

Jakub, Sam and Isla are coming  
to White's Wood Academy

## How will you help me settle into White's Wood Academy?

Most of you will come from the same infant school so you will know lots of children in your new class. Don't worry if you don't know many people – everyone here is friendly and welcoming and will help you to make new friends.

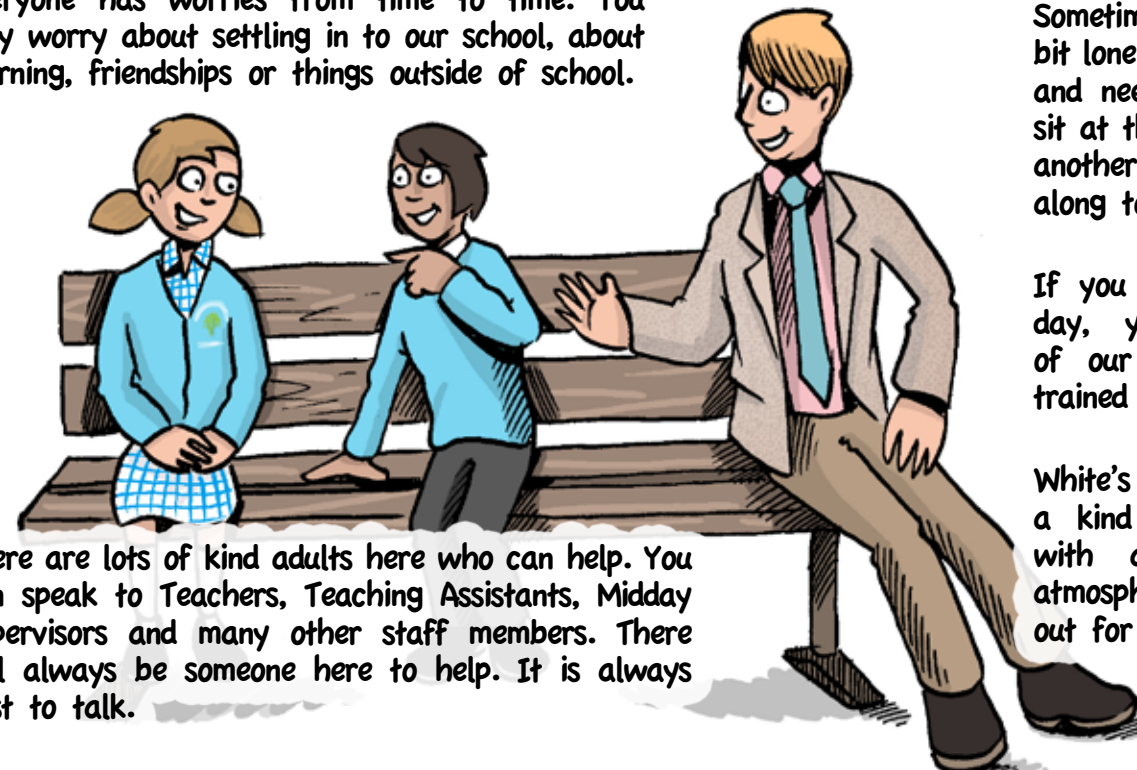

In Year 2, you will come to visit us several times. On your visits, you will get to know the school and meet the Headteacher, the Assistant Head and your new teacher.

We will show you your locker, which is where you will put your coat and belongings every day.

You will also do several activities such as playing games, drawing, writing or just chatting. This will help you get to know your new teacher and classmates.

## Who can I speak to if I am worried about something or I need help?

Everyone has worries from time to time. You may worry about settling in to our school, about learning, friendships or things outside of school.

There are lots of kind adults here who can help. You can speak to Teachers, Teaching Assistants, Midday Supervisors and many other staff members. There will always be someone here to help. It is always best to talk.

Sometimes you may feel a bit lonely in the playground and need a friend. If you sit at the 'Friendship Stop', another child will come along to chat.

If you feel ill during the day, you can see one of our friendly first aid trained staff.

White's Wood Academy is a kind and caring place with a brilliant family atmosphere. Everyone looks out for each other!

## What will I do in Year 3?

You will study English, Mathematics, Science, Design & Technology, History, Geography, Art & Design, RE, Music, PE, PSHE and Spanish.

You may work in pairs, small groups or as a whole class. Your teacher will encourage everyone to join in with discussions to make sure everyone gets the chance to contribute.

We have a fantastic library where you can explore and discover books you will love. We even have books in the Learning Lodge so that you can enjoy reading outside at breaktime.

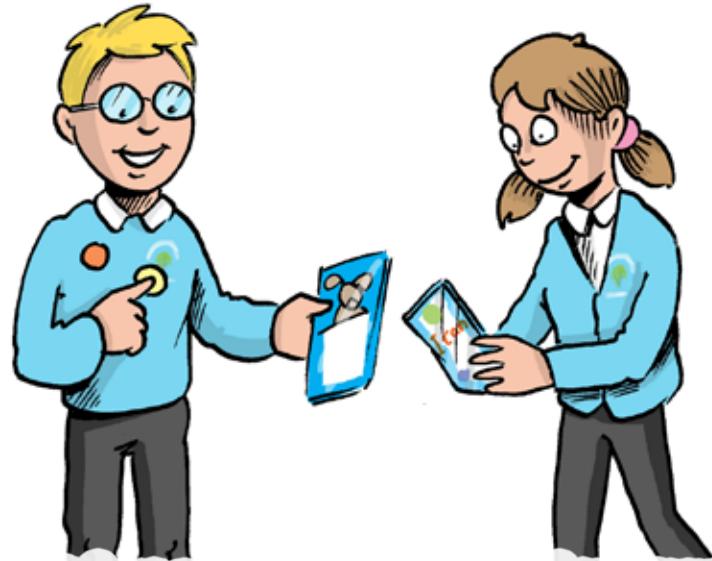

We have lots of iPads too and you can send your work to your teacher via the 'SeeSaw' app.

We have brilliant outdoor facilities as well, including a wellbeing garden, a gym, adventure play equipment and a large playing field.

What are you looking forward to studying?

## What will you expect of me?

We have a wonderful family atmosphere because everyone treats each other with kindness and respect.

We love it when you try your best, show kindness to others and model our values. We will celebrate your achievements from in school or outside of school.

It is very important to let you know when you have done well. We will let your grown-up know by sending postcards home or ringing them. We will put stickers in your work books.

When you have done really well, we will write about what you have done in the 'Book of Excellence'. We will share the achievements of all the children who are in the Book in our 'Recognition Assembly'.

## What clubs and trips can I do?

We have lots of fantastic clubs after school.

You can play sports such as football, netball, badminton or rugby. You can also do sewing, circuit training, Zumba, gardening and lots more.

Clubs are a great way to learn something new or learn more about something you already enjoy. It is also a great way to do fun activities with friends you already have and make new friends.

You will also go on educational visits to churches, parks, museums and various places of interest.

You will also get the chance to go on residential trips to PGL and Rand Farm Park, where you will do lots of brilliant activities.

# Come and start your next adventure at White's Wood Academy!
