**Meera, Lucy and Noah are coming to  
The Rosary Catholic Primary School**

## What is life like at The Rosary Catholic Primary School?

We are a school for everyone, whether you have a Christian faith, another faith or no faith.

When you come to our school, you and your family will become part of our school family.

We have a wonderful, kind and loving atmosphere where everyone looks after each other. We even have Playground Angels. These are older children who will look after you at lunchtime.

We follow the teachings of Jesus and will say prayers throughout the day.

We visit the parish church, and the priest will also visit our school to help us celebrate Mass and festivals such as Easter and Christmas.

## What happens when I get to school?

Your grown-ups will bring you to the classroom door and you will go into school. Your teacher will be waiting at the door to meet you.

You will hang up your coat and bag on your own coat peg, like Lucy is doing.

**"I can't wait to meet the other children and make friends,"** she says.

Then your teacher will show you your special spot on the mat and you will wait there until everyone arrives and the school day starts.

## What will I do in school?

You will do some activities with your teacher and sometimes you can choose what you do.

You will learn and make friends as you play.

Lucy and Meera are in the reading area. Fred the frog is helping them with a Read Write Inc. activity.

**"I think Fred likes this story,"**  
Meera says.

Meera and Noah are having fun at the playhouse.

**"Would you like to come and visit my house?"** Noah asks.

**"Yes, please,"**  
Meera says. **"Let's pretend we are making some food."**

What are you looking forward to doing with your friends?

## What if I am hungry or thirsty?

We will give you fruit and milk to have at morning snack time.

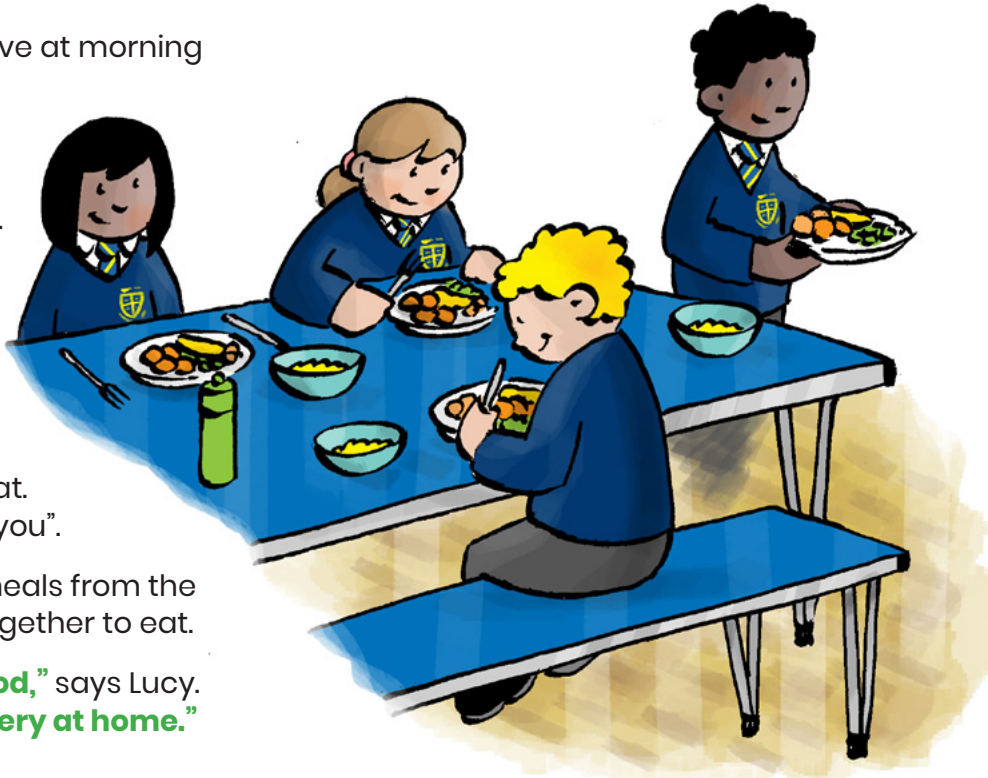

You will bring a water bottle to school with you every day and you can use it whenever you are thirsty.

At lunchtime, your teacher will take you to the hall for your tasty and healthy meal.

Lunchtime is a very happy time of the day. There will be lots of kind adults to look after you while you eat. Everyone says "please" and "thank you".

The children have collected their meals from the serving area and are now sitting together to eat.

**"I'm using my cutlery to eat my food,"** says Lucy.  
**"I'm glad I practised using my cutlery at home."**

## What happens when I need the toilet?

You will go to the toilet by yourself, and you can go whenever you want to. The toilets are close by as they are in a room in your classroom.

Noah has been to the toilet and flushed. Now he is washing his hands with soap and warm water so he doesn't spread germs.

**"I am glad that my parents made sure I practised going by myself lots before I came to school,"** he says. **"Now I don't need any help!"**

At home time, your grown-ups will collect you from the gate.

The children are very excited to tell them all about the brilliant day they have had at school.
