

Olivia, Harry and Isaac are
excited to be starting in Nursery
at Lingey House Primary School

What happens when I get to Nursery?

When you get to Nursery, your grown-up will take you into the cloakroom and help you put away your belongings.

Olivia's and Isaac's grown-ups are helping them take their coats off. Then they will hang their coats and spare clothes bags on their coat pegs which are labelled with their names and the pictures they drew.

"Thanks, Mum," says Olivia.

"I now know where to find my coat and my spare clothes if I need to get changed."

Your grown-up will then take you to your classroom door where they will say goodbye to you as your teacher welcomes you into your classroom.

Olivia and Isaac are saying hello to their teacher as their grown-ups say goodbye.

"Hello, everyone," says the teacher.

"I am so pleased to see you. We have lots of fun things for you to do today."

Are you excited about coming to Nursery?

What will I do in Nursery?

Your teacher will help you to learn. You can also choose from the many fun activities we have for you.

"Let's decorate the beach with all these pretty shells," Olivia says to Harry as they play in the sand tray.

Isaac and his new friend Rosie are making fun shapes with Play-Doh.

"We are making pink cakes," Isaac tells the teacher.

Harry is painting a picture with his favourite colours.

"I am painting the seaside," Harry tells his new friends.

Olivia and her new friend Kendra are playing outside in our play shed.

"Let's build a den," Olivia says to Kendra.

Harry and Isaac are having a tea party in our cosy home and play kitchen area.

"Do you want a pink or a purple cake?" Harry asks Isaac.

Olivia, Harry and Isaac think it is great fun learning new things and making new friends.

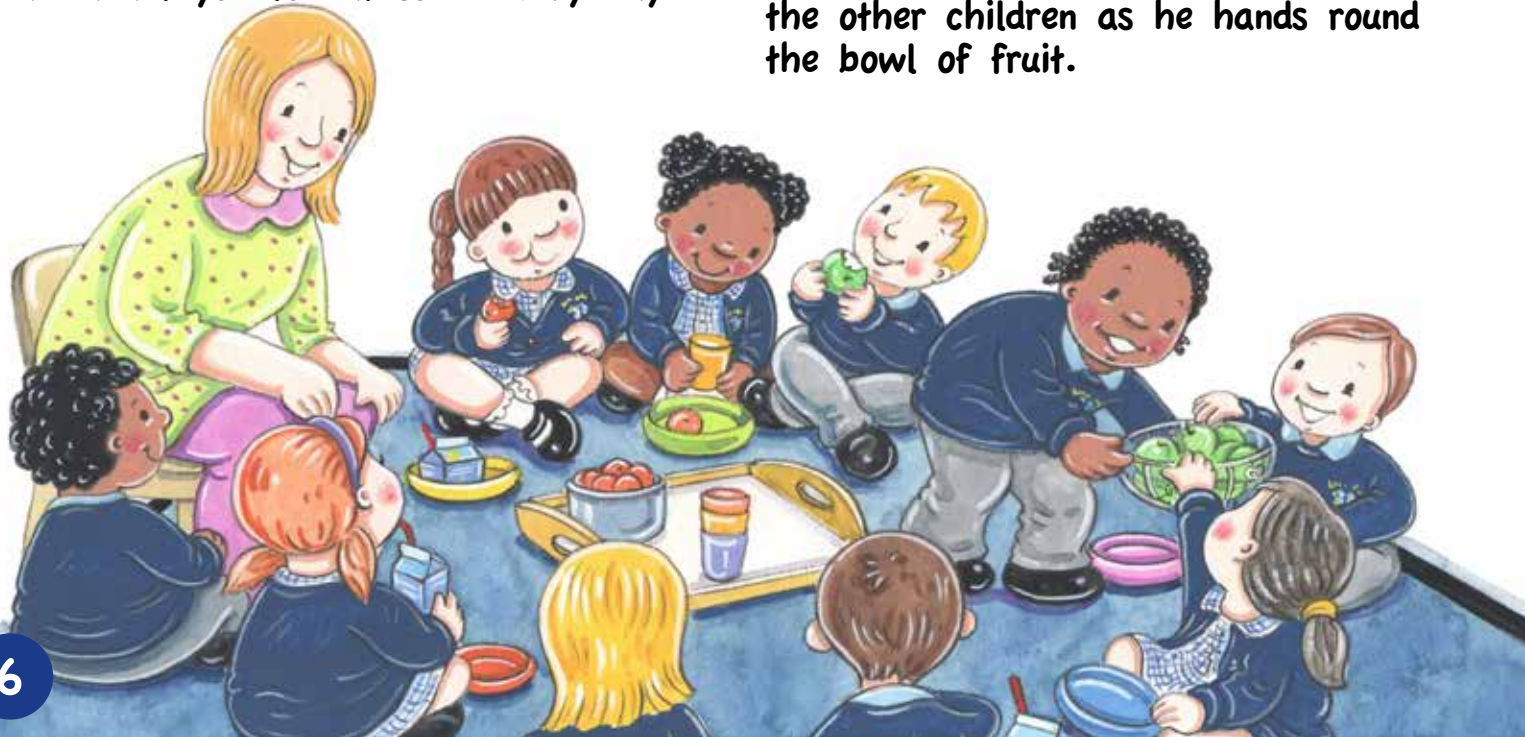

What are you looking forward to doing at Nursery?

What happens if I am hungry or thirsty?

During your Nursery session, you will have a snack of fresh fruit to eat, and water or milk to drink. Fruit is good for you and it tastes great too! So we want you to eat some every day.

Olivia, Harry and Isaac are sitting chatting with their new friends as they enjoy their morning snack.

"Would you like some fruit?" Isaac asks the other children as he hands round the bowl of fruit.

If you are attending Nursery all day, you will stay for lunch. You will take your healthy packed lunch to our small hall where lots of friendly adults will be available to give you any help you need.

Olivia, Harry and Isaac are enjoying their packed lunches as they chat with their new friends.

"Please can you open my drink?" Olivia asks the adult helper.

"Yes, of course, Olivia. Here you are, I have taken the top off for you," the helper replies.

What happens if I need the toilet?

You can just go to the toilet when you need to, but if you are working with your teacher, it is polite to let them know. If you need any help, just tell them.

Harry had been drawing with his teacher's help when he needed to go to the toilet so he let his teacher know. His teacher said it was OK.

Harry goes to the toilet cubicles within the Nursery classroom.

When Harry has finished, he makes sure he flushes to leave the toilet nice and clean for the next child who will use it.

Harry then washes his hands with warm water and soap. He loves the bubbles that help him get his hands really clean. Then Harry dries them and goes back to his class.

Harry is so glad he practised lots at home before starting Nursery. He now feels quite grown-up going to the toilet on his own. Harry knows if he ever has a toilet accident, he has a spare set of clothes on his peg that he can change into and there will always be someone ready to help him.

What other exciting things will I do?

In our Forest School, you can hunt for bugs on the trees and plants. You will sometimes take water bottles outside to create mud slides on the slope, which is then great fun to slide down.

"Can you find the ladybird on this plant?" the teacher asks Isaac and Olivia.

If you are in Nursery full time, you will be able to do some baking and visit the local shops, library and care home for older people.

Olivia and Isaac love visiting the older people to sing songs or do jigsaws together. and the older people love the children visiting them!

What happens at the end of the Nursery session?

You will come together on the carpet for a story or to sing songs. You will also talk about what you have enjoyed doing in Nursery.

Olivia and her friends are listening to a lovely story about children living in other countries.

"Has anyone been abroad?" the teacher asks.

"I went to Portugal in the summer," Isaac replies.

After the story, your teacher will open the door for your grown-up to come in and help you collect your things so you can go home.
