

Welcome to Perins School

In Omnia Excellentia

How should you prepare for your first day?

We are proud to be part of Perins and hope that you will be too. We have high standards of presentation for everyone, so we expect you to look smart and come to school with all the equipment you will need.

Make sure you are wearing the correct uniform. You will also need a school bag which has room for all your books, pens, pencils and packed lunch, if you have one.

It will help you settle in more easily and confidently if you know that you have everything you need when you arrive at school.

What happens during the school day?

Every day, you will have five lessons, with a morning break and lunchtime. Your tutor will also take a register first thing in the morning, and after lunch break. It is important to be on time for registration.

You will go to different classes for your lessons so you will soon get to know your way around the school.

We have fantastic facilities and equipment for you to use, and there are lots of exciting new things for you to learn.

You will study subjects in more detail, and if you haven't already, you will discover subjects that you love.

What subjects do you like?

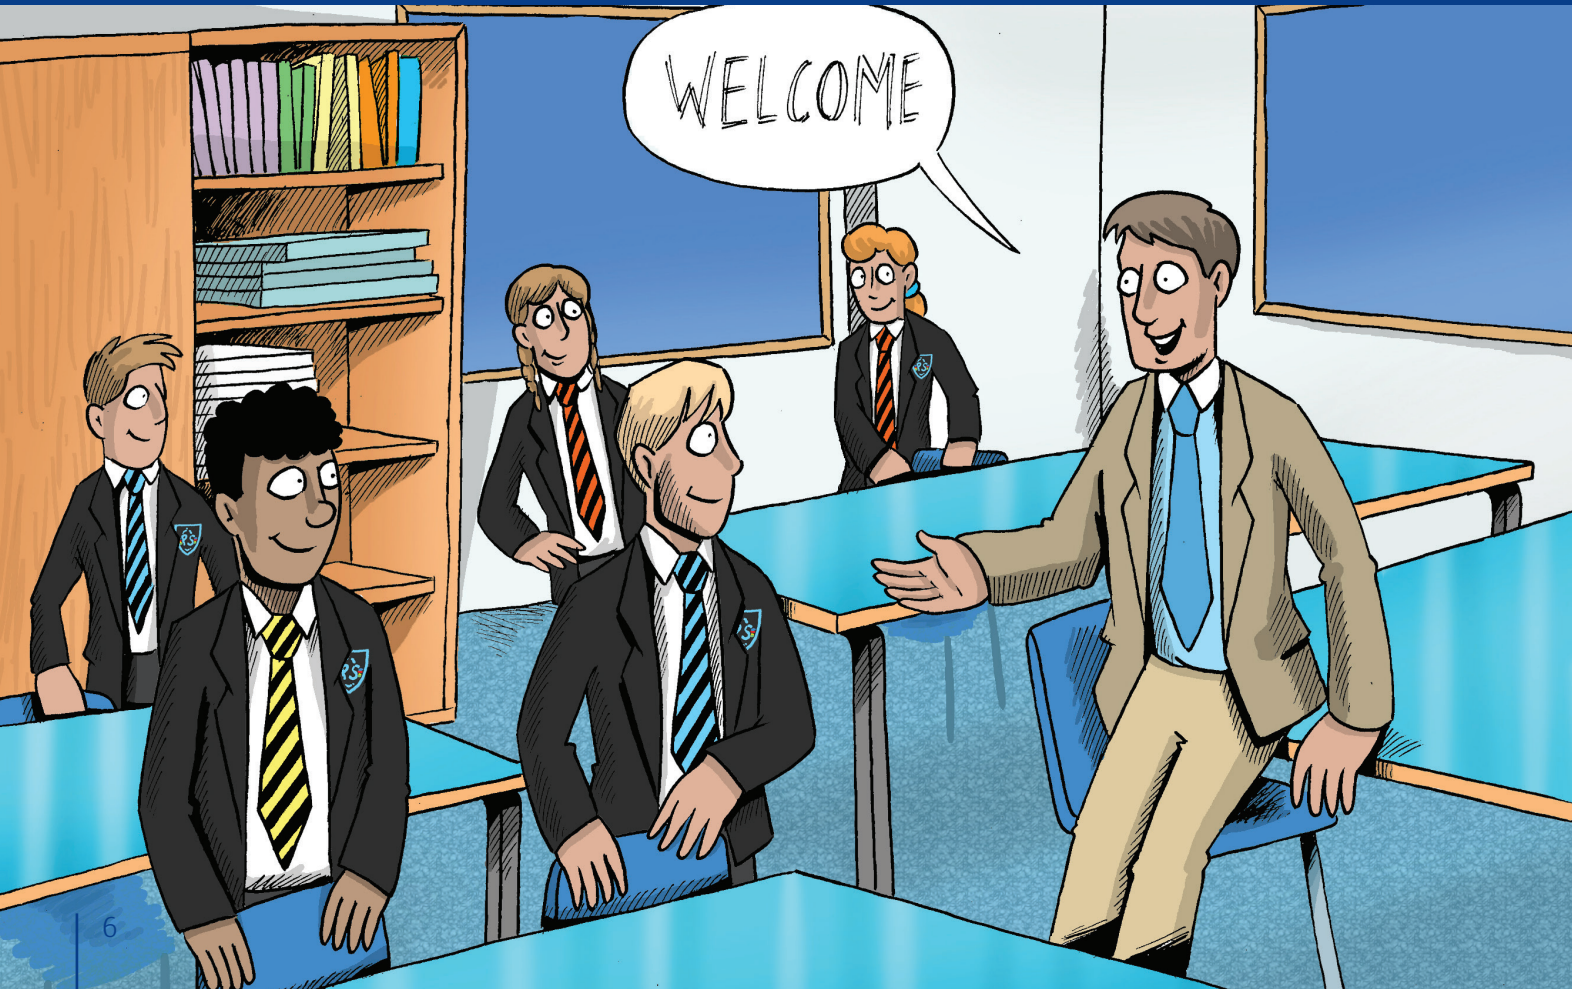

In Omnia Excellentia

You will do English, Maths, Science, Design Technology, PE, Creative Arts, Humanities and lots more.

Your teacher will always be there to help you in your lessons and with any problems that may crop up.

What happens when you arrive in school?

We know that it can be daunting starting at a new school. So, when you arrive, the staff will be there to give you a warm welcome.

You will also have the opportunity to meet and talk with other students and make new friends.

The staff will guide you to your tutor room. Here you will meet your tutor every morning to check how you are and pass on any school notices. They will always be available to talk to first thing every day if you ever need help or advice.

Are you looking forward to coming to Perins?

What happens about snacks and meals?

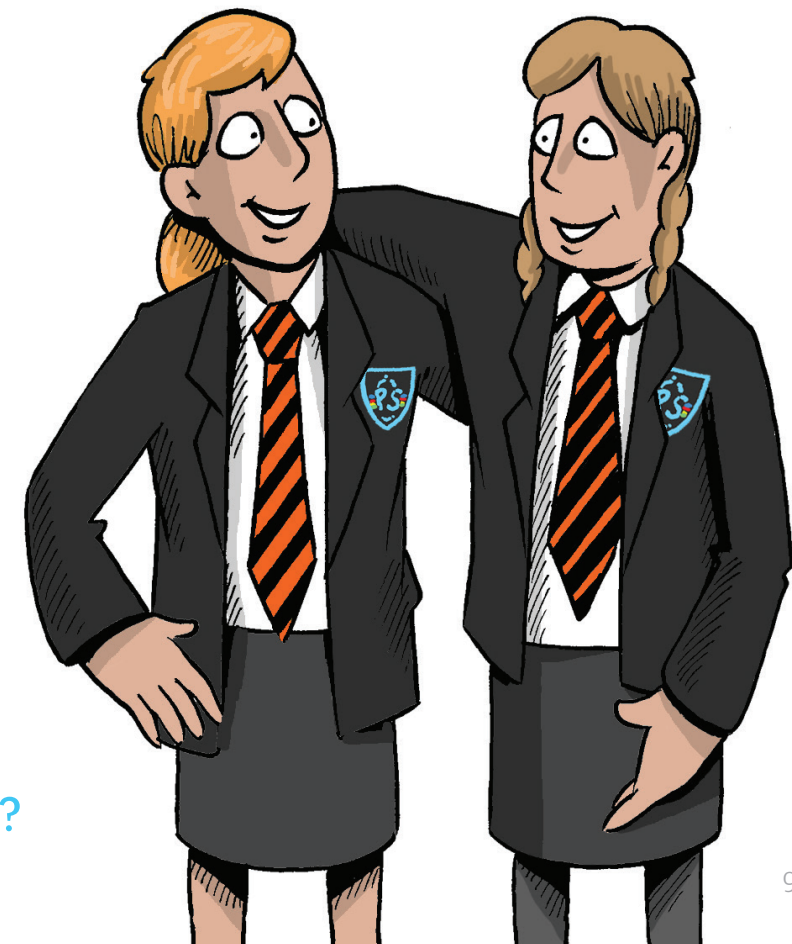

We make sure that you don't go hungry during the day!

The school canteen is open before school, as well as at break, lunchtime and after school. The canteen serves a range of food and snacks.

At lunchtime you can have a tasty, filling meal. There is seating in the canteen where you can eat your food and meet your friends.

What is your favourite food?

What other activities can you take part in?

Outside normal lessons, there are opportunities to join clubs at lunchtime or after school. You can even start your own, supported by a member of staff, if you have a real passion to share your hobbies and interests.

You will have opportunities to go on trips around the UK and other countries.

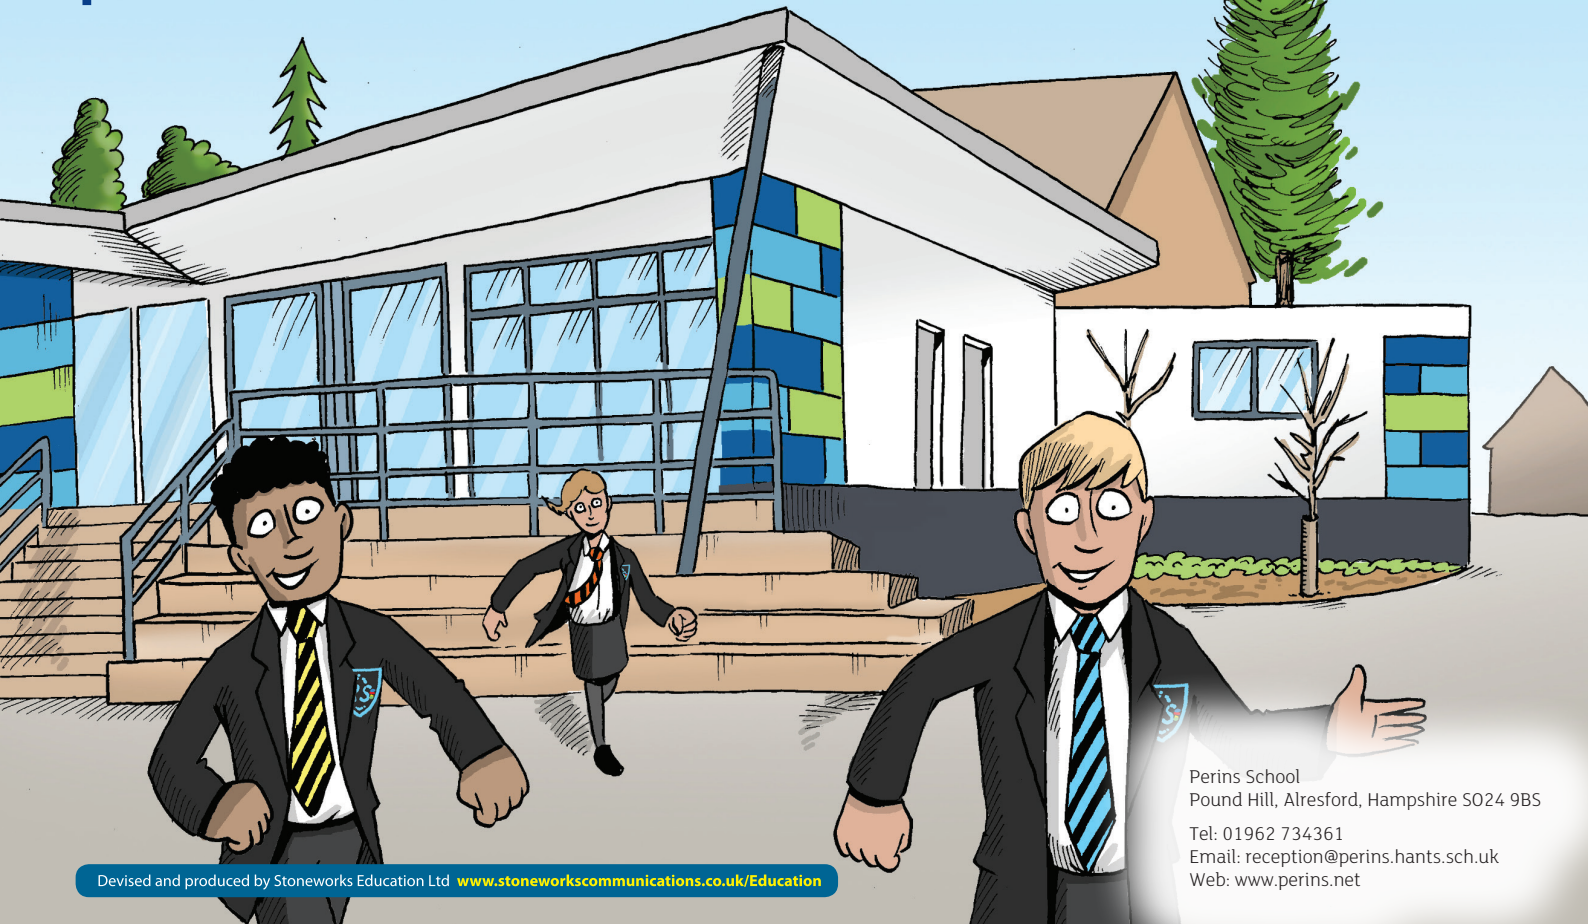

We hope you enjoy your time at Perins and we can't wait for you to arrive.
