## Regis and Albion have been given a warm welcome by both the students and staff since starting at Grove Academy

Danjela lives in Slough with her children, Regis, aged 12, Albion, aged 7, and Erda, aged three.

### Helpful staff

Danjela is very happy with the academic progress her sons are making at Grove Academy and she is delighted with how well they have settled in at the school. She says: "I like the way we have been welcomed since my sons started at Grove Academy. The staff have been amazing and have helped us a lot since we came here."

### All-through school

When the family moved to Slough last year, Danjela searched on the internet for a good school for the children and was pleased to discover Grove Academy. She says: "I looked at all the information about the school online and thought that it sounded a good school. It was close to where we live and, because it is an All-through school, both my boys can go there. I am able to take them to the same place each morning to drop them off and pick them up again

from there in the afternoon." Danjela's daughter, Erda, goes to a nursery nearby.

### Children say

Regis says: "I love the teachers and how they help me to become a better and smarter individual."

Albion says: "I like to be in this school and to learn to become a good student and I wish my teachers the best."
