

Welcome to Fulwood Academy

Ambition and achievement for all

How should you prepare for your first day?

We are proud to be part of Fulwood and hope that you will be too. We have high standards of presentation for everyone, so we expect you to look smart and come to school with all the equipment you will need.

Make sure you are wearing the correct uniform. You will also need a school bag which has room for all your books, equipment and packed lunch, if you have one.

It will help you settle in more easily and confidently if you know that you have everything you need when you arrive at school.

Do you know what you need to bring?

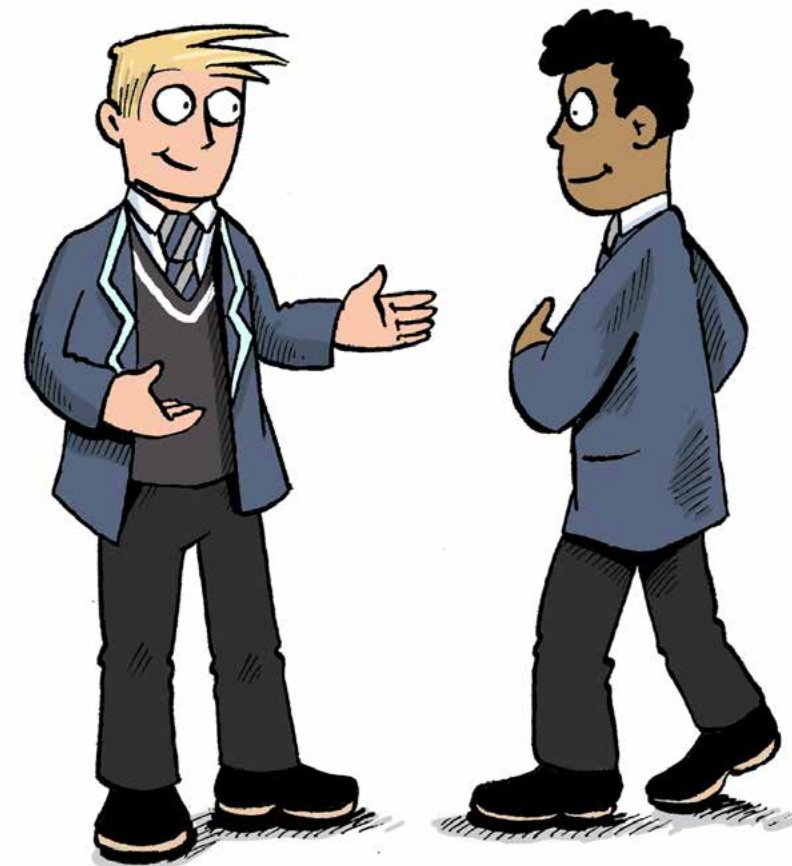

What happens when you arrive at school?

We know that it can be daunting starting at a new school. So, when you arrive the staff will be there to give you a warm welcome.

You will also have the opportunity to meet and talk with other pupils and make new friends.

The staff will guide you to your form room. Here, you will meet your tutor every morning to check how you are. They will always be there to talk to first thing every day if you ever need help or advice.

Are you looking forward to coming to Fulwood?

What happens during the school day?

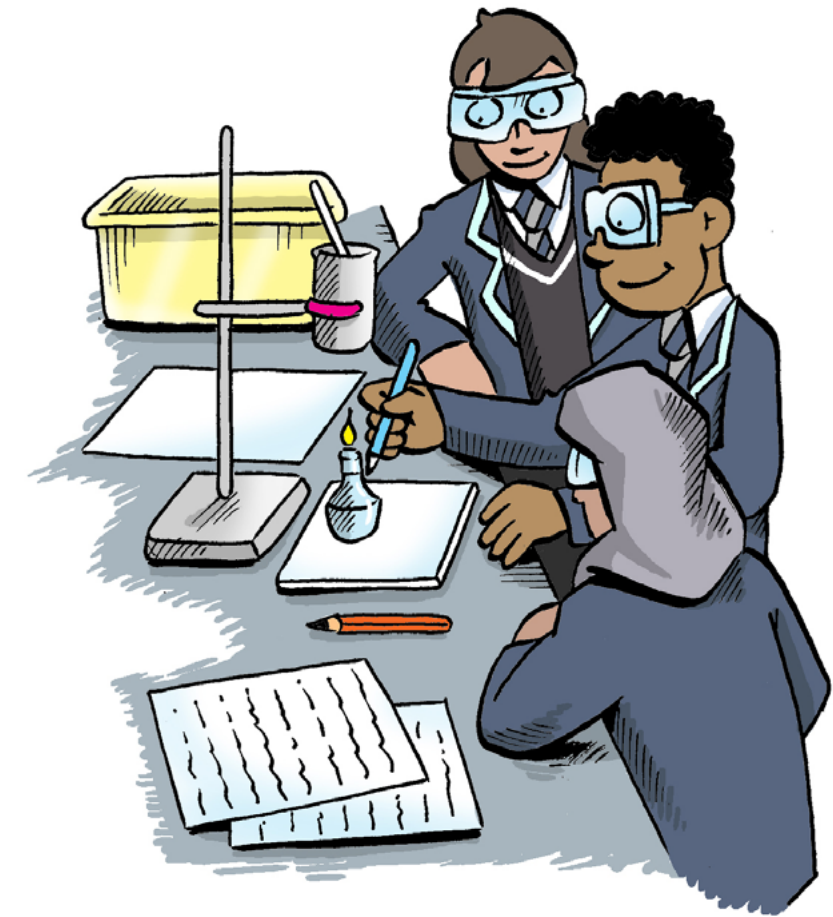

Every day, you will have six lessons, with a morning break and lunchtime. You will go to different classes for your lessons so you will soon get to know your way around the school.

We have fantastic facilities and equipment for you to use. And there are lots of exciting new things for you to learn.

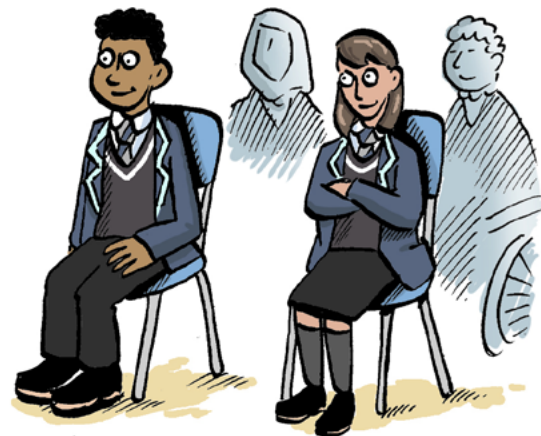

You will study subjects in more detail, and if you haven't already, you will discover subjects that you love.

What subjects do you like?

What do we expect from you?

To keep Fulwood a fantastic school to attend, and a school that you can be proud of belonging to, we are all expected to live by our **four values**:

- 1 Aim High
- 2 Work Hard
- 3 Be Nice
- 4 No Excuses

We will also expect you to develop your sense of **PRIDE**.

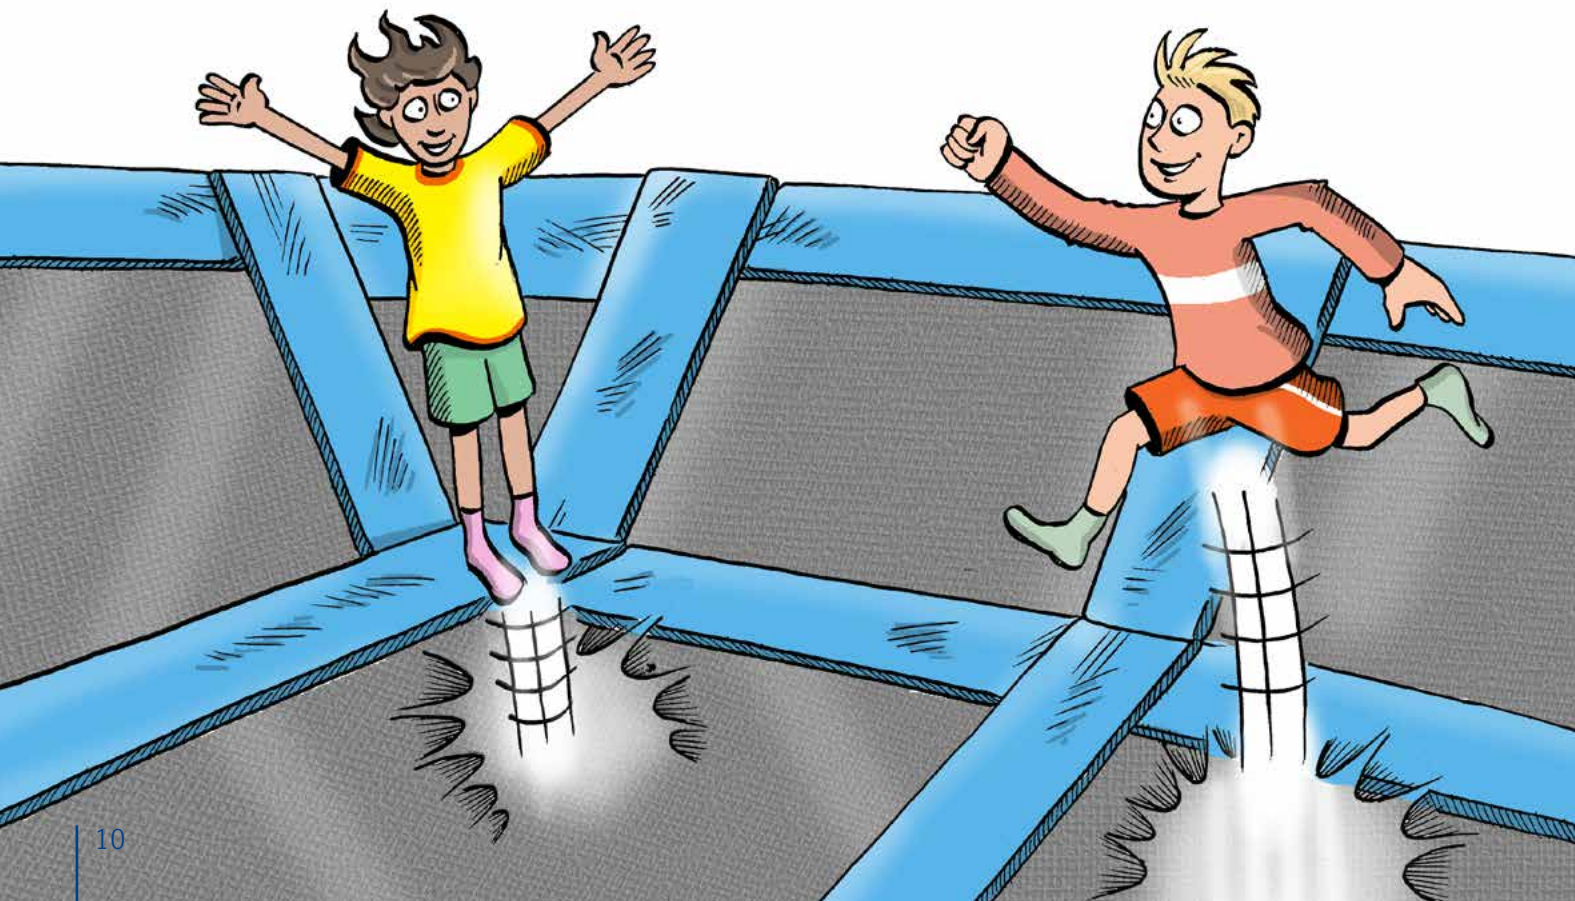

- P - Polite
- R - Resilience
- I - Independence
- D - Driven
- E - Enriching

You will have opportunities to achieve points that recognise when you have shown these values or achieved something amazing. We make it a priority to recognise and reward good manners, excellent progress and the contribution you make to the community.

Are you ready to practise our four values?

What other activities can you take part in?

Outside of the normal lessons, there are opportunities to join clubs at lunchtime or after school. You can even start your own if you have a real passion to share your hobbies and interests.

You will visit colleges and universities and go on trips around the UK and beyond to develop your character and give you the best possible start in life.

We hope you enjoy your time at Fulwood and we can't wait for you to arrive.

What are your hobbies?
