

Grace has three boys and their experience of St Mary's cannot be measured as it's how they feel about their school that counts

Grace has three boys, Prince has moved on to secondary school, Frank is in Year 4 and Emmanuel is in Year 3.

Support from the start

"Prince is my eldest son and he has finished at St Mary's and has moved to Riverside School. He's autistic and has been supported by St Mary's from his first day all the way through to Year 6. I'm very happy with St Mary's and how they provided support for Prince through his schooling. He's had the support of the teachers and his classmates. The class team were always helpful, he felt very cared for," said Grace.

Open and easy communication

"Emmanuel and Frank are doing very well. St Mary's has been part of our life now for so long. I've loved going to the coffee mornings when I have time and I have lots of lovely memories. From my experience I think St Mary's is amazing. The teachers are friendly and welcoming. If ever there is something bothering me or I don't understand something, I just

go straight to them, they are open and easy to communicate with," said Grace.

Go and visit

"To anyone thinking of sending their child to St Mary's I would suggest they go and visit, take their child into the school and go and experience it. I've been with the school for seven years now and I've never regretted it. When Prince left, we wrote a letter to the Headteacher thanking them for everything," said Grace.

Children say:

Prince says: "St Mary's was good for me."

Frank says: "I like playing on the playground."

Emmanuel says: "I love playing my recorder."

St Mary's is split over 2 sites a few minutes walk from each other. You can contact the school in the following ways:

St. Mary's CE Primary School
Rectory Gardens (Years 3-6)
Hornsey, London N8 7QN
