We can...we will...together

What happens when I get to school?

You will hang up your coat on your own coat peg and put your book bag in a box.

You will then go into your classroom and sit on the mat for registration.

You will do some dancing to start the day off.

Our three classes are:

Lions

Tigers

Leopards

Are you excited to be starting school?

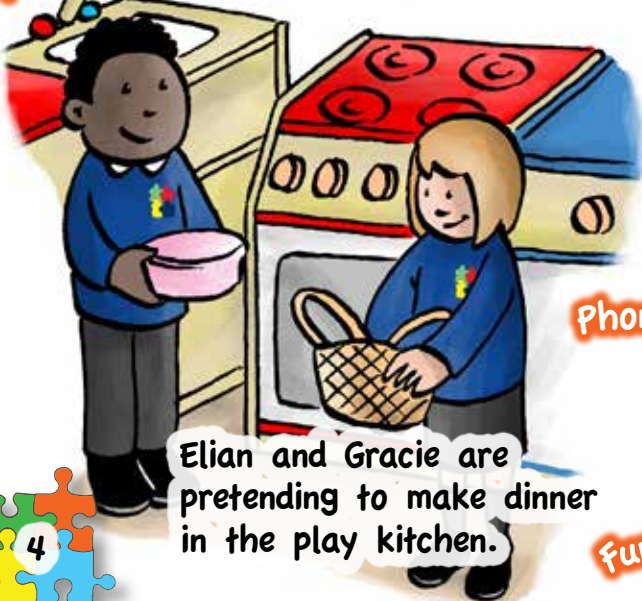

What will I do in school?

Sometimes you will do fun activities with your teacher, sometimes with your friends and sometimes by yourself.

There are activities both indoors and outdoors.

What are your favourite games to play?

What happens if I need the toilet?

You can go to the toilet whenever you need to.

"I need the toilet,"
Gracie says to her teacher.

The toilets are just down the corridor. Your teacher will show you where the toilets are on your first day in class.

Gracie goes to the toilet on her own. She practised at home while wearing her uniform, so she knew what to do.

If you have an accident, don't worry. Just let your teachers know and they will help you.

After flushing, Gracie is very careful to wash her hands and dry them on some paper towels. **"I like the soap,"** says Gracie. **"It makes my hands smell of flowers."**

Can you go to the toilet on your own, like Gracie?

What happens if I am thirsty or hungry?

You can drink from your water bottle anytime you are thirsty.

You have a morning snack time. Elian, Gracie and Nivan are enjoying their fruit and vegetable snacks while they sit on the carpet. You can also sit at a table.

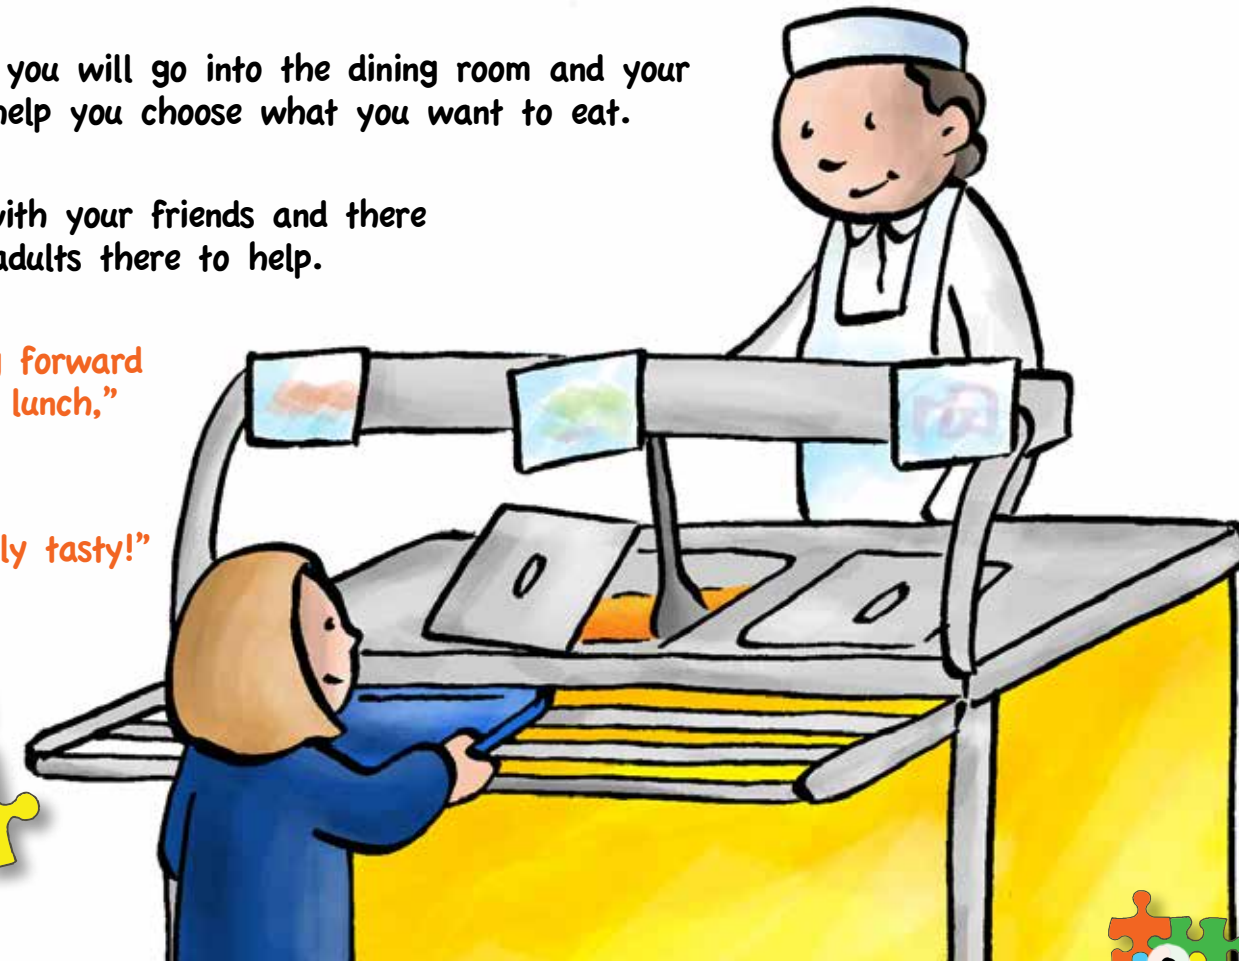

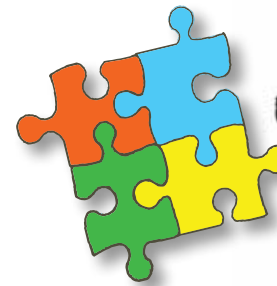

You can have water or milk to drink at snack time.

At lunchtime, you will go into the dining room and your teacher will help you choose what you want to eat.

You can sit with your friends and there will be kind adults there to help.

"I am looking forward to having my lunch," says Gracie.

"It looks really tasty!" she says.

What is your favourite food?

What happens at the end of the school day?

At the end of the school day, you will get your coat and belongings and sit at your table.

You will listen to a story or watch something on the screen.

When it is time to go home, you will line up and wait quietly. Your teacher will take you outside to see if your grown-up is waiting for you. When they see your grown-up, your teacher will call out your name and you will join your grown-up outside to go home.

Every day you will take home a reading book to look at with your grown-up.

Elian is excited to show his grown-up the reading book. "Look," he says to his mum, "I've got a book we can look at together."

His mum smiles.

"I've had a lovely day at school today," says Elian.

How long is it until you start school?

Elia, Gracie and Niva have had an exciting day at school and think you will too!
