

Amir, Purity and Tom are coming
to reception at Wellington Primary

Wellington
Primary

Skye is here to say "hello"

What happens when I come to school?

Your grown-ups will make sure that you get up early enough so you can get ready and arrive at school on time. It is important to have breakfast every morning so you have lots of energy for school.

When you come to school, your grown-ups will bring you to the classroom door and say “goodbye”. Your teacher will be waiting there to say “hello” and take you into school.

Amir, Tom and Purity are hanging up their coats on their own special coat hooks.

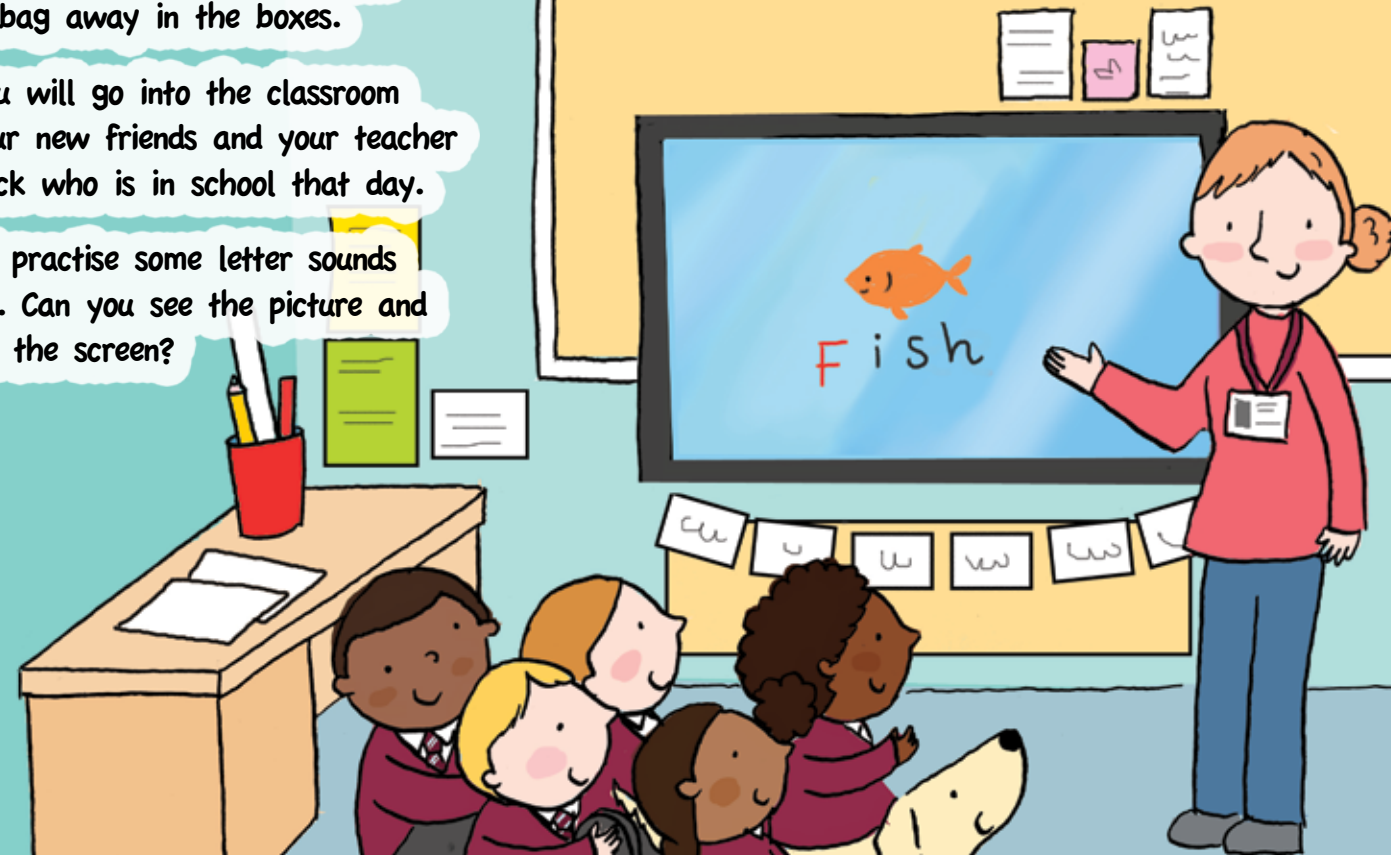

“I don’t need help taking off my coat, Syke,” says Amir.
“I have practised doing it all by myself.”

You will put your water bottle and reading bag away in the boxes.

Then you will go into the classroom with your new friends and your teacher will check who is in school that day.

You will practise some letter sounds together. Can you see the picture and word on the screen?

Do you know what it says?

What will I do in school?

Every day, you will spend some time on the carpet or in small groups, learning with your teacher.

There will be lots of time for you to choose what you would like to do. There are lots of toys, games and activities to do indoors and outdoors.

As you play, you will learn how to read and write, learn mathematics and learn about the wider world.

What do you like doing with your friends?

What if I am hungry or thirsty?

You will eat a fruit snack and have a drink of milk or water every morning. Before you eat, you will wash your hands. You will sit on the carpet to eat your snack with your friends.

"I am eating a shiny green apple," says Tom.

"I love bananas," says Amir.
"I like lots of fruit, but oranges are my favourite," says Purity.

At lunchtime, you will wash your hands and line up. Then your teacher will take you to Ash Class for lunch.

Your grown-ups will choose your meal for you at home and we will give you a coloured badge to show what choice you are having. **Green** is for the vegetarian meal and **yellow** is for the halal choice. The food is always delicious.

You will collect your meal from the kind lunchtime staff at the serving table. Then, you will sit at a table with your friends.

"This is so tasty," says Purity, before she chomps on the last carrot. Everyone is going to eat all of their lunch.

You will use a knife, fork, spoon and cup by yourself and say "please" and "thank you".

If you need help, there will always be kind lunchtime staff looking after you.

What is your favourite meal?

What happens when I need the toilet?

You can go when you want to and you don't have to wait for breaktimes. You just need to ask your teacher if you can leave your classroom. Your teacher will give you a band to wear to show you are going to the toilets.

You will walk to the toilet with another child but if you have an accident or need help, you can tell your teacher and they will help. Your grown-ups can leave some spare clothes for you at school in case of accidents.

Tom needs to go to the toilet.

"Please may I go to the toilet?" he asks his teacher.

"Yes, you can, Tom," she says.

"Don't forget to wash your hands."

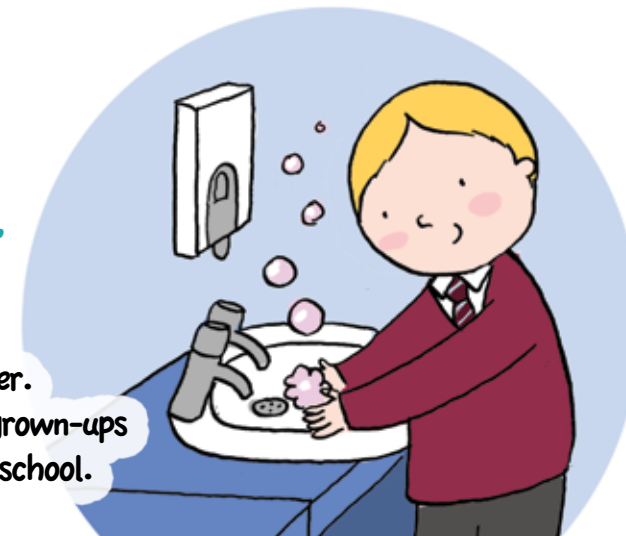

"I am going to make sure my hands are squeaky clean," he says. "Clean hands help stop germs spreading."

You will dry your hands with a nice and quiet hand dryer. It is much quieter than a normal hand dryer but your grown-ups can help you get used to using one before you come to school.

Tom is going to the toilet. He has practised going to the toilet by himself. His grandad has shown him how urinals work as well.

Tom has remembered to flush and now he is washing his hands with soap and water and will dry them.

Can you use the toilet by yourself?

What happens at home time?

When it is nearly home time, you and your friends will tidy up the classroom. Then you will sit on the carpet to talk about what you have enjoyed that day and listen to a story.

Purity wants to tell everyone about her favourite things from that day.

"I have loved playing with my friends, eating my lunch and playing with Skye," she says.

You will wait for your grown-ups to collect you from the classroom door.

You will take home new reading books once a week and look at them with your grown-ups every day.

It is bedtime and Tom is looking at a book with his dad.

Can you see who the book is about?
