What happens when I get to school?

When you get to school, you hang up your coat. You find your name card and put it in the box for your class.

"I am in Polar Bear Class," says Callum and puts his name card in the box.

"Bye mum, see you later," says Callum as he says goodbye to his mum at the curtain.

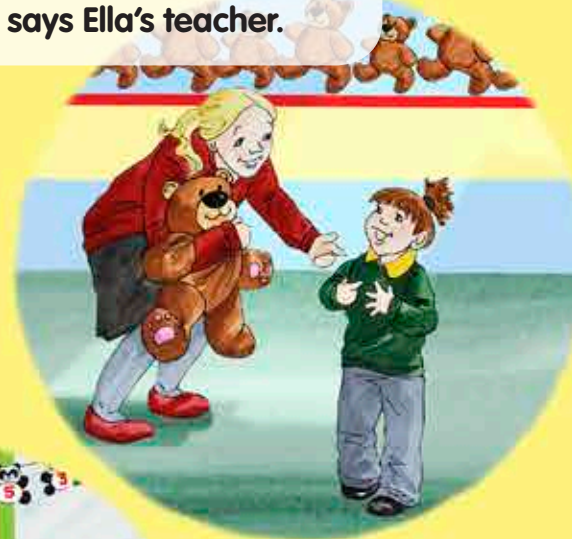

Callum puts his water bottle and book bag away.

"Welcome to Polar Bear Class," says Callum's teacher.

"Would you like to hold Brown Bear?" says Ella's teacher.

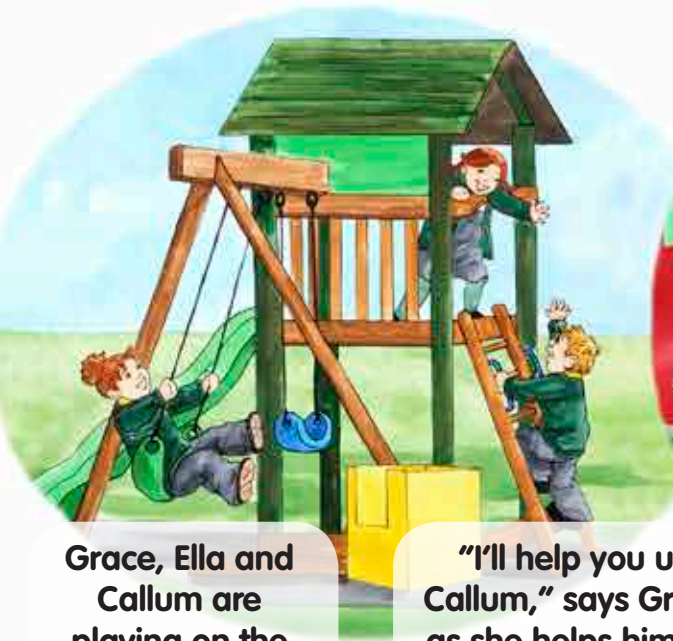

"I love Panda Bears," says Grace.

Are you excited about going to school and meeting the bears?

Grace, Ella and Callum are playing on the climbing frame.

"I'll help you up Callum," says Grace as she helps him up the slide.

Your teacher will help you play games with your classmates, to help you get to know each other. You will also learn each other's name.

How will I make friends?

You will make friends by playing with the children in your class.

The children are getting to know each other as they do activities together.

What do you like doing with your friends?

What if I'm hungry or thirsty?

You can have a healthy snack and a drink of milk or water at break-time. When you have chosen your snack and drink, you sit on the carpet with your friends.

"This carrot makes a really loud crunch when I chomp on it," says Callum.

"I love it when the milk turns the straw white," says Grace.

When you have been coming to school for a little while, you can have lunch at school. Our school dinners are delicious. Kind dinner ladies will look after you when you are eating your dinner.

"This dinner is lovely," says Ella.

Callum has nearly finished his dinner already. "I was hungry after all the playing we did this morning," he says.

What is your favourite food?

What if I need the toilet?

When you need to go to the toilet, tell your teacher. If you have just started at school the teacher will show you where the toilet is.

Grace is excited to be shown the toilet and how it works.

Grace carefully washes her hands when she has been to the toilet.

"I love these bubbles," says Grace. "It's so easy to reach the sink. It's just the right size for me!"

Can you go to the toilet by yourself?

What happens at the end of the school day?

At home time you put on your coat and collect your book bag, and sit on the carpet.

When your grown-up comes to the curtain, your teacher will call out your name.

Ella's mum is waiting to take her home.

"Bye everybody," says Ella.
"I have had so much fun today. I can't wait to come back tomorrow."

"Your sister is excited to pick you up from school," says Ella's mum.
"And she can't wait to start school when she's old enough."

Are you coming to school soon?
