TAZEEM AND MUHAMMAD LIVE IN SOLIHULL WITH THEIR SONS, AMAN, AGED 16, AND HARIS, AGED 10.

Aman has learnt to lead others and organise events in the friendly surroundings of Lode Heath School

Good opportunities

Aman is grateful for the chance he was given at Lode Heath School to become confident about speaking in public and to develop his leadership skills. "I learnt a lot after joining the Student Council in Year 9, and have now progressed to making solo speeches. I have built up my skills by helping to interview new staff, making speeches to audiences, participating in conferences, and organising charity initiatives."

Further study

Now Aman has finished Year 11 and taken GCSEs in History, IT, PE, and German, as well as English Language and Literature, Maths, and Science, he is planning to go to college.

"I am going to do A levels in Business, IT and Sports, and after A Levels, I would like to go to University, or do a degree apprenticeship."

Enjoying learning

He looks back on five happy years at Lode Heath, where he says there is a friendly atmosphere and the students are treated well. "I have never had a boring moment at the school and I can look back on the lunchtime football games my year group would play and how it was highly competitive and fun, bringing the entire school year together. I would describe my time at Lode Heath as exciting, adventurous, entertaining, unifying, and hard-working."
