

Amir, Purity and Tom can't wait to start Year 3 at Wellington Primary School

Wellington
Primary

How will you help me settle in?

Our Year 3 junior site is in a different location, but still on Sutton Lane. Although it's a bigger school, it's as happy and friendly as the infant site.

If you are coming from our infant site, you will probably recognise some of the teachers and staff. There will also be a very special person there to greet you... Skye, our school dog!

You will stay with your same class from the infant site. You might even have an older brother or sister already attending.

During the summer term, there will be lots of visits so you can get used to our junior site and meet your new teachers. You will even have some meals there.

"I'm excited to be having lunch here," Tom says to a kind lunchtime supervisor.

Purity feels the same. "Me too," she says.

You will also be getting letters from Year 3 children telling you about how fun and easy it is to move to the junior site.

Are you excited to be starting in Year 3?

What new work will I do?

You will also study a topic each term, for example 'Healthy Me' and 'Stone Age'.

Amir is having lots of fun dressed up as a Stone Age man.

You will be studying English, Maths, Computing, Geography, Art, Music, History, Religious Education, PE, Modern Foreign Languages, PSHCE and DT.

There are also lots of brilliant facilities, including a fantastic art room, a big new sports hall, a home economics room, a library and a studio for dance.

There will also be trips to support what you are studying, for example a Roald Dahl trip or visits to museums and art galleries.

What are you looking forward to doing in Year 3?

What clubs and activities can I take part in?

There are lots of clubs and activities to take part in, including:

- Netball
- Cycling
- Cricket
- Rounders
- Gymnastics
- Football
- Dance
- Multi-skills

There is a variety of sports coaching available on site, including multi-skills, football, tennis and rugby.

You can make a big, joyful noise by playing a musical instrument in school!

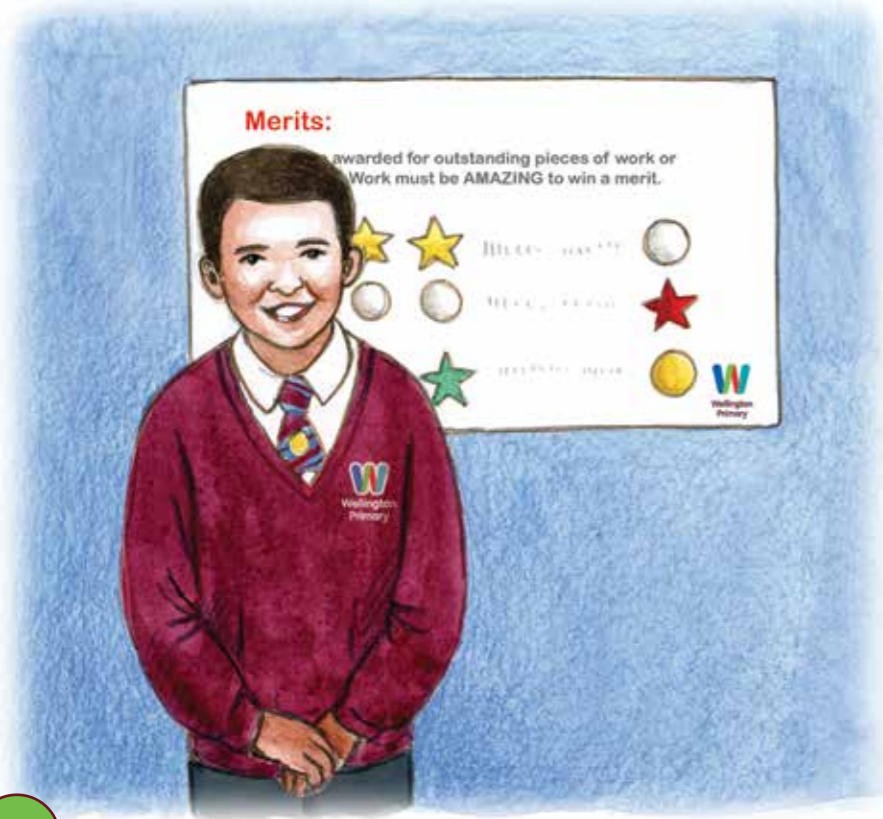

We also have a choir and we attend Hounslow Young Voices, where you will get to take part in a big concert, singing with lots of other schools.

And... we put on lots of school productions, with the latest being Camp Rock.

Which activity do you think you will enjoy?

What will school expect of me?

You will be able to earn merits for:

- Working hard
- Showing a positive attitude
- Enthusiasm
- Creativity
- Being kind and helpful

If you earn enough merits, you will receive a gold badge.

You can continue to earn ClassDojo points.

You will be expected to maintain high standards of kindness and respect for everyone.

Year 3 children are given more responsibility and allowed to do more... but they are also expected to behave more responsibly.

Do you think you will feel more grown-up in Year 3?

How will school look after me and my family?

We are a super friendly, caring school with a lovely family atmosphere.

If you have a problem, you can talk with any adult in school. It doesn't need to be a problem in school, it can be about something outside of school too.

Purity is talking with a teacher about a problem she has and is feeling a lot better about it now. She also feels calm because she has been stroking Skye.

If you don't feel comfortable walking up to an adult in school and asking for help, you can pop a note in the 'Things I wish my teacher knew' boxes around the school. A teacher will read it and come and speak with you, to help and support you.

If you have a problem, we want to help.

If you feel ill while at school, you can also go to the medical room, and someone will help.

Who would you speak to if you had a problem?

**Amir, Purity and Tom really enjoy
Year 3 at Wellington Primary School...
and they think you will too!**
