Life in all its fullness

When you come to school, your grown-ups will bring you to the classroom door and say goodbye.

"Bye, Mum," Isabella says.

You will go through to the cloakroom and hang up your coat and belongings.

"I'm glad I practised taking my coat off and putting it on before I came to school," Ava says. She can do it all by herself now.

Then you will choose an activity laid out on the tables, such as colouring.

What will I do in school?

Sometimes you will do activities with your teacher, but most of the time you can choose what you do. You will learn and make friends as you play.

Ava is in the reading area and telling the teddies a story.

Isabella and Oliver are outside on the climbing frame.

"I can balance on this pole," says Oliver.

"Well done," Isabella says.

What if I am hungry or thirsty?

During the day, you will have a healthy snack and milk. You can have a drink from your water bottle whenever you are thirsty.

At lunchtime, you will have your meal before everyone else. Kind lunchtime staff will help you.

The children are sitting together to eat.

"Can you pass me the water jug?" Isabella asks Oliver.

Everyone is polite and uses their cutlery nicely.

What if I need the toilet?

You can go when you need to, but let your teacher know if you are doing a class carpet activity. You will go by yourself, so your grown-ups will make sure you practise lots before you start school.

Oliver is washing his hands.

"I am using warm water and soap so I get my hands nice and clean," he says.

At the end of the school day, your teacher will go to the door. When they see your grown-ups outside, they will let you go home. If you go to an after-school club, an adult will collect you.

The children cannot wait to tell their grown-ups about the brilliant day they have had at school.
