Button Lane because it is close to where we live. We had heard good things about it and the school had received a good Ofsted report. After we attended an open day, we were impressed by the atmosphere and warm welcome from the staff," Carla says.

SUPPORTIVE GOVERNOR

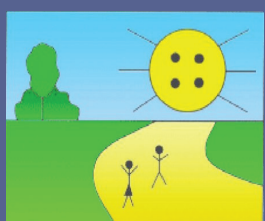

Carla has now become a school Governor and is keen to help Button Lane improve further. "I have been impressed with what they are providing for my children and I want other parents to know how welcoming the school is. You can be confident the staff will help your children reach their full potential and encourage them to achieve their very best."

CHILDREN SAY

Jack says:

"I have so many friends at school and it's good playing football with them at playtime. I also love PE lessons."

Eddy says: "I love my big school and taking a packed lunch because I'm a big boy. I love playing football outside and scoring lots of goals."
