

Henry, Lily and Ben are excited to be starting at Woodland View Nursery

What happens when I get to nursery?

When you get to nursery, your grown-ups will bring you inside where your teacher will be waiting to meet you.

"Hello Ben," says the teacher as Ben arrives with his dad. "I am so pleased to see you and we have lots of fun things for you to do."

Your grown-ups will help you hang your coat and book bag on your coat peg and then say goodbye.

Henry's dad is helping him hang up his coat and book bag.

"Here's your coat peg," Henry's dad tells him. "Have fun and I will be back at lunchtime to collect you for lunch at home."

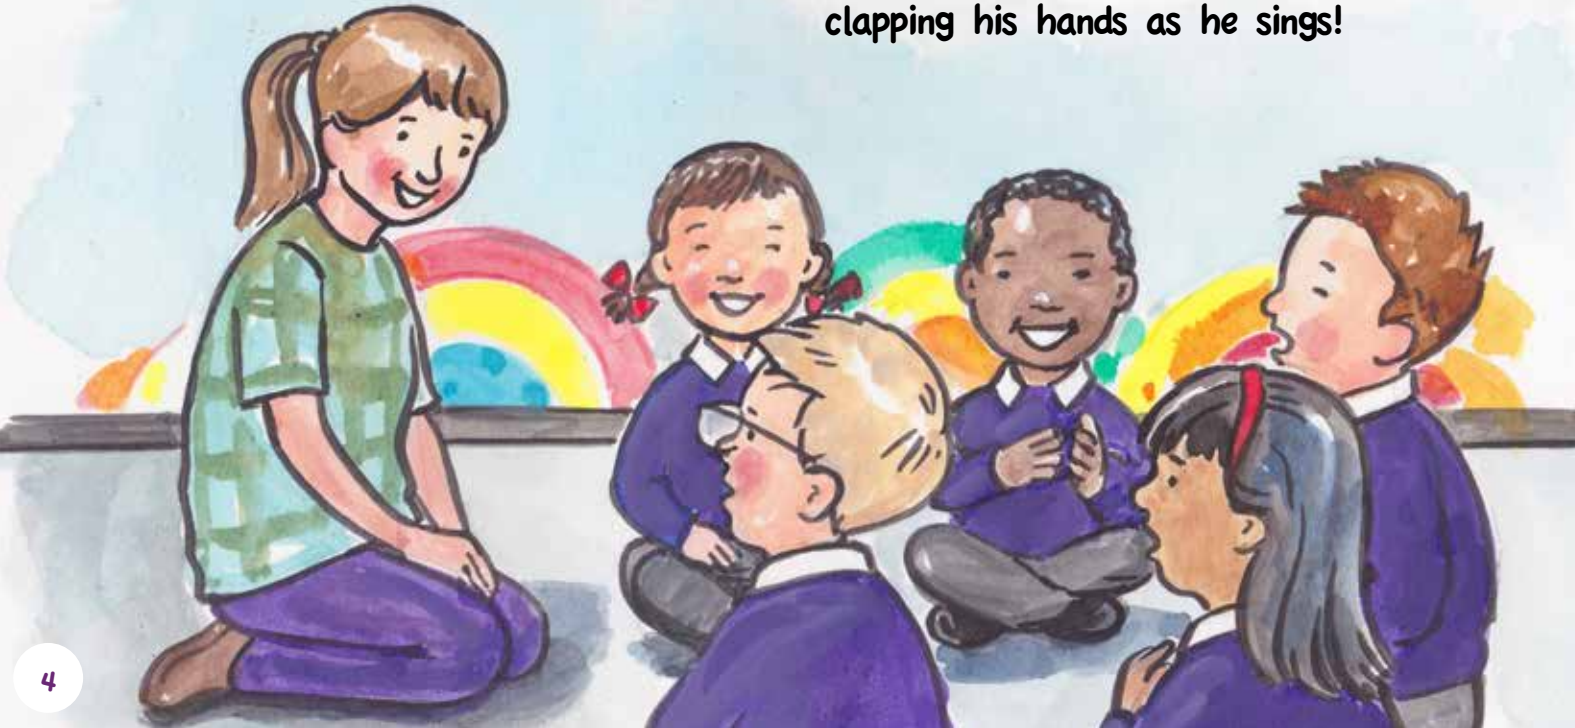

Are you excited about coming to nursery?

What will I do in nursery?

Your morning or afternoon nursery session will start with 'link activities', where you all sit together on the carpet. You will listen to a story and do lots of singing.

Henry is singing with his new friends. He is having so much fun, he starts clapping his hands as he sings!

We have lots of fun activities for you to choose from:

- painting, drawing and craft work
- dressing up, role play and construction toys
- scooters and trikes and lots more...

Lily is painting.

Ben is cooking.

Henry and his new friend Ava are dressing up as a wizard and fairy.

What are you looking forward to doing at nursery?

What happens if I am hungry or thirsty?

During the nursery session, you will have a snack of fresh fruit to eat, and water or milk to drink. Fruit is delicious and your teacher will encourage you to eat some each day.

Ben, Henry and Lily are sitting chatting as they enjoy their healthy snack.

"I love bananas," says Henry.
"They are my favourite fruit."

How should I behave at nursery?

We will teach you how to sit still and how to listen carefully.

We will also help you learn how to make friends and how to share with others.

We will start looking at numbers and letters with you so you can begin to learn about sums and words.

Lily and her friends are calling out the numbers or letters that their teacher holds up.

"That is a seven," says Lily.
She is so pleased when her teacher tells her she was right!

Are you excited about joining in with new friends at nursery?

What happens if I need the toilet?

You can go to the toilet when you need to, but you must first ask your teacher. Remember to bring some spare clothes in case you have an accident and need to change.

Ben has asked to go the toilet and his teacher is taking him.

When he has finished, Ben makes sure he flushes to leave the toilet nice and clean for the next child who will use it.

"Well done, Ben," says his teacher.
"You remembered to flush the toilet."

Ben and another classmate Kim, went to the toilet and they are now washing their hands with warm water and soap. They love the bubbles that help them get their hands really clean.

"Very good," says their teacher. "Now dry your hands and we will go back to the classroom."

Ben is so pleased that he practised going to the toilet on his own at home so he could remember everything once he started school.

Are you practising to use the toilet by yourself?

What happens at the end of the nursery session?

When your nursery session is finished, you collect your coat and belongings.

You then put your coat on and sit with your friends on the carpet to listen to a story and sing a song.

You will also talk about the fun things you have been doing and learning during the day.

When it is time to go home, your teacher will let you know when your grown-up is here and hand you over to them.

The teacher has seen Lily's dad.

"Your dad is here, Lily," says the teacher, and she lets her go to her dad.

"Hello, Lily," says her dad "Did you have fun?"

"Yes Dad, I did! I have done so many fun things today and I have lots to show you in my book bag."

Are you looking forward to coming to nursery?
