

Sophie, Dalip and Imani are coming to
Nursery at Wilkinson Primary School

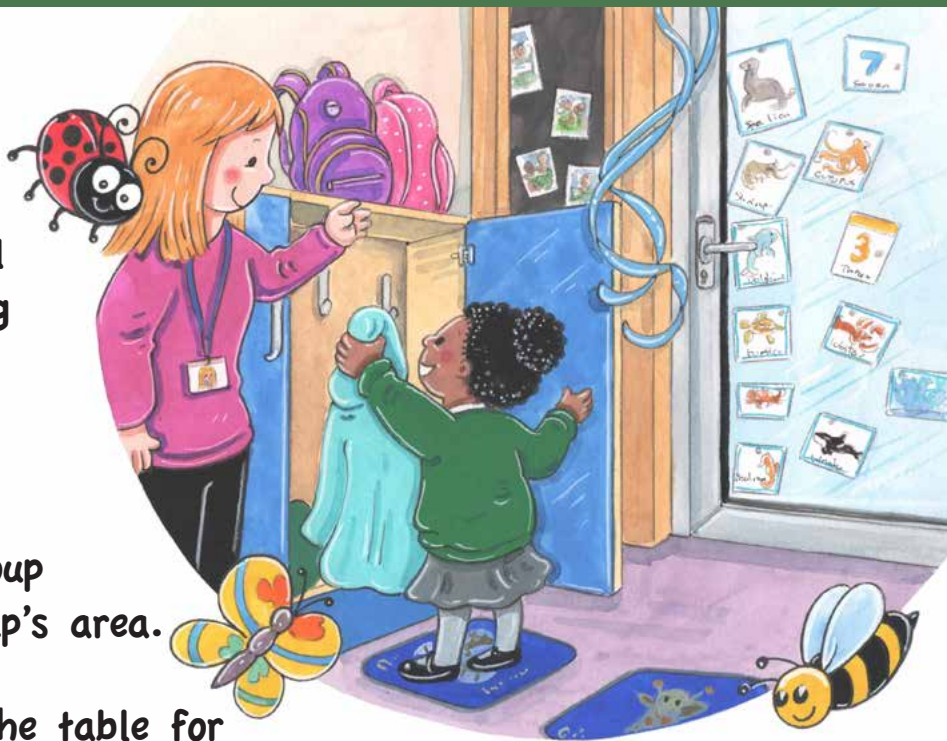

Wilkinson
Primary School

What happens when I get to Nursery?

When you arrive at Nursery, you will say goodbye to your grown-ups at the gate. You will then go into Nursery and hang up your coat and a bag with some spare clothes on your special coat peg.

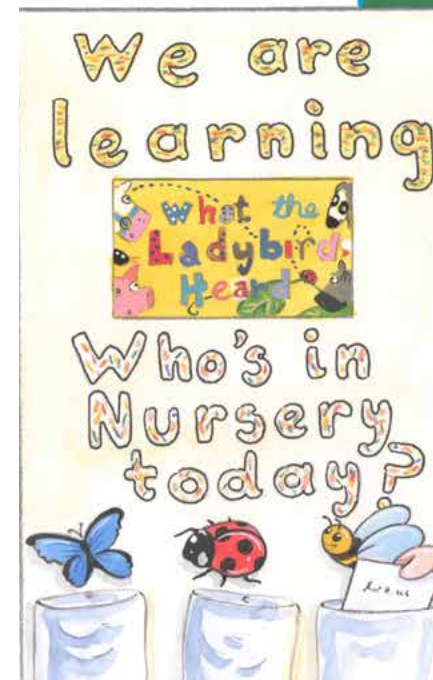

You will be in 'ladybird', , 'butterfly'  or 'bee'  group and you will go to your group's area.

You will find your name on the table for you to put on the wall. The kind grown-ups will help you find your name.

Imani has found her coat peg.

You will practise doing fine motor activities, such as a puzzle.

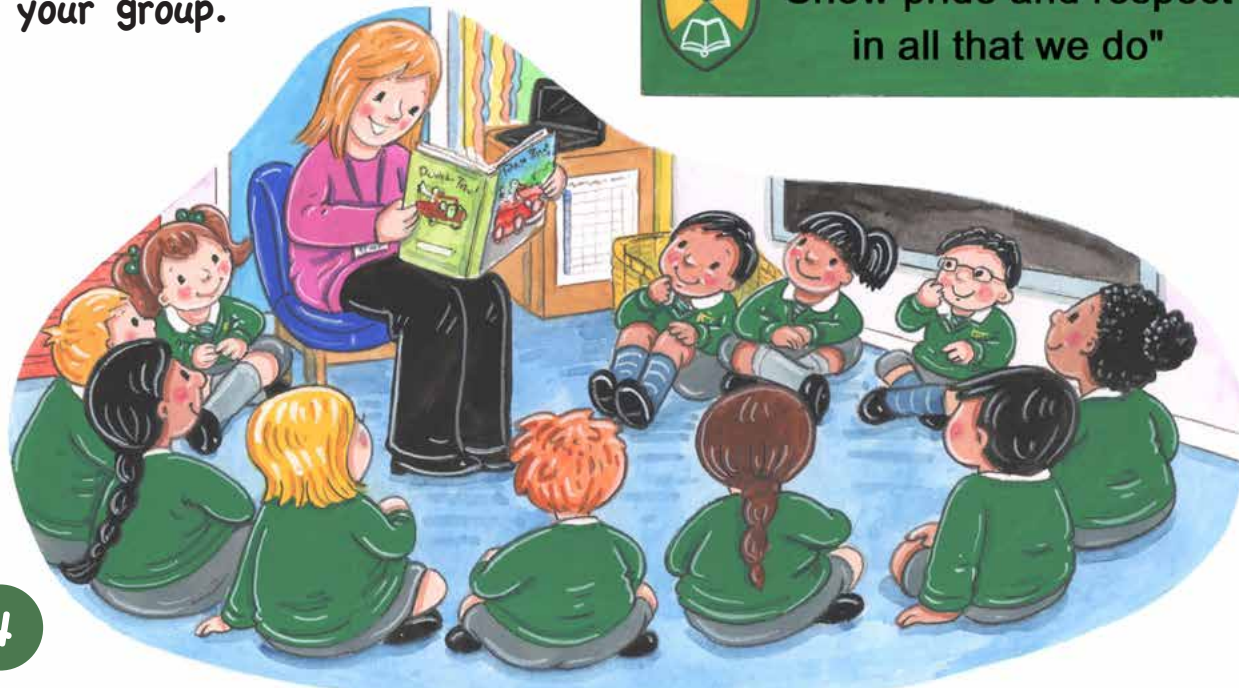

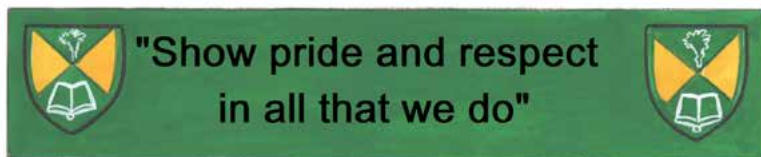

Once everyone arrives, you will sit on the carpet and welcome everyone. Then you will have a chat about your news and talk about what you are going to do in Nursery that day.

What will I do in Nursery?

You will have lots of fun in Nursery. You will play and learn indoors and outdoors. You will soon make friends with the other children in your group.

The children are having story time with their teacher. They are all sitting quietly and listening to the exciting story.

Imani and Sophie are playing outside with the tyres.

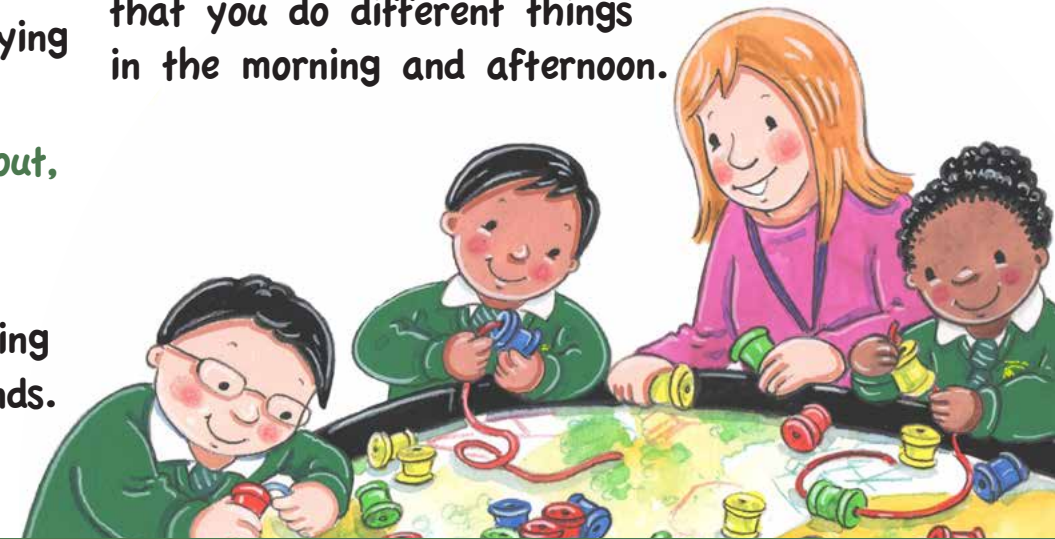

"Can you help me climb out, please?" asks Imani.

Sophie gives her a hand. They are having fun playing together and making friends.

Dalip, Imani and their new friend Tom are threading some string. It is lots of fun and helps their fingers get used to managing fiddly things.

"Well done, everyone," says the teacher. "You are trying hard."

If you are with us all day, we make sure that you do different things in the morning and afternoon.

What things do you like doing?

What if I'm hungry and thirsty?

You will have a drink and a snack when you are at Nursery. Before snack time, you will use the toilet and wash your hands, so they are nice and clean before you have some food.

Dalip is washing his hands. He can't wait to have his snack.

At snack time you will sit on the carpet with your key person and friends. There will be fruit to eat and a drink of milk or water. Then you will listen to a story or sing together.

"Would you like a tangerine, Mina?" asks Sophie.

"Yes, please. They're my favourite," says Mina. Sophie is kind and she is making lots of new friends.

What is your favourite fruit?

What if I need the toilet?

If you can use the toilet by yourself at home, then you can go to the toilet by yourself at Nursery. If you would like some help, just tell your teacher.

Dalip needs to use the toilet so he is telling his teacher.

“Can I go to the toilet, please?” he asks.

“Yes, you can, Dalip. Please let me know if you need any help,” says his teacher.

The toilet door is in the Nursery Room, so the toilets are easy to find.

Dalip is using the toilet. He knows he needs to leave the toilet ready for the next child. He will flush, wash his hands with warm water and soap, and dry them carefully.

If you have a toilet accident, don't worry. Just let your teacher know and they will help and use your spare clothes, so you can go back to playing with your friends.

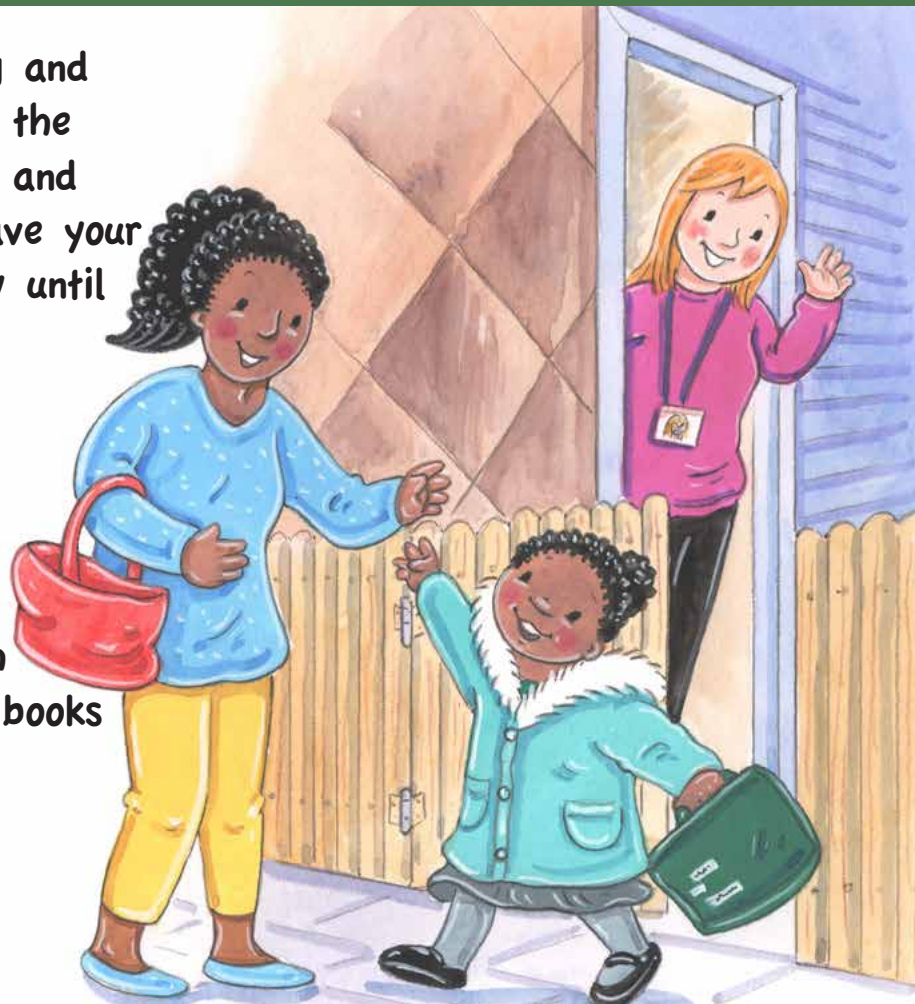

Can you use the toilet by yourself?

What happens when Nursery is finished for the day?

If you are here in the morning and staying for your lunch and for the afternoon, a teacher will come and collect you and take you to have your lunch. Afterwards you will play until the afternoon session starts.

When it is time for you to go home, you will be collected by your grown-ups.

In your school bag, you will take home activities to do with your grown-ups. There will be books to look at and talk about.

You will take home 'busy bags' which have shapes and numbers in them to practise with your grown-ups.

It is lots of fun to practise what you have been learning at Nursery, and it helps you get ready for going to school.

Imani and her mum are talking about shapes and colours.

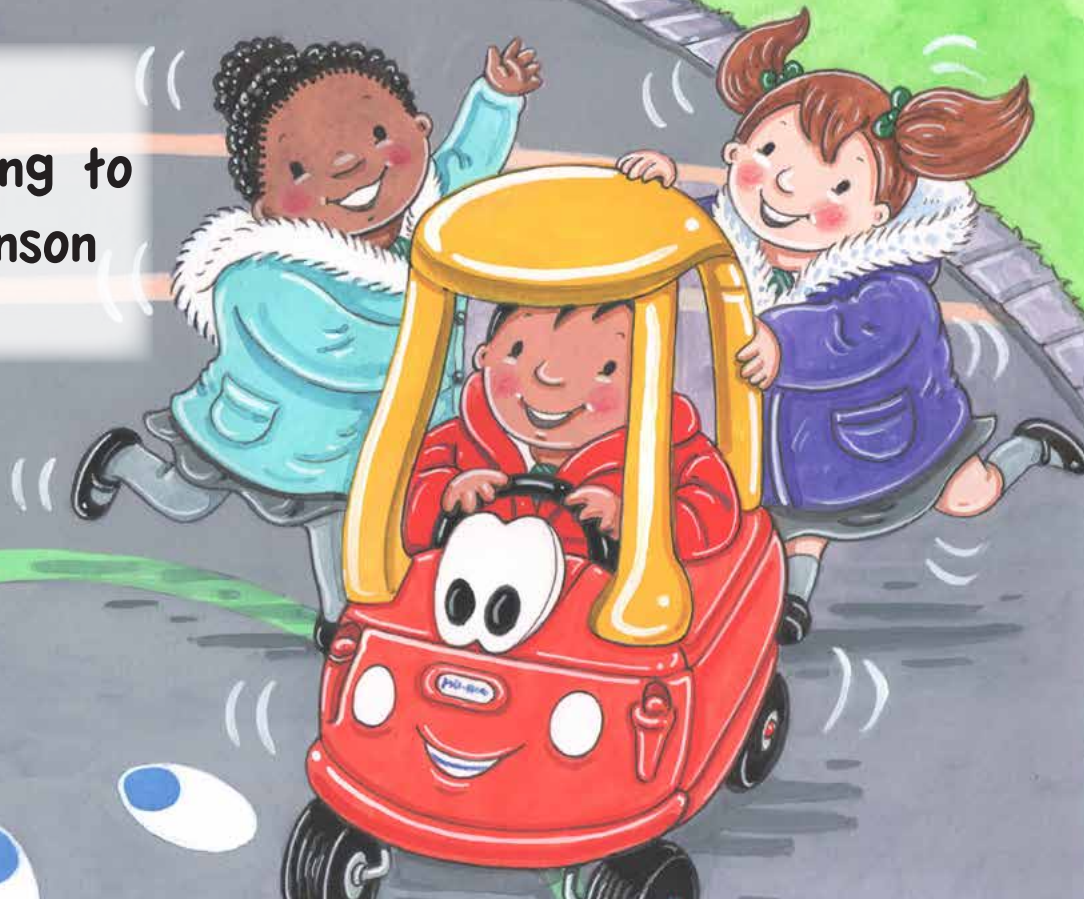

"That's a yellow triangle," says Imani.
"We talked about shapes today at Nursery."

She is having so much fun learning at Nursery.

When do you start Nursery?

Imani, Dalip and Sophie love coming to Nursery at Wilkinson Primary School
