

Henry, Lily and Ben are excited to be joining Woodland View Primary School

What happens on my first day?

When you get to school, you will use the outside doors to go straight to your classroom upstairs. You will have been told on your transition day, if you are in the Foxes class or Badgers class.

Lily is waving goodbye to her grown-up, as Henry enters school through the outside door.

After hanging up your coat and book bag, you will go into your classroom. Then you will let your teacher know if you are staying in school at lunchtime and having sandwiches or a school dinner.

Ben and Lily are hanging up their coats and book bags.

Henry and his new friend Abbie have told the teacher about their food choices for lunchtime and now they are ready to start their day in school.

Are you excited about coming to school?

What will I learn in school?

Lily and her new friend Mia are learning about Rainforests on their laptops.

Ben is reading an exciting book about Space.

You will have maths and English lessons in the morning. During the afternoon, we have a wide range of interesting lesson topics for you to study such as include Egyptians, Space and Rainforests.

We will give you a Learning Passport where you will write about how you are improving your learning and trying new things. You can earn badges if your Passport shows you are doing well.

You can also apply to read to Agnes, our reading dog.

Henry and his friends are having great fun reading with the help of Agnes, our reading dog.

What are you looking forward to doing at school?

How will you help me settle in and make friends?

During the first week, we will do lots of friend building activities to help you settle in.

In your class, there will be lots of children who have come to our school for a long time. They will make sure you know where you need to go.

Henry is already making friends.

Ben is learning about the activities in school from one of the older children in the Pupil Leadership Team.

You will also meet our Head Boy and Head Girl who will tell you about our school.

The Head Boy and Head Girl are telling Ben and Lily about what happens in school.

You can buy tuck at playtime from our tuck shop.

You will have lunch in our hall with your friends.

Henry and his friends are chatting as they enjoy their lunch.

Are you looking forward to learning about our school?

What other activities will I do?

Henry is having fun exploring on one of our trips.

We have gardening clubs and a club to learn about car mechanics.

Kendra loves gardening!

We go on lots of trips including overnight stays. This year we have been to York, Disneyland Paris overnight, plus trips to the cinema, Cadbury's World and lots more!

Ben really enjoys stroking and looking after the school animals.

We have lots of sports after school clubs and you will have a chance to play sports for our school.

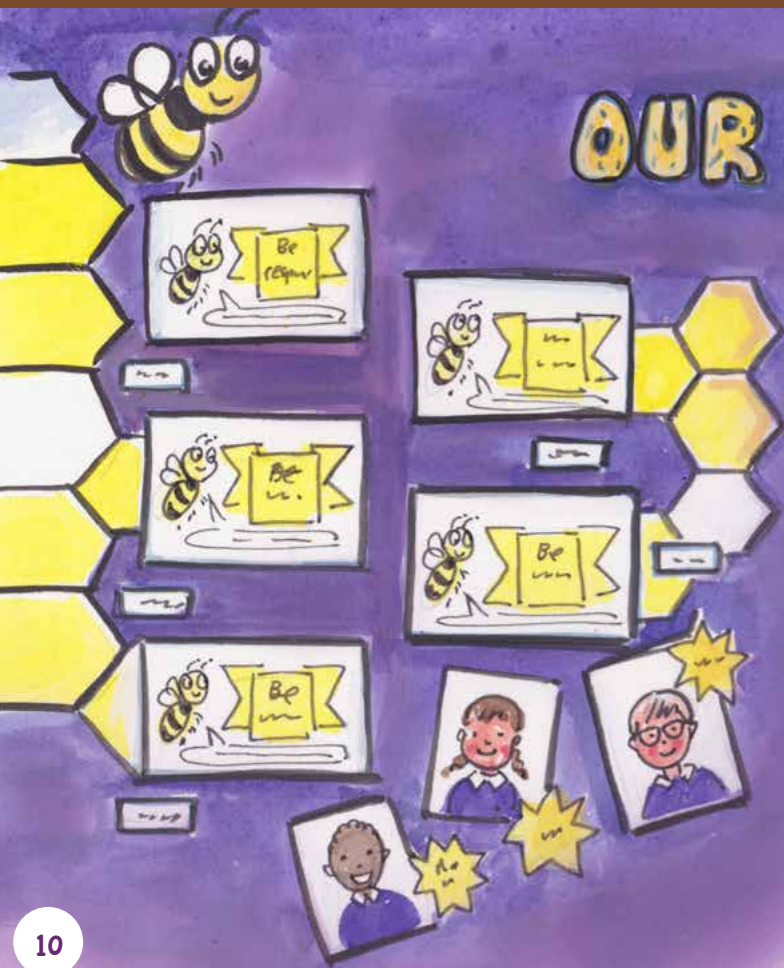

Lily loves sports and joins in with lots of games.

We also have animals such as chickens and rabbits to take care of.

Are you excited about all the activities we have for you?

How will I know how to behave and what is expected of me?

OUR CORE VALUES

We will tell you about our Core Values and School rules. These will explain how you should behave and what we expect from you.

Our Core Values explain how important it is to be:

- considerate
- respectful
- tolerant
- responsible and stay safe

You can earn points and rewards for behaving and achieving well and attending school regularly.

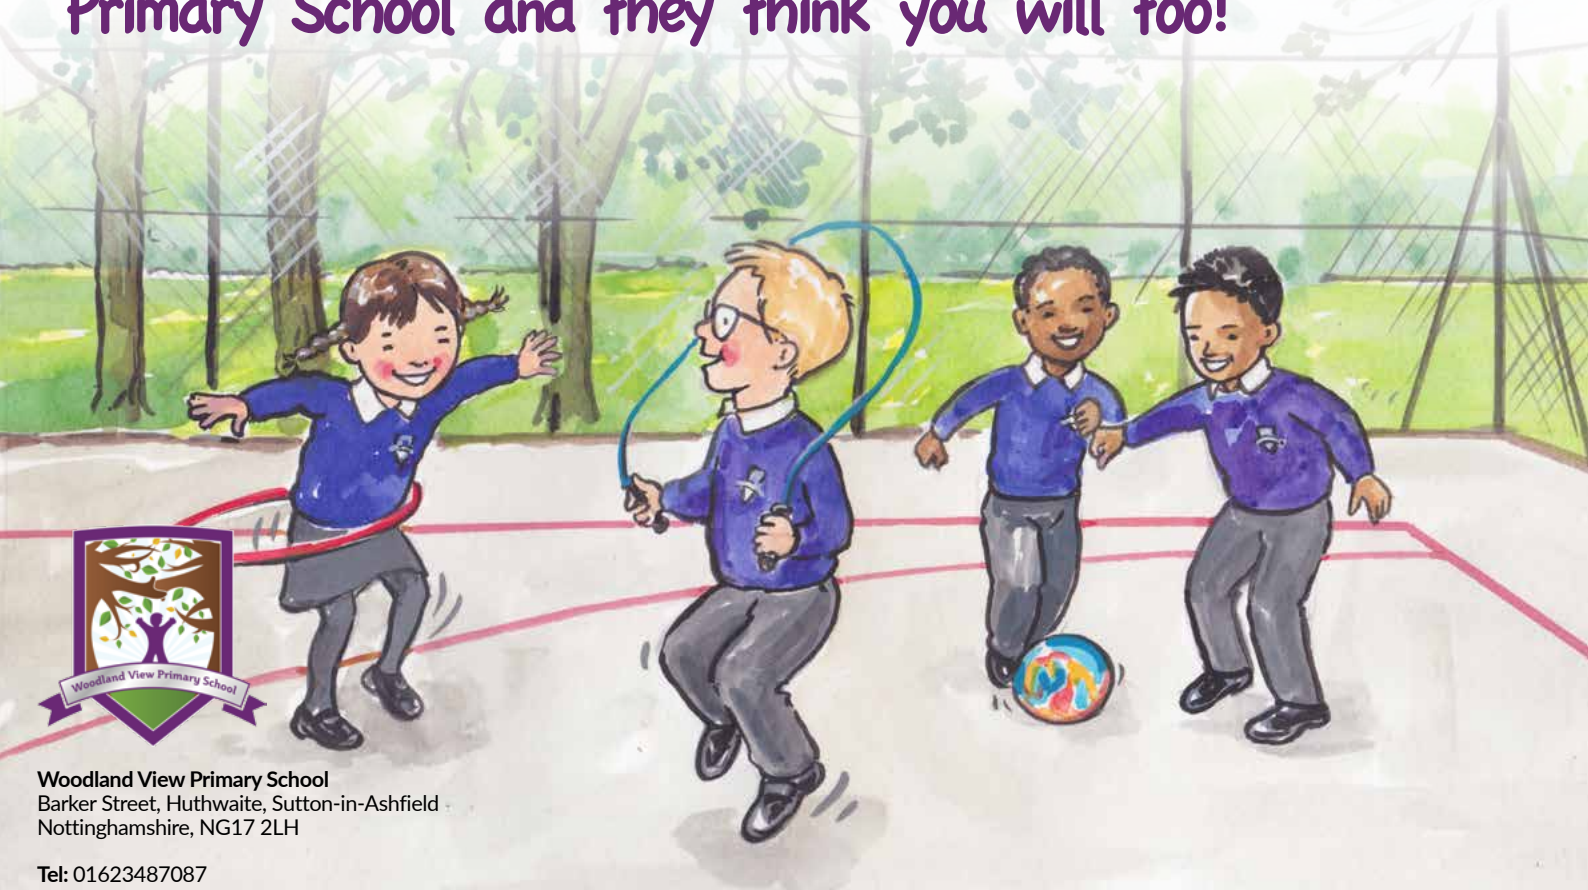

To reward you for doing well, you can receive badges to get treats like ice cream and to go on trips.

And as a reward for 100% attendance, you can have a prize or a toy voucher.

Lily has attended school every day and she is receiving a voucher to get a toy from Toys R Us.

Are you going to work hard and earn rewards?

Lily, Ben and Henry love coming to Woodland View Primary School and they think you will too!
