

# COOKRIDGE HOLY TRINITY

**Sara, Harry and Neelam are coming to  
Cookridge Holy Trinity Church of England  
(VA) Primary School**

# What happens when I get to school?

You will come into school with your grown-up and line up in the playground before walking up the ramp into the cloakroom.

You will hang your coat on a peg with your name and your photo on it, like Sara has done. Then you will put your book bag and water bottle in a tray. Let your teacher know whenever you are thirsty and need a drink from your water bottle.

When the school day starts, you will sit on the carpet with your new friends.

**"Hello, children,"** says the teacher. **"I am going to check who is in school today and then I will tell you about the fun you are going to have."**

You will also choose what lunch you are having. You will get a red, green, blue or yellow band at lunchtime to show what you have chosen. You can also bring a packed lunch from home.

## When do you start school?

# What will I do in school?

Harry and Neelam are playing in the small world area together.

**"It's fun building this castle,"** says Neelam.

**"I think we can make it much bigger too!"** says Harry.

You will have lots of fun learning as you play with the other children in your class. You will soon learn everyone's names and make friends with other children who like doing the same things as you.

Sometimes the teacher will lead the activities, but most of the time you will choose what you would like to do.

Sara is reading a book.

**"I really enjoy looking at books,"** says Sara. **"There are so many to choose from in school."**

You will play in the classroom and outside. You can play outside in the playground after lunch.

Harry is having fun playing with the sand tray.

**"I'm making a sandcastle,"** says Harry.

Neelam and Sara are outside playing with the water tray.

**"Playing together is so much fun,"** says Neelam. **"I'm giving the elephant a bath,"** she says.

**"I'll fill this bottle and help you,"** says Sara.

## What are you looking forward to doing at school?

## What if I am hungry or thirsty?

In the morning, you will have a fruit snack and a drink of milk on the carpet in your classroom.

At lunchtime, you will say a prayer and then go to the hall for your meal.

You will collect your lunch and then sit with your friends.

Practise using a knife and fork before you come to school, but there will be lots of adults to ask if you need help.

**"My food is so tasty,"**  
says Sara.

## What if I need the toilet?

You can go to the toilet by yourself when you need to, but remember to ask if you are doing work with your teacher. If you need help, tell your teacher.

The doors to the toilets are in the cloakroom, and everything will be just the right size for you.

Harry has used the toilet and flushed and now he is washing his hands with warm water and soap. He will dry his hands before he goes back to the classroom.

**"I am glad I practised going to the toilet before I started school so I can go all by myself,"** he says.
